

# Will you volunteer to help Junior Achievement reach more students than ever before?

Teachers and students want and need JA programs and we can't fulfill their requests without your help! **We reach out to elementary, middle and high schools in Henrico, Chesterfield, Hanover and Richmond.**

Please review the list of available programs below, and let the JA contact below know which school and grade or program you would like to teach. The JA Company Program is a 13 meeting lesson plan that unlocks the innate ability in students to fill a need or solve a problem in their community by launching a business venture.
