

ADMISSIONS, LODGING, AND MEALS TAXES

City Code requires that you hold these taxes in escrow. Please remit payment by the 20th of the following month to avoid enforcement action. Thank you.

Did you:

- Sign the return and verify accuracy of details?
- Enclose a check with an account number and made payable to 'City of Richmond'?
- Coupons submitted without an account number may be penalized if the omission results in a processing delay.

"Food purchased for human consumption," means food for home consumption by humans, as defined under the Food Stamp Act of 1977, 7 U.S.C. § 2012. The definition includes most staple grocery food items and cold prepared foods packaged for home consumption. The tax is to be imposed on the purchaser of food and beverages served, sold, or delivered from a food establishment, whether prepared in such food establishment or not and whether consumed on the premises or not or furnished by a caterer.

Many food items prepared by a restaurant, cafeteria, fast food chain, delicatessen, and in many convenience stores would be subject to the food and beverage tax. Food sales by other vendors are presumed to be taxable including the following: caterers, concession vendors, theme parks, sports arenas, stadiums, fair and carnival vendors, gift shops, hamburger and hot dog stands, honor snack vendors, ice cream stand and trucks, mobile food vendors, movie theaters and newsstands.
