

Richmond City Government Budget - FY 2011

HIGHLIGHTS

- Council's approved Richmond City Government Budget for FY 2011 is more than \$82 million less than FY2010, which was more than \$36 million less than FY2009, for a **three year total Richmond City Government Budget reduction of more than \$118 Million.**
- **Council cut Mayor's proposed FY 2011 budget by an additional \$5.2 million** (\$4.6 million of which was the result in state revenue reductions to Richmond Public Schools).
- Council kept the Richmond Real Estate Tax Rate **the lowest in more than 30 years, down \$.92 since 1980.**
- Council approved **splitting up the payments of Richmond Real Estate Taxes** and, beginning in 2011, they will be divided in two and collected two times a year (January and July) instead of all at once. **This move will decrease interest costs needed when borrowing money to pay for services until tax collections are made.**
- Council added **additional \$2.5 Million for repairs and maintenance for Richmond Public Schools.**
- Council **approved a loan program for local small businesses/community development.**

CITIZEN BUDGET SUMMARY BOOKLET

Richmond City Government Budget Fiscal Year 2011

WE, as Americans, pool our resources in order to own and operate a citizen-run government. In this process, we make decisions as to how we want our community to operate; what public services we invest in; the priority (investment levels) of services; and, how we pay for them.

In Richmond, our services include the management, oversight and delivery of such things as clean and safe drinking water, streets/neighborhoods; parks; public transportation; trash/sewage removal; firefighting/rescue; police/courts; and, the education of our children.

Our local citizen governing body, Richmond City Council, represents our community in determining the laws and government services we want. Thus, every year the Mayor submits a proposed budget to Council, which reviews, analyzes and amends it based on priorities. Council also sets local fee/tax rates to fund our services.

Council's budget review spans three months (March-May) and includes more than 24 public meetings. At the conclusion of the deliberations, Council votes to officially approve an Official Richmond City Government Budget for the upcoming Fiscal Year (FY), which runs from July 1 to June 30 annually. Our City operates on a two-year fiscal plan (Budget) that includes five funds and additional state/federal/other monies provided to Richmond Public Schools. Our Budget is typically amended every year.

Our Richmond City Government Budget for FY 2011, summarized herein, is \$1,370,402,375. It was approved and adopted by Council on May 24, 2010. It is effective July 1, 2010-June 30, 2011.

Our Official Budget takes the form of laws, which are approved by Council as Ordinances. These are available for review in the Richmond City Council Office of the City Clerk, located on the 2nd floor of Richmond City Hall, 900 E. Broad Street, 804.646.7955 (tel).
