Get Covered through HealthCare.gov

If you or someone you know needs health coverage, there are different ways to enroll and help is available online, over the phone and in-person.

Online: Information is available at HealthCare.gov or CuidadoDeSalud.gov.

By Phone: Marketplace Call Center representatives are available to help all day, every day at 1-800-318-2596. TTY users should call 1-855-889-4325. Assistance is available in other languages. The call is free.

In Person: Find Local Help at HealthCare.gov
