MISSION: The mission of Richmond City Council is to represent citizens in creating and amending local laws, providing government policy and oversight, and approving the city budget.

VISION: Richmond City Council is committed to creating a vibrant community that is a great place to live, work, learn, play, visit, and raise a family.
The City of Richmond - History, Growth and Progress

In 1607, Captain Christopher Newport first led English explorers to what later would become the City of Richmond, named after a suburb of London, England. By 1644, construction of Fort Charles began attracting many new settlers to the area and soon the community grew into a bustling trading post for furs, hides and tobacco.

Richmond was founded in 1737 by Colonel William Byrd II. Byrd inherited land on the north and south sides of the James River and was known as the “Father of Richmond.” In 1741, Byrd and his friend William Mayo developed a map of Richmond and the first lots were sold. Richmond became incorporated as a town in 1742 with a population of 250.

In early 1780, the State Capitol was temporarily moved to Richmond from Williamsburg. The Virginia General Assembly was looking for a central location with more protection from British invasions. In May 1782, eight months after the British surrendered at Yorktown, Richmond became the new capital of Virginia. On July 19, 1782, Richmond’s City Charter was adopted.

While evidence of a rich history is evident throughout the capital city, Richmond is proud to offer modern-day opportunities to its estimated 204,000 citizens (Weldon Cooper Center for Public Service). Throughout its 62.5 square miles, the City offers a diversified employment base that extends from chemical, food and tobacco manufacturing to banking, biotechnology, semiconductors and high-tech fibers. Richmond consistently ranks among “Best Places to Live and Work in America” in several national publications. While offering easy access to the ocean, mountains and Washington, D.C., Richmond features a broad array of local attractions, including several museums, numerous sports and entertainment venues, outdoor pursuits throughout one of the nation’s largest river park systems, a vast array of historic landmarks, its own symphony, professional ballet and opera, as well as several prominent universities.

The City of Richmond continues to grow and look toward the future. With Mayor Dwight C. Jones’ plan, “Building The Best Richmond,” as the guideline for future growth, Richmond can look forward to improving the lives of its citizens by making advances in early childhood development, child and adolescent healthcare, school success, increased efficiency and coordination, youth and family success, public safety, neighborhoods, transportation and economic vitality.

MAYOR’S MESSAGE
March 12, 2013

Dwight C. Jones
Mayor
March 12, 2013

The Honorable Council of
The City of Richmond Virginia

Mr. President and Members of Council:

I am pleased to present to the people of the City of Richmond the administration’s Biennial Fiscal Plan for FY2014 and FY2015 and also our 5-year Capital Improvement Plan, 2014 – 2018. This plan continues on our path to improvement as we strive to Build the BEST Richmond.

This fiscal plan includes expenditure recommendations that are in line with current revenue projections. The Real Estate Tax Rate remains $1.20. The fiscal plan provides funding for legal requirements and mandates in the City, while also continuing to fund services and initiatives in the major strategic areas.

My proposed budget is fiscally prudent in that it protects our citizens from major increases in the cost of services; provides funding for our most vulnerable populations; invests in neighborhoods; protects the jobs of our workforce; and promotes efficiency and savings to prepare for unforeseen emergencies and potential future investment.

Key decisions have been made after reviewing past performance results as we continue to align performance and outcomes with the needs of the City as expressed through the many surveys, MPACT meetings, and District budget meetings.

However, our budget in the upcoming year will be especially challenging, because of the largely unknown impacts of the Federal budget sequestration. There is more that we don’t know than what we do know. We know that there will be cuts of at least 5% in most Federal agencies that provide funding streams to our city. Some programs may see larger cuts, but we do not know which program areas might be spared, if any, from cuts. One program spared may likely mean that another program the City relies on will face a more significant cut. We do not yet know the impact on Federal aid that is routed to us through the State government. And, we do not know the impact on employees in our community and region but we expect that there will be jobs lost and paychecks trimmed as a result of the sequester. These cuts impact not just our City government but also our city coffers as well, since many of our leading businesses depend on
Federal contracts or Federal spending of one sort or another to sustain their workforce and payrolls.

Even though the City is doing well and has maintained or improved its bond ratings, there are some fiscal issues that must be addressed over the next few years. Some of them impact not only this City, but also impact municipal governments in general. This uncertainty in our budget process is a primary reason that we must protect our contingency funds, so that we have resources to draw on during hard times.

**GENERAL FUND**

The total proposed spending plans for the General Fund are $760.5 million for FY14 and $766.3 million for FY15. Excluding fund balances and major one-time items shown in the General Fund, budget growth for FY14 is 1.96% above the approved FY13 General Fund budget. For FY15, growth is 1.34% above the proposed FY14 General Fund budget.

Personnel costs for both FY14 and FY15 are just over 35% of the budget.

**Revenue Highlights**

Total General Fund revenues are projected at $760.5 million for FY14 and $766.3 million for FY15.

This budget is proposed assuming the maintenance of all tax rates, and modest fee increases for hourly parking, cemeteries, and recycling.

Highlighted changes from the FY13 Adopted include:

- Decrease of $1.0 million in Personal Property Tax based on historic collections and projected actuals;
- Decrease of $0.9 million in Machinery & Tools Tax based on less new equipment purchased and depreciation of remaining equipment;
- Decrease of $2.2 million in Communications Tax based on historic distributions by the Commonwealth and projected actuals;
- Decrease of $2.6 million in Bank Franchise Tax as net capital declines and money borrowed by banks during the Great Recession is repaid;
- Decrease of $2.9 million in State Payment for Social Services based on funding declines from the Commonwealth to the City;
- Decrease of $74.3 million in Data Sharing & Other Transfers from one-time revenues in FY13;
• Increase of $3.9 million in Real Property Tax collections based on a higher collection rate by the City and a marginal increase to assessed values;

• Increase of $4.1 million in Local Sales & Use Tax from audit efforts, increased disposable income, and stronger than forecast retail sales;

• Increase of $3.5 million in Prepared Food (Meals) Tax from audit efforts, increased disposable income, and stronger than forecast prepared food sales;

• Increase of $0.5 million in Sales & Use Tax for Education distribution from the Commonwealth (offset by an increase in pass-through funding to Richmond Public Schools);

• Increase of $1.2 million in Business License (BPOL) Fees as existing businesses continue to expand in turn with the economy;

• Increase of $0.5 million in Parking Fees & Permits from updates to hourly parking meter rates;

• Increase of $1.1 million in Reimbursement for State Shared Expenses based on the estimates from the Commonwealth’s Compensation Board;

Expenditure Highlights

Major changes in expenditures include:

• a $2.2 million net increase in full time salaries attributed to a 2% salary increase which will be effective with the first pay in October for eligible City employees;

• a $1.9 million increase in healthcare costs attributed to a 6.6% cost increase and the City absorbing both the employer and the employee / retiree shares of the increase;

• a $0.8 million increase in retiremen: costs due to changes in the rates specified by the Richmond Retirement System;

• a $22.6 million net decrease in operating costs that is primarily a result of having done one-time debt retirement payments of $27.1 million in FY13 which are no longer a part of the FY14 Non-Departmental budget;

• projected savings of $3.0 million resulting from a Voluntary Retirement Incentive Plan (VRIP) for employees who have 30 or more years of service or are at least 65 years old (savings in FY15 are projected to be $6.5 million for the whole years) – employee separations would be completed by September 30th;

• General Fund payments for debt increase by $5.2 million to $64.5 million in FY14 and increase by $7.0 million to $66.2 million in FY15;
The City’s proposed $500,000 increase to Richmond Public Schools increased their funding to $154.2 million in FY14 and $154.7 million in FY15 – this includes changes in the State Shared Sales Tax that is passed through from the Commonwealth of Virginia.

Additional funding for Division of Emergency Communications within the Police Department resulting from the reclassification of 10 civilian positions to Communication Officers; this along with increased retirement costs and other adjustments set the proposed budget at $84.0 million and $85.4 million with respective increases of $1.5 million and $3.0 million compared to FY13.

Capital Improvement Plan (CIP)
This CIP reflects the City’s strong commitment to infrastructure and capital improvements. In citizen surveys and Council District budget meetings, citizens overwhelmingly felt that street and sidewalk improvements were their highest priorities. This fiscal year saw the opening of two new elementary schools that will be followed by one middle school and one high school. Planning will also begin on another elementary school in the Dove Street area. This plan also includes funding for the 800 Megahertz radio communications system replacement.

In the Transportation Category:

- Streets – funding of $5.0 million is provided in FY14, and $20.0 million is provided over five-years

- Sidewalks - $650,000 is provided in FY14 and $3.3 million is provided over five years.

In the Education Category:

- School Maintenance funds of $500,000 in FY14 and $2.4 million are provided over five years. This is in addition to the $2.0 million currently available for spending.

- No funding for Schools ADA improvements were included in, as a mid-year amendment to schools Capital Budget for ADA added $.5 million to satisfy all ADA issues. There is currently $9.5 million available for spending

- Funding is proposed for a new Dove elementary school in the amount of $21.3 million over five years. The school will be a high performing Science, Technology, Education and Math (STEM) School that will serve pre-K through 5th grade in the Dove Street revitalization area.

In the Public Safety Category:

- 800 Megahertz radio communications system replacement - $30.0 million is included over five years supported financially by the City, while an additional $3.5 million is provided by Public Utilities renewal funds.
• New Justice Center - $29.7 million is provided in FY14 and FY15 to complete this $133.6 million project. Construction is approximately 40% complete.

In the Economic & Community Development Category:

• Public Housing Transformation funds of $2.5 million in FY14 and $5.0 million over five years are provided to partner with private developers to redevelop severely distressed public housing complexes in Eastview – Whitcomb Court and Mosby Court, and the East End area – Creighton Court and Fairfield Court.

• Funds for the Riverfront Plan Implementation of $4.0 million are included in FY14 to fund the first phase of the recently adopted Riverfront Master Plan.

In the Culture & Recreation Category:

• $14.0 million is provided in FY14 to assist in the $60.0 million renovation of the Landmark Theater that is being implemented by the Richmond Performing Arts Center.

• Southside Community Center – funds of $3.6 million have been provided over five years to design and construct a Community Center in the Ninth Council district. Amenities would include a gymnasium, multi-purpose space, and ideally would be complimented by existing outdoor venues.

In the City Facilities Category:

• Major Buildings Renovation – Funding of $1.0 million in FY14 and $8.0 million over five years has been provided for structural and system replacements and improvements in over 100 City-owned buildings.

• Police Impound/Tow Lot – Funding of $3.1 million over FY14 and FY15 will bring outsourced towing storage services in house, and upon completion, will generate new revenue to the City. The revenue will be used to support future capital projects.

We have much to be proud of as Richmonders. I hope that you see this budget as the door to accomplishing many of the projects that we have been talking about.

Sincerely,

Dwight C. Jones

### Mayor's Proposed Budget FY2015

- Revenue: $78,949,580
- Expenditures: $78,949,580

### City Council Approved Budget FY2015

- Revenue: $79,149,580
- Expenditures: $79,149,580
BUDGET AT A GLANCE
**GENERAL FUND REVENUE**

Fiscal Year 2014 General Fund revenue is projected to be $760,532,300, including $72,908,900 in the rainy day/unassigned fund (RDF) balance and $33,750,000 in other reserves. Removing those balances and one-time revenues of $75,575,500 found in Data Sharing & Other Transfers from the FY2013 Adopted Budget, FY2014 General Fund revenues are projected to increase $12,597,758 or by 2.0 percent over the FY2013 Adopted Budget. Tax rates remain unchanged from the FY2013 Adopted Budget.

This is the third year in which the RDF balance is reflected as a resource available to the City of Richmond in the budget. The adopted expenditures maintain the full RDF balance in FY2014, meaning no actual expenditures occur to the RDF.

Note: FY2012 actual totals may not sum due to rounding.

**FY2014 Adopted General Fund Revenue**

$760,532,300
### General Fund Expenditures

FY2014 Adopted General Fund expenditures, including maintenance of the City’s rainy day/unassigned fund balance, are $760,532,300.

CITY-WIDE SERVICE LEVEL BUDGETING

A service is defined as a specific work or function or combination of activities that is performed in support of a department, program, or organizational unit. Service level budgets align the services citizens expect with what the City can afford. Service level budgeting begins with the documentation of all services and mandates, and is then used as part of the outcome based budgeting process. The best way for the City’s strategic management plan to be successfully implemented for the long term is to align services with the strategy and then make the appropriate funding decisions.

In April of 2011, the City of Richmond conducted a Citywide Services Inventory in which city departments were asked to identify all the services they provide as well as the federal, state, or local mandates that the services were in compliance with. It is based on the final Citywide Services List that departments are now being asked to develop their FY2014 and FY2015 service level personnel and operating budgets.

*Personnel summary above does not include Richmond Public Schools. For a complete overview of Richmond Public Schools authorized positions, refer to the FY2014 Richmond Public Schools Budget.

It should be noted that several departments have been reorganized over the years in order to increase the City’s operating efficiency. In cases where the reorganization has led to the elimination of an agency, the positions related to that agency have typically been moved into departments that have taken responsibility for the positions’ respective duties.
STRATEGIC PLANNING & PERFORMANCE MEASURES
Over the past several years, in keeping with Mayor Dwight C. Jones’ pledge to “Build the Best Richmond”, we sought ways to change the way we manage our business. Using Mecklenburg County, North Carolina as a model, Richmond decided to focus on changing and improving the key processes for planning, budgeting, and performance management to ensure that we make best use of limited resources to deliver value to our customers and other stakeholders. What has been developed is a four stage, continuous process for governmental accountability.

1. **Develop Vision & Strategy** – set the broad objectives /strategic results that our customers and other stakeholders desire and then identify the strategies to accomplish those objectives
2. **Align** – align programs and services to carry out the strategies
3. **Implement**—budget resources based on desired and known outcomes
4. **Evaluate**—establish a performance management system that monitors, evaluates and reports annually on program/service performance results

On the pages that follow, descriptions of each stage can be found. The full length City of Richmond Strategic Plan for FY2014-FY2015 will be available July 2013.
STAGE 1—DEVELOPING VISION & STRATEGY

The City of Richmond has chosen the Balanced Scorecard Strategic Management System (henceforth Balanced Scorecard) as the tool to improve the key processes for planning, budgeting, and performance management. Balanced Scorecard is an approach to strategic management that links the City’s mission and vision to the development of strategies intended to achieve specific performance objectives. It takes a performance measurement approach that shows clear and cogent linkages between and among planning, spending, performing, and results. In this system, mission, vision and performance objectives are viewed through the prism of four perspectives: financial accountability, customer priorities, internal processes, and learning and growth. Elements of the City’s Balanced Scorecard approach include: strategic planning as the method to identify organizational objectives (both city-wide and departmental) and the steps to achieve them; outcome-based budgeting as the philosophy which guides the allocation of resources to the objectives identified by the strategic planning process; and performance measurement to evaluate the success toward achieving the identified objectives, identify opportunities to improve service delivery and help to inform future adjustments to resource allocation.

The starting point of this effort, is the identification and development of focus areas that represent the strategic themes upon which the City will concentrate to achieve desired results. There are seven Focus Areas, each of which has developed a vision of success as well as the strategic results that will exemplify success. Each Focus Area is briefly discussed below.

**Focus Area 1: Unique, Healthy, & Inclusive Neighborhoods & Communities**

*Vision—To create vibrant, attractive, and sustainable neighborhoods characterized by a healthy and well educated population of diverse incomes and exceptionally designed living spaces, within a network of interconnected neighborhoods that offer a quality and diverse array of continued learning, recreational, cultural and entertainment, retail, and service opportunities.*

*Strategic Results*

The strategic results supporting the Vision Statement and driving the achievement of desired outcomes are focused on the development of a city of complete neighborhoods. Complete neighborhoods are those that provide residents and business owners with the essentials that they need on a day-to-day basis. They include:

- Accessible housing options
- Opportunities for positive interactions and community-building
- Multimodal transportation infrastructure and complete streets
- Livability that appeals to all ages
- Community-based services, amenities, cultural activities, and entertainment
- Support for all residents, including elderly, disabled and other vulnerable populations
- Accessible retail
- An environment that promotes a healthy lifestyle (exercise, nutrition, and medical care)
- Private investment and access to capital
- Access to outdoor green space and parks
- A positive image and identity and a welcoming atmosphere
- Community safety and well-being
Focus Area 2: Economic Growth

Vision- The City’s vision to achieve the goal of making Richmond a Tier One City and fulfill the mission of Building the Best Richmond through a comprehensive economic growth will require a strategy that ensures a sound quality of life for local residents, creates and retains jobs, stimulates investment in neighborhoods and businesses, and generates the revenues necessary to fund vital municipal services.

Strategic Results
The strategic results supporting the Vision Statement and driving the achievement of desired outcomes include:

- Affords access to opportunity for Richmond residents
- Fosters viable mixed-income neighborhoods
- Develops and supports Richmond’s tax revenue base, providing funding for municipal services for all residents
- Maximizes the City’s assets and advantages
- Promotes the health of local communities and residents
- Attracts long-term investment in real property and development
- Attracts and retains business and industries thereby creating jobs

Focus Area 3: Community Safety & Well Being

Vision- To make Richmond a Tier One City and fulfill the mission of ‘Building the Best Richmond’ through the implementation of education focused community oriented governance that addresses policing, fire/emergency medical services response & emergency preparedness while providing the infrastructure and services that will ensure all Richmonders have the opportunity to experience an exceptional quality of life.

Strategic Results
The strategic results supporting the Vision Statement and driving the achievement of desired outcomes include:

- Reduction of major crime and other public safety incidents
- Increased alternatives to incarceration
- Investment in Public Safety/Health Infrastructure
- Enhanced Emergency Management Capability
- Advancement and Promotion of Public Safety Prevention and Education
- Improved citizen perception of safety and increased citizen satisfaction

Focus Area 4: Transportation

Vision- To make Richmond a Tier One City and fulfill the mission of ‘Building the Best Richmond’ through a transportation system that provides safe, efficient, affordable and accessible multi-modal transportation for the movement of people, goods, and services in harmony with existing and future land use and the natural environment.”
Strategic Results
The strategic results supporting the Vision Statement and driving the achievement of desired outcomes are based on the ten guiding principles which were developed for the Richmond Strategic Multimodal Transportation Plan through a collaborative process. Transportation decisions will be guided by the following:

- **Safety**: Operationally, our roadways and all travel modes will be safe for all users.
- **System Preservation**: Well managed and preserved roadways, bridges and transportation infrastructure
- **Multimodal Linkages**: Neighborhoods and communities throughout the City will be linked by a balanced, multimodal, bikeable, walkable, transit-friendly transportation system.
- **Complete Streets**: Streets will be designed, redesigned, and maintained in a way that better serves the needs of all modes
- **Equity and Accessibility**: Our multimodal system will be more equitable, universally accessible and provide improved access to jobs, attractions and activities.
- **Regional Cooperation**: We will think regionally. Regional transit will be an extensive part of the future transportation system. Access to jobs and housing will be coordinated regionally.
- **Sustainable Transportation**: Transportation will be more sustainable by reducing per capita Vehicle Miles of Travel (VMT) within the City; increasing the use of bicycles, pedestrian facilities, and transit; coordinating transportation decisions with local land-use decisions and redevelopment projects to facilitate greater use of multi-modal options; and encouraging alternatives to the single occupant vehicle.
- **Alternative Mode Support**: More multimodal centers, corridors and land use and parking policies that support alternative modes of transportation, walking and biking.
- **Innovation**: Richmond will embrace transportation innovations in the operations, design and maintenance of transportation facilities and in the incorporation of new modes and technologies.
- **Historic Character**: We will build upon our historic character and unique transportation history; including Main Street Station, regional rail infrastructure, streetcar history, the canals, the James River, the Port and the historic grid network.

**Focus Area 5: Education & Workforce Development**

**Vision**—To make Richmond a Tier One City and fulfill the mission of Building the Best Richmond through a well-educated, well-trained workforce that supports and stimulates a vibrant local economy, which in turn enables workers to earn a living wage and enjoy a high quality of life.

**Strategic Results**
The strategic results supporting the Vision Statement and driving the achievement of desired outcomes include:

- The City of Richmond is an effective Workforce Intermediary and Supplier of Choice, supported by a robust and highly collaborative education and workforce development system with fully engaged employers
- Children are healthy, well cared for and enter school ready to learn
- High quality child care is available throughout the community, supporting children’s school readiness and enhancing parents’ ability to work outside the home
- Students experience success at the elementary, middle and high school levels and high percentages of students graduate from high school
• An increasing number of students successfully transition to post-secondary opportunities as appropriate to align with their career aspirations and abilities
• Industry-specific career and technical training programs prepare individuals for jobs that provide family-sustaining wages and fuel a vibrant economy
• Individuals who were not successful navigating the traditional educational pathway have access to gain the needed reading, math, computer, and financial literacy essential to participate in the world of work. These opportunities result in increasing percentages of Richmond residents becoming literate and self-sustaining
• Adult education and life-long learning opportunities promote continuous learning and help Richmond citizens sustain their roles as contributing members of the community

Focus Area 6: Sustainability & the Natural Environment

Vision—To make Richmond a Tier One City and fulfill the mission of Building the Best Richmond through safeguarding the environment, including protection of air and water quality, land preservation, and energy and resource conservation.

Strategic Results
The strategic results supporting the vision statement and driving the achievement of desired outcomes include:

• Implementation of RVAGreen Sustainability Plan recommendations
• Implementation of Energy Management Plan to guide future energy efficiency efforts
• Reduced greenhouse gas (GHG) emissions from the community and city government operations
• Reduced energy use in City facilities
• Increased adoption of stormwater best management practices (BMPs) that reduce the amount of stormwater entering the CSO and pollution into the watershed
• Increased urban tree canopy
• Adoption of enterprise asset management to reduce total life cycle costs
• Compliance rates with permits issued by federal and state regulatory agencies to the natural gas, water, wastewater and stormwater utilities.
• Increased tonnage of recycling

Focus Area 7: Well Managed Government

Vision—To make Richmond a Tier One City and fulfill the mission of Building the Best Richmond through a well-managed government that provides effective and efficient City services that are accessible, transparent, responsive, accountable, fair and creative, and maintain a high level of customer satisfaction.

Strategic Results
The strategic results supporting the Vision Statement and driving the achievement of desired outcomes include:

• Upgrade or maintenance of City’s bond rating from each of the rating agencies
• Improved tax collection rate
• Increase in customer service ratings on the Citizen Survey
• Decrease in the City’s medical trend line
• Compliance on all municipal contracts
STRATEGIC PLANNING PROCESS

- Decrease in equipment downtime
- Replacement plan for information technology and fleet equipment
- Improved workforce caliber, motivation and satisfaction

The seven Focus Areas are the main, high-level business strategies that form the basis for our organization’s business model and have become the “Pillars of Excellence” for which we all strive in our planning and operations.

STAGE 2—ALIGNING PROGRAMS & SERVICES

This stage involves making sure that Richmond programs and services are aligned to our strategies in such a way that we are positioned to achieve successful outcomes. In April of 2011 the City conducted a Citywide Services Inventory in which city departments:

1. Identified all the services that are provided in each of the Citywide programs
2. Listed the federal, state, or local mandates with which the services were in compliance
3. Linked each service to one of the seven Focus Areas

It was based on the final Citywide Services List upon which this FY2014 and FY2015 Proposed Biennial Budget is based.

STAGE 3—BUDGETING BY INTENDED OUTCOMES

Richmond’s budget process, based on the outcome based budgeting methodology, involves allocating resources according to strategic objectives in order to achieve successful outcomes. Outcome-based budgeting entails procedures and mechanisms intended to strengthen links between the City’s existing resources and desired
outcomes; it uses performance data analysis to inform resource allocation decision-making. Where traditional cost-based budgeting might respond to the question, ‘What programs or line items can we cut to keep the budget in balance?’, outcome-based budgeting responds to a different question, ‘How can we increase the value we deliver to citizens with the resources available to us?’

As a local government entity, the value that we deliver is in the services we provide. A service is defined as a specific work function or combination of activities that is performed in support of a department, program, or organizational unit. Richmond’s outcome based budget has been developed as a service level budget. Service level budgets align the services citizens expect with what the City can afford. The best way for the City’s outcome based budget to be successfully implemented is to align services with the strategy and then make the appropriate funding decisions. The benefits of aligning services with strategy are:

- Better decision making and budgeting
- Effective strategic management
- Superior customer service
- Identification and elimination of unnecessary redundancies
- Enhanced communication

When funding decisions are being made at the service level, there are three primary questions that must be asked:

1. Relevance: To what extent should the City be providing this service?
2. Performance: Do the outcomes / results justify the investment being made?
3. Efficiency: Are resources (both monetary and human) being managed in the optimal way?

As a result, budget decisions are based on data projecting the end result of the service provided. Outcome-oriented budgeting requires that departments make budget requests that will lead to specific outcomes (NOT just outputs) and are guided by data-based assumptions. The key here is that desired outcomes drive budget decisions about which projects, programs, initiatives, or services should be funded.

**STAGE 4—MANAGING PERFORMANCE**

Once the budget and strategic plan have been adopted for FY2014 and FY2015, it is imperative to continually evaluate performance. Richmond will keep track of its performance on the strategic outcomes desired through its Corporate and Community Scorecard. The Scorecard contains the Key Performance Indicators that have been identified as critical to achieving success in the strategic objectives.

Each program, service, initiative and project undertaken by the City is to be evaluated based on the performance it delivers, not the activities it conducts. Evaluations must be data driven, quantifiable, and measured against achievement of desired outcomes in order to inform subsequent budget cycles. In addition, an outcome-based budget process not only allows for more informed decision making, it also makes government more transparent to citizens. As the City continues to implement outcome-based budgeting, increased accountability to the public becomes a critical component of the effort. The City’s public accountability process involves soliciting input on priorities from the community and then reporting strategic and operational results back to the community. Strengthening the City’s engagement with residents on the issues that concern them has become an integral part of the strategic planning process.
As the diagram on page one of this section indicates, the strategic planning process doesn’t end. The expectation is that each cycle will lead to greater improvements and enhanced accountability as we fine tune our strategies to achieve optimal outcomes, based on the results of the previous cycle.

Key Performance Indicators, with associated Geographical Information Systems (GIS) maps, will be submitted as an addendum to the Proposed FY2014 and FY2015 Biennial Fiscal Plan.

**NEXT STEPS**

Although many improvements to the way we manage our business (of providing services) have been made, there is still more to be accomplished. In FY2014 and FY2015, the City will:

- Monitor service level budget expenditures as a component of ensuring dollars are optimally appropriated
- Establish performance benchmarks for every City service and begin monitoring performance
- Activate department balanced scorecard and begin reporting results
- Beginning with City directors, implement the revised performance evaluation tool that is tied to Citywide and departmental strategic objectives and measures
- Expand the monitoring of all Key Performance Indicators into each of the City’s Neighborhood Statistical Areas
Key Performance Indicators

The City of Richmond has chosen 44 Key Performance Indicators to track amongst the seven Focus Areas over time. Each Key Performance Indicator is tied to a citywide strategic objective. The Focus Areas have gathered data from FY 2012 to determine baselines for each Key Performance Indicator. These baselines are important to identify the current performance level of the City. Citywide initiatives that will improve performance have been adopted as part of the budget. These initiatives will move the City toward accomplishing the strategic objectives.

UNDERSTANDING THE BUDGET
THE BUDGET PROCESS

The City of Richmond utilizes a biennial financial plan that encompasses a two-year period with the first year being the even numbered year. The annual fiscal year begins July 1 and ends June 30. While the City Council approves a biennial budget, the adopted appropriation covers only one year of the biennium.

The policies that govern the City of Richmond budget process are derived from Chapter 6 (Budgets) of the City Charter as amended through 2006 along with the Code of Virginia Chapter 25 – Budgets, Audits and Reports. The Following provides an overview of the City’s budget process.

BUDGET FORMULATION

The annual budget process commences in the late summer/early fall, closely following the implementation of the current year’s adopted budget, and continues through the final budget adoption in May. The budget calendar is the first step in the development process. It establishes the timelines for the budget formulation process, including dates for submission of focus area initiatives, agency expenditure requests and revenue estimate submissions, budget work sessions, and public hearings that will lead to final adoption of the budget.

The budget process is designed to incorporate a rigorous internal review of each agency’s budget and to allocate resources across focus area initiatives and agency programs based on a thorough examination of program alternatives and justifications. Each initiative and program is reviewed by the City’s budget staff, the Chief Administrative Officer, the Mayor, and the City Council.

On the date fixed by City Council, the Mayor submits a proposed biennial operating budget, or amendments to the existing, approved biennial plan for the fiscal year commencing July 1 to the City Council. The budget, delineated by fund, includes proposed expenditures and the revenue sources needed to finance them.

Following budget submission by the Mayor and public hearings held by City Council, the budget may be amended by Council within the limitations prescribed in the Charter. The budget is adopted by Council no later than May 31 and becomes effective on July 1.

Appropriations for the General, Public Schools, Internal Service Funds, and Enterprise Funds lapse at fiscal year end, except appropriations that have been encumbered in order to account for certain expenditure commitments. Appropriations for Capital Project Funds and Special Revenue Funds are continued until the completion of the applicable project or grant, even when the project or grant extends beyond the end of the fiscal year.

BALANCED BUDGET REQUIREMENT

For any fund, the total of proposed expenditures shall not exceed the total of estimated revenue plus carried forward fund balance. The same requirement applies to the budget adopted by City Council.
BASIS OF BUDGETING AND ACCOUNTING

A budget is a formal document that enables the City to plan for the future, measure the performance of City services, and help the public to understand where revenues come from and how they are spent on City services. The budget serves many purposes and addresses different needs depending on the “audience,” including City residents, federal and state regulatory authorities, elected officials, other local governments, taxpayers and City staff.

BASIS OF BUDGETING

Budgets are generally adopted on a basis consistent with Generally Accepted Accounting Principles (GAAP) and in accordance with legal mandates. Adopted budgets for governmental funds utilize the modified accrual basis of accounting under which revenue and related assets are recorded when measurable and available to finance operations during the year. Fiduciary and proprietary funds use the full accrual basis of accounting which recognizes revenue when earned and expenses when incurred.

Annual operating budgets are adopted for all Governmental Funds except for the Capital Projects Fund in which effective budgetary control is achieved on a project-by-project basis when funding sources become available. Appropriations for the General, Public Schools, Internal Service Funds, and Enterprise Funds lapse at fiscal year end, except appropriations that have been encumbered in order to account for certain expenditure commitments. Appropriations for Capital Project Funds and Special Revenue Funds are continued until the completion of the applicable project or grant, even when the project or grant extends beyond the end of the fiscal year.

BASIS OF ACCOUNTING

The City of Richmond uses either the full accrual or the modified accrual basis of accounting, as appropriate for each fund type or activity, in accordance with GAAP.

In general, under the modified accrual basis of accounting, revenues are considered available only if the monies will be received within 60 days after the end of the accounting period and were due on or before the last day of the accounting period. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. An exception to this general rule is principal and interest on general long-term debt which is recorded when due.

In applying the full accrual concept to revenues, the legal and contractual requirements of the individual programs are used as guidance. Certain revenue must be expended for a specific purpose and others are virtually unrestricted as to purpose of expenditure.

Under the full accrual basis of accounting, revenues are recorded when earned and expenses are recorded when liabilities are incurred, without regard to receipts or disbursements of cash. Unbilled accounts receivable are accrued when earned in the Enterprise Funds.

In most cases the basis of accounting conforms to how the City prepares its budget. Exceptions are as follows:
Compensated absences are recorded as earned by employees (GAAP), as opposed to being expended when paid (Budget);

Principal payments on long-term debt within the Proprietary Funds reduce the amount of debt remaining on a GAAP basis, as opposed to being expended on a Budget basis; and

Capital outlay within the Proprietary Funds is recorded as assets on a GAAP basis and expended on a Budget basis.

**Fund Structure**

The City’s governmental functions and accounting system are organized, controlled and operated on a fund basis. A fund is a grouping of related accounts used to maintain control over resources that have been segregated for specific activities or objects. Each fund is considered a separate accounting entity, with operations accounted for in a separate set of self-balancing accounts that are comprised of assets, liabilities, fund equity, revenue, and expenditures or expenses, as appropriate. The City’s funds can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

**Governmental Funds**

Governmental funds consist of the General Fund, Debt Service Fund, Capital Projects Fund, and Special Revenue Funds. Most governmental functions of the City are financed through these funds. The modified accrual basis of budgeting is used for all governmental funds.

**General Fund** – The General Fund is the City’s primary operating fund. It is used to account for all revenue sources and expenditures which are not required to be accounted for in other funds. Revenues are derived primarily from real estate and personal property taxes as well as other local taxes, federal and state distributions, licenses, permits and fees, fines and forfeitures, and charges for goods and services. (See Glossary of Terms for definition of revenue terms).

**Debt Service Fund** – The Debt Service Fund accounts for the accumulation of financial resources for the payment of interest and principal on all governmental fund long-term debt, costs related to debt issuance, and other related costs on outstanding bonds and notes.

**Capital Projects Fund** – The Capital Projects Fund accounts for financial resources to be used for the acquisition, construction or renovation of capital facilities, or other equipment, that ultimately become City fixed assets.
**GOVERNMENTAL FUNDS**

*Special Revenue Funds* – These funds are used to account for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted to expenditures for specified purposes. Special revenue funds include, but are not limited to, federal reimbursements, grants, and donations designated for a specific purpose.

**PROPRIETARY FUNDS**

Proprietary Funds consist of enterprise funds and internal service funds. These funds account for city activities that operate similarly to private sector businesses. Consequently, these funds measure net income, financial position, and changes in financial position. All assets, liabilities, equities, revenue, expenditures, and transfers related to the City’s business and quasi-business activities are accounted for through proprietary funds. The full accrual basis of accounting is used for all Proprietary Funds.

*Enterprise Funds* – These funds are used to account for the operations (a) that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where periodic determination of revenue earned, expenses incurred, and/or net income is deemed appropriated for capital maintenance, public policy, management control, accountability, or other purposes. Example: Public Utilities

*Internal Service Funds* – These funds are used for the financing of goods or services provided by one city department or agency to other departments or agencies, or to other governments, on a cost-reimbursement basis. Example: Fleet Management

**FIDUCIARY FUNDS**

Fiduciary funds are used to account for assets held by the City in a trustee capacity or as an agent for individuals, private organizations, other governments, and other funds. The City’s fiduciary funds include: the City’s Retirement System Trust Fund; and Agency Funds which are custodial in nature and do not present results of operations or have a measurement focus.
POLICIES AND PRACTICES

Financial policies and practices promote financial integrity and are an important priority in the City of Richmond. Improvement of financial policies and practices has been a key initiative within the Well-Managed Government focus area. The following financial policies, practices and guidelines establish the framework for the City’s overall fiscal planning and management. These broad policies set forth guidelines against which current budgetary performance can be measured and proposals for future programs can be evaluated. The policies and practices help to protect the fiscal integrity of the City, and ensure that the City is poised for future growth.

BALANCED BUDGET

The City’s budgetary policies are based upon guidelines and restrictions established by the State Code, the City Charter and Code, and generally accepted accounting principles for governmental entities. These provisions set forth the City’s fiscal year, tax year, public hearing and advertising requirements, and restrictions on taxation. Included in these guidelines and restrictions is the requirement that the City must maintain a balanced budget. The budget is considered balanced if estimated revenues and resources meet planned expenditures.

The City prepares and approves a biennial budget. Annually, the City must adopt and execute a budget for such funds as is required in the guidelines and restrictions discussed above. The budget controls the levy of taxes and the expenditure of money for all City purposes during the ensuing fiscal year.

REVENUE POLICIES AND PRACTICES

Multi-year revenue and expenditure forecasts for all City funds will be included as a part of the Adopted Budget. The City will attempt to maintain a stable but diversified revenue base as a means of sheltering it from fluctuations in the economy.

While revenue and expenditures are monitored continually, a report is compiled quarterly that depicts current year trends, receipts and explains any unanticipated revenue variances.

**Fund Balance** – The City does not intend to use General Fund equity (Rainy Day/Unassigned Fund Balance) to finance current operations. The City’s General Fund equity balance has been built over the years to provide the City with sufficient working capital to enable it to finance unforeseen emergencies without borrowing. To conserve General Fund equity and to avoid reliance on this balance, the City will not finance operations from the General Fund equity balance.

**Revenue or Tax Anticipation Notes** – The City does not intend to issue revenue or tax anticipation notes to fund government operations. The City intends to manage cash in a fashion that will prevent any borrowing to meet working capital needs. Short-term borrowing for this purpose was eliminated with the advent of twice-per-year real estate billing in January 2011.
**Bond Anticipation Notes** – The City does not intend to issue Bond Anticipation Notes (BANS) for a period of longer than two years. If the City issues a bond anticipation note for a capital project, the BAN will be converted to a long-term bond or redeemed at its expiration.

**Fees and Charges** – All fees established by the City of Richmond for licenses, permits, fines, services, applications and other miscellaneous charges shall be set out to recover all or a portion of the City’s expense in providing the attendant service.

**Restricted Revenue** – Restricted revenue (such as Comprehensive Services Act funds, Asset Forfeiture funds, or Reserve Fund for Permanent Public Improvements (RFPPI)) will only be used for the purpose intended and in a fiscally responsible manner.

**Revenue Collection** – The City will strive to achieve an overall real property tax collection and personal property tax collection. In addition, the City is enhancing its delinquent tax collections.

**Structurally Balanced Budget** – The City will strive to achieve a structurally balanced budget in which one-time revenue and/or one-time expenditure savings will be used for non-recurring or one-time expenditures.

**Operating Budget Policies and Practices**

**Unassigned (Undesignated) Fund Balance** – The City will maintain a Rainy Day/Unassigned fund balance equal to at least ten percent (10%) of the budgeted General Fund expenditures. The purpose of this fund balance is to help mitigate current and future risks and to provide for temporary funding in the event that the City experiences an unusual, unanticipated and otherwise insurmountable hardship.

**Revenue Stabilization Fund** – The City will strive to build and maintain a revenue stabilization fund for the purpose of mitigating current and future risks of unforeseen economic events, such as significant reductions in local and/or state revenue collections, or to respond immediately to significant one-time events, such as a blizzard or hurricane.
Reserve | Purpose | Goal | FY 2014 Projected
--- | --- | --- | ---
Rainy Day/Unassigned (undesignated) General Fund Balance | Practices of a well managed government recommend the accumulation of unassigned fund to mitigate current and future risks and to prove for temporary funding of unforeseen emergency or catastrophic needs. | Post GASB 54 implementation, a Rainy Day/Unassigned fund balance of 10.0% will be maintained | $72,908,854

Revenue Stabilization Reserve Fund | The City will strive to build and maintain a revenue stabilization fund for the purpose of mitigating current and future risks of unforeseen economic events, such as significant reductions in local and/or state revenue collections, or to respond immediately to significant one-time events, such as a blizzard or hurricane. | $12,500,000

**Structurally Balanced** – The City will strive to match current General Fund revenue with current expenditures so that ongoing operating costs are supported by ongoing, stable revenue.

**Revenue and Expenditure Projections** – The City will strive to prepare a five-year forecast annually in order to improve financial planning and decisions, and to assist in the preparation of the biennial budget or the biennial budget amendment.

**Budgetary Surplus** – The City will adopt a budget in which ongoing operating costs are supported by ongoing, stable revenue. The revenue and expenditure projections utilized in adopting the annual financial plan are estimates that will be strictly monitored. The Commonwealth of Virginia sets the benchmark goal of projected budget variance at 2 percent. It is the goal of the City to meet the Commonwealth’s benchmark.

**CAPITAL BUDGET POLICIES AND PRACTICES**

**Capital Improvement Program Preparation** – The City will prepare a five-year capital improvement program in accordance with Section 6.19 of the Richmond City Charter. In addition to the
guidance set forth by the City charter, the City uses several guiding principles and best practices to develop and manage the Capital Improvement Program. These principles are utilized to promote capital infrastructure that support the City’s vision and priorities by establishing a five-year capital implementation program.

**Pay-As-You-Go Capital Improvement Funding** – The City will strive to fund a portion of capital improvements with sources of financing that do not increase the City’s debt liability.

**Debt Policies** – It is the policy of the City that General Fund supported debt will be limited by any one of the following:

<table>
<thead>
<tr>
<th>Debt Policy</th>
<th>Limitation</th>
<th>Status</th>
</tr>
</thead>
<tbody>
<tr>
<td>Debt service, as a percent of the budget, will not exceed 10 percent.</td>
<td>10%</td>
<td>Met</td>
</tr>
<tr>
<td>Debt will not exceed 4.5 percent of total assessed values (real estate, personal property, and machinery &amp; tools).</td>
<td>4.5%</td>
<td>Met</td>
</tr>
</tbody>
</table>

In addition to the policies listed above, debt will also be limited by the following:

- To the extent the limitations above are not exceeded, General Obligation debt may be used for enterprise fund capital projects in lieu of revenue bonds within the additional limitations that: coverage must be maintained, and provisions of capitalized interest will be met as though the bond held parity with outstanding revenue bonds; and
- The City will issue general fund supported debt with an average life that is consistent with the useful life of the project with a maximum maturity of 30 years.

**Cash Management and Investment Policies and Practices**

**Cash Management and Investment** – The City will invest public funds in a manner that places safety of the principal of the City’s public investment as the highest priority. Secondary to safety is the maintenance of liquidity of the investment and optimization of the rate of return. Funds invested by the City are investment in accordance with the Code of Virginia, Investment of Public Funds Act, Chapter 45, Title 2.2, Sections 2.2-4500 through 2.2-4518 and the Virginia Security for Public Deposits Act, Chapter 44, Title 2.2, Sections 2.2-4400 through 2.2-4411.

**Inter-Fund Policies and Practices**

**Inter-Fund Transfers and Reimbursements** - The General Fund will be reimbursed annually by the Enterprise and Internal Service Funds for general and administrative services provided, such as self-insurance, accounting, personnel, and administration.

**General Fund Revenue Summary**

**General Fund Revenue FY2014**

Fiscal Year 2014 General Fund revenue is projected to be $760,532,300, including $72,908,900 in the rainy day/unassigned fund (RDF) balance and $33,750,000 in other reserves. Removing those balances and one-time revenues of $75,575,500 found in Data Sharing & Other Transfers from the FY2013 Adopted Budget, FY2014 General Fund revenues are projected to increase by $12,597,758 or 2.0 percent over the FY2013 Adopted Budget. Tax rates remain unchanged from the FY2013 Adopted Budget.

This is the third year in which the RDF balance is reflected as a resource available to the City of Richmond in the budget. The adopted expenditures maintain the full RDF balance in FY2014, meaning no actual expenditures occur to the RDF.

Note: FY2012 actual totals may not sum due to rounding.

**ECONOMIC REVIEW**

In the five years following the start of the Great Recession in December 2007, the U.S. economy continues to recover. Over the past three years, the economy has grown at a modest pace. From 2011 to 2012, Gross Domestic Product (GDP) – a measure of all final goods and services produced in the economy – grew at an annual rate of 2.2 percent. National employment continued to add jobs, growing 1.6 percent over the same period. Existing home sales grew by 12.1 percent during 2012, another positive indicator.

However, some headwinds continue to exist for the economy. Although the national unemployment rate hit a four-year low in February 2013 at 7.7 percent, it remains high and only declined 0.7 percentage points during 2012, from 8.5 percent to 7.8 percent. While national employment advanced over the year, it was still off from the January 2008 peak by over 3 million jobs. Importantly, the federal government budget sequestration has occurred, triggering the process to begin $85 billion in automatic spending cuts across almost all federal operations. According to the White House factsheet on the sequestration, the total projected impact to Virginia is over $671 million – more than any other state – with $648 million of the impact to military readiness funding.

At the beginning of 2013, consumers saw a decrease to disposable income as the full amount of the payroll tax cut came back online; however, this should not have a long-term negative impact to consumption. Much more important is the impact on consumption from the budget sequestration, particularly in Virginia, as consumers substitute spending for saving, decreasing the money multiplier.

*Note: Data reported throughout this section are current as of March 8, 2013.*

**NATIONAL ECONOMIC INDICATORS**

The great recession began in December 2007, ending June 2009. During this time, real GDP declined five times from the preceding period. Since then, real GDP has advanced each quarter, and odds of a double-dip recession have become increasingly low. On an annual basis, real GDP grew 2.2 percent during 2012, compared to 1.8 percent in 2011, and 2.4 percent in 2010. The greatest decline since the great recession was in 2009, when real GDP decreased 3.1 percent from the previous year.
Employment grew in 2012, advancing 1.66 percent and adding an average of 183,000 jobs per month. This was slightly stronger than employment growth during 2011, which advanced 1.61 percent and saw an average of 175,000 jobs added per month. At an average growth of 183,000 jobs per month, it will take just under 1.5 years (17 months) from the February 2013 employment figure to surpass the previous employment peak of January 2008.¹

![National Employment (total nonfarm)](chart)

During 2012, the official unemployment rate (U-3) declined 0.7 percentage points from 8.5 percent to 7.8 percent. An additional decline of 2.8 percentage points is necessary to return to the unemployment rate when the recession began in December 2007 of 5.0 percent. The February 2013 unemployment rate of 7.7 percent was the lowest reported rate since December 2008 – over four years ago.

![Civilian Unemployment Rate (U-3)](chart)

Alternate measures of unemployment also declined over the year ending December 2012. The U-6 measure declined 0.8 percentage points from 15.2 percent to 14.4 percent during this time. In addition to the those captured in the U3 rate, this measure also includes those who are neither working nor looking

¹ National non-farm employment was reported at 135,046,000 for February 2013. The previous peak was 138,056,000 in January 2008. The difference of 3,010,000 jobs, divided by 2012 average growth of 183,000 jobs per month means it will take 17 months of growth at the 2012 average before passing the previous peak.
for work but indicate they want and are available for a job and have looked for work in the past 12 months; those who have settled for part-time work as a result of being unable to find full-time work; and discouraged workers who have given a job-market related reason for not currently looking for work.

Reported weekly, initial jobless claims also declined during 2012. The four-week moving average (used to smooth volatility) from 12/31/2011 to 12/29/2012 saw a decline of 4.8 percent. By the same moving average measure, initial claims hit a five-year low reported for the week ending March 2nd 2013.

The labor force participation rate, a percentage of total working-age people who are either currently employed, or unemployed and seeking work, declined over 2012 by 0.4 percentage points from 64.0 percent in December 2011 to 63.6 percent in December 2012. This is still 2.6 percentage points below the relative peak of the labor force participation rate, which was 66.2 percent in January 2008.

Real personal consumption expenditures (PCE) also fared well, advancing 1.9 percent during 2012 according to the Bureau of Economic Analysis. Breaking the data down further, goods advanced 3.1 percent while services advanced 1.3 percent for the year.

Real retail and food sales advanced 3.0 percent during 2012, surpassing the previous pre-recession peak of December 2006 exactly six years later in December 2012.

Light weight vehicle sales of autos and light trucks also advanced, growing 13.0 percent during 2012. Light weight vehicle sales ended 2012 with 15.3 million units sold in December – this was greater than peak units sold during the federally-initiated “cash for clunkers” program, which totaled 14.6 million units in August 2009.

In addition to these indicators, the housing market recovery gained momentum during the year. According to the National Association of Realtors, existing home sales grew 12.1 percent in 2012. Housing starts for new privately owned units advanced 39.6 percent, going from 697,000 units in December 2011 to 973,000 units in December 2012. Housing permits advanced 29.7 percent during the same period.

Consumer confidence, measured by The Conference Board (an independent business research group in Washington, DC) showed a rebound in February 2013 from the January 2013 reading. During this time, consumer confidence rose 11.2 points from 58.4 to 69.6 (1985 is the base year for the index with a value
of 100). Both components of consumer confidence, expectations and present situation, also rose. The Conference Board attributes these gains to the shock effect of the fiscal cliff and payroll tax returning wearing off. Since the budget sequestration has occurred in full as of the time of this writing, the reading will likely decline for March and possibly other months into the future if no changes take place.

**Virginia Economy**

Real GDP for Virginia cooled from 2010 to 2011, advancing only 0.3 percent (the most recent data available). For comparison, real GDP grew by 3.0 percent from 2009 to 2010. During 2011, the industries that grew the strongest were Professional, Scientific, and Technical Services (+4.7 percent); Finance and Insurance (+4.0 percent); and Wholesale Trade (+4.0 percent). Declines were in Mining (-18.6 percent), followed by Utilities (-12.1 percent), and Educational Services (-8.2 percent).

Virginia employment advanced 0.9 percent in 2012, ending the year with a gain of 31,300 jobs. Despite the tepid gain in employment, Virginia’s unemployment rate, ending 2012 at 5.5 percent, continued to fare better than the national rate percent. Virginia’s unemployment rate declined 0.6 percentage points during the year, from 6.1 percent to 5.5 percent. Virginia’s labor force grew by only 0.1 percent over 2012, expanding by 3,600 persons from 4,347,600 in December 2011 to 4,351,200 in December 2012.

Reported weekly, Virginia’s initial jobless claims also declined in 2012. The four-week moving average of claims from 12/31/2011 to 12/29/2012 saw a decline of 7.4 percent. Virginia’s unemployment benefits declined 25.3 percent from $1,141 million to $852 million over the year ending September 2012, the most recent data available. Unemployment benefits peaked in the third quarter of 2009 at $1,912 million.

The six-month moving average of real retail sales advanced 3.3 percent during 2012. Total wages and salaries grew 1.7 percent over the year ending September 2012, the most recent data available.

The housing market in Virginia also gained momentum, but still has a considerable way to go to return to the pre-recession peak. Housing starts advanced 21.3 percent from 1,482 units in December 2011 to 1,797 units in December 2012. Building permits also advanced considerably, growing 47.7 percent from

**LOCAL & REGIONAL ECONOMY**

Locally, both the Richmond Metropolitan Statistical Area (MSA) and the City of Richmond have seen mixed results. The Richmond MSA, which is made up of the City of Richmond as well as surrounding cities and counties, saw the non-seasonally adjusted (NSA) unemployment rate decline 0.5 percentage points from 6.5 percent in December 2011 to 6.0 percent in December 2012. Employment in the Richmond MSA declined by 0.2 percent, from 613,300 persons to 612,000 during 2012. The MSA labor force also declined during the year by 0.8 percent, from 682,305 persons in December 2011 to 676,655 in December 2012.

Housing indicators for the Richmond MSA fared much better. The six-month moving average of housing starts grew by 20.1 percent in 2012, while the six-month moving average of housing permits advanced 65.1 percent during the same period.

The City of Richmond continues to be plagued by a high unemployment rate. The City’s NSA unemployment rate stood at 8.1 percent at the end of December, significantly higher than the surrounding counties of Chesterfield (5.3 percent), Hanover (5.3 percent), and Henrico (5.2 percent). On a positive note, the rate declined by 0.6 percentage points during 2012, from 8.7 percent to 8.1 percent.

The City of Richmond’s population grew by 0.7 percent from 2010 to 2011, the most recent data available. However, the City’s NSA labor force declined by 1.4 percent during 2012, moving from 104,100 in December 2011 to 102,600 in December 2012.

The City of Richmond’s six-month moving average of retail sales advanced 2.7 percent from December 2011 to December 2012. In raw dollars, the city received $31,015,108 from the 1 percent local option sales tax on retail sales during 2012, a 7.2 percent gain over 2011’s amount of $28,926,058. Virginia’s total advanced 4.3 percent during the same period. The six-month moving average for auto registrations in the City advanced 30.6 percent from December 2011 to December 2012.

On a positive note, the City of Richmond saw a number of job announcements for 2012 as recorded by the Virginia Economic Development Partnership (VEDP). A total of 816 jobs were announced by six employers, with Health Diagnostic Laboratory (HDL) responsible for 706 alone. Employers also announced a total investment of approximately $73.8 million, with HDL investing $68.5 million.

The net effects of the budget sequestration on the City of Richmond and throughout the Richmond MSA remain to be seen. If the sequestration continues as triggered on March 1st, cuts to state and federally funded programs will hurt the local economy. Declines through pay cuts or furloughs will cause disposable income to fall, which in turn has a negative effect on local tax revenue accounts. Accounts affected will include, but are not limited to: local option sales and use tax, prepared food tax, lodging tax, admission tax, and vehicle rental tax. It must be stressed that as disposable income goes, so does spending (or consumption), causing a negative ripple effect (multiplier) throughout the economy.
GENERAL FUND FIVE-YEAR FORECAST

The economic indicators and trends at the national, state, and local level presented in the Economic Backdrop help shape the City’s five-year forecast. Understanding these indicators and their effects on City revenue accounts is crucial for developing an accurate five-year forecast. While indicators are important, they are only one of three tools that shape the forecast. Historical data and regression analysis are conducted to identify underlying trends over time; the Commonwealth’s revenue forecast and budget are also taken into account. The last piece is working directly with account managers and analysts on a regular basis to accurately price-in anomalies or other major one-time revenues that would otherwise not be apparent from strictly analyzing data and figures. This three-prong approach balances economic indicators, data trends, and account activity. The result is a regularly updated forecast with multiple data and data sources, increasing accuracy and decreasing chances of a revenue shortfall.

As new data are released, revisions to the estimates and forecast may occur. For the FY2014 & FY2015 Biennial Budget, this is especially true as more details on the federal government budget sequestration and trickle-down effects to the City become available. When possible, data at the local level are compared between three groups: the City of Richmond, the surrounding counties of Chesterfield, Hanover, and Henrico, and the Richmond Metropolitan Statistical Area (MSA). Refinements are made through the spring, including the Mayor’s presentation of the proposed budget, until the budget is adopted by City Council.

The information in this section provides an explanation of the five-year forecast for FY2014 through FY2018. Fiscal Year 2014 and FY2015 data represent the Biennial Budget adopted by City Council, while FY2016 through FY2018 figures are included for planning purposes, to aid in the issuance of new City debt and the scheduling of Capital Improvement Program (CIP) expenditures.

To help illustrate how large or small each revenue category in relation to the General Fund, the respective size is stated as a percent of the FY2012 General Fund actual balance. Notably, this excludes the RDF and major one-time revenues. The amount used as the denominator for this calculation is $647,152,630.

Note: Some figures throughout this section may not sum due to rounding; percent change and growth rates referenced are calculated based on the actual (not rounded) amount which may be found in the General Fund Revenue Summary section. Accompanying charts may be found at the end of this section.

GENERAL PROPERTY TAXES

Tax proceeds are the primary source of revenue for the City’s General Fund. The bulk of tax revenue consists of general property taxes, which include real, personal, and business property. Based on FY2012 actuals, the City’s total tax revenue accounted for 66.7 percent or $431.7 million of all General Fund revenue. Tax proceeds are divided into general property taxes and other local taxes. General property taxes make up 44.4 percent of General Fund revenue, while other local taxes make up 22.3 percent.

Other local taxes include consumer taxes (such as local option sales tax and prepared food tax), utility taxes on electric and gas consumption, state distributed taxes (state shared sales tax for education and communications tax), and business and other taxes.
Total tax revenue is forecast to increase by $4.7 million or 1.1 percent from $425.3 million in the FY2013 adopted budget to $430.0 million in FY2014. Fiscal year 2015 tax revenue is projected to increase by $5.5 million or 1.3 percent above the 2014 level. This is primarily driven by revenue increases from real estate, delinquent real estate, and delinquent personal property.

**Real Property Taxes**

Real property taxes are levied on the assessed value of real property. Included in this category are taxes on residential and commercial property, property tax payment on public service corporations, area tax, the tax abatement for rehabilitation tax credits – a reduction to the source – and delinquent real estate taxes.

Current real property taxes are estimated to generate $215.5 million in FY2014. This is an increase of $3.9 million or 1.8 percent from the FY2013 adopted amount. For FY2015, current real property taxes are anticipated to increase $2.8 million or 1.3 percent above the FY2014 level. Although assessed values of real property are expected to grow at a tepid pace, the City anticipates collecting a higher rate of real property taxes, from an average of 95 percent collections during the period of 2008 – 2012, to 96 percent. The adopted budget maintains a real estate tax rate of $1.20 per $100 assessed value.

Delinquent real estate tax revenue is projected to add $8.6 million to the General Fund in FY2014 and $8.6 million in FY2015. Although not apparent due to rounding, growth from FY2014 to FY2015 is projected to be 0.5 percent.

**Personal Property Taxes**

Personal property taxes are projected to generate $49.5 million in FY2014 and $49.6 million in FY2015, including delinquent personal property tax collections. Personal property taxes are levied on the tangible property of individuals and businesses. For individuals, this tax is primarily on automobiles and recreational vehicles. Business personal property includes motor vehicles, furniture, computers, and fixtures. Business machinery and tools are taxed separately, as permitted by law. The tax rate on all personal property is maintained at $3.70 per $100 assessed value.

In 1998 the General Assembly enacted the Personal Property Tax Relief Act (PPTRA) to provide tax relief for qualifying vehicles. In 2004, the State capped the tax relief reimbursement payment made to localities. Based on that capped value, the City receives $16.7 million each year with which it can provide tax relief to qualified vehicle owners. Since the City’s payment from the State will remain constant, changes in personal property values or the number of qualifying vehicles will adjust the percentage of actual tax relief provided. Relief rates are determined and approved by Council during the year in which the relief is provided. That is, as more individuals are approved for PPTRA, each individual will receive a smaller amount due to the fixed amount of relief.

**Other Property Taxes**

Other property taxes primarily consist of machinery and tools tax, with minimal revenue added by the mobile home title tax. The total revenue expected to be generated by other property taxes in FY2014 is $15.5 million. This projection is unchanged in FY2015 as new equipment added by businesses is anticipated to be offset by machinery and tools that are retired in the same year in addition to depreciation of remaining equipment.
**Other Local Taxes**

**Consumer Utility Taxes**

Consumer utility taxes are taxes paid on consumption of electricity and gas by businesses and residents as well as utility pole and conduit taxes paid by utility and public service companies. The three sources of this revenue are relatively stable from year-to-year, with little growth anticipated. Consumer utility taxes are estimated to generate $16.9 million in FY2014 and $16.9 million in FY2015. Although not apparent due to rounding, growth from FY2014 to FY2015 is projected to be 0.1 percent.

**Consumer Taxes**

Consumer taxes, also known as excise taxes, are paid on goods and services consumed by individuals and businesses. These sources fluctuate, responding to changes in the economy that affect citizens’ disposable income. A combination of increased disposable income and auditing drove FY2012 actuals higher than the FY2013 adopted budget. As a result, the FY2013 end-of-year projection is higher than the FY2013 adopted budget.

Consumer tax revenue is primarily generated by the local sales and use tax and the prepared food (meals) tax. Based on FY2012 actuals, these accounts make up 86 percent of all consumer taxes collected by the City. Other taxes in this category are lodging (hotel) tax, admissions tax, vehicle rental tax and the short term property rental tax. This category is projected to generate $69.8 million in FY2014, and $71.7 million in FY2015 to the General Fund.

The City is closely monitoring these accounts as sequestration, should it continue without any change or resolution, stands to affect them heavily.

**State Distributed Local Taxes**

Sales and Use Tax for Education is projected to grow $533,589 or 2.2 percent from the FY2013 adopted amount of $23.8 million to $24.2 million in FY2014. This source is projected based on a statewide distribution formula calculation and is directly passed through to Richmond Public Schools. The Virginia Department of Education provides a calculation tool for this estimate.

Together, all state distributed local taxes are projected to total $42.2 million in FY2014. This is a decrease of 3.5 percent or $1.5 million from the FY2013 adopted amount, largely due to a decreased projection in Communications Tax – which is also projected to remain relatively flat for FY2014 and FY2015. Total growth in this category from FY2014 to FY2015 is forecast to be 1.4 percent.

**Business Taxes**

Business taxes consist primarily of the Bank Franchise Tax – more than 95 percent of the category’s total revenue. As a result of higher retained earnings, tightened lending practices, and retained Troubled Asset Relief Program (TARP) funds, the Bank Franchise Tax was estimated to continue to decline in-line with the economic recovery. As a result, FY2014 is projected to decline 24.0 percent to $8,386,700. For FY2015, this revenue is projected to decline an additional 13.7 percent from the FY2014 level to $7,236,000.
**Other Taxes**

Penalty and interest on delinquent taxes is projected to generate $4.6 million in FY2014 and $4.6 million in FY2015. Although not apparent due to rounding, growth from FY2014 to FY2015 is projected to be 0.5 percent.

---

**LICENSES, PERMITS, & FEES**

Based on FY2012 actuals, licenses, permits, and fees generate approximately 5.6 percent of the total General Fund revenue. These sources are projected to add $38.0 million to the General Fund in FY2014 and $38.5 million in FY2015.

**Business, Professional, and Occupational License**

Based on FY2012 actuals, business, professional, and occupational license (BPOL) fees generate approximately 81 percent of all General Fund licenses, permits, and fees revenue. Growth in BPOL fees is determined primarily by existing economic conditions, much like the City’s consumer or excise tax revenue. In FY2014, BPOL is expected to generate $30.8 million. Growth is anticipated to continue in FY2015 with BPOL reaching $31.3 million.

As of FY2014, qualifying businesses locating to the City of Richmond for the first time will be exempt from business license fees for up to two years. Although this policy has no sunset date, fees from new businesses generate on average $100,000 per year. Existing businesses will continue to pay the current rates. Growth is anticipated from the expansion of existing and non-exempt businesses. This is a policy tool to attract new employers to the City, and it is believed that what will be lost from business license fees will at least be partially offset by additional revenue from prepared food and local sales and use tax.

**Vehicle License**

Vehicle license is the fee paid by vehicle owners for vehicles garaged within the City limits. Revenue derived by the source increases or decreases with the number and size of vehicles owned in the City. Limited growth is anticipated over the next five years. Vehicle license is projected to grow at a tepid pace, only advancing by 0.50 percent or $3.6 million in FY2014 and $3.7 million in FY2015.

**Parking Fees & Permits**

Parking fees and permits consist of revenue from parking meter fees, parking permits in the Fan and Carver districts, and fees for parking in select parking lots. Beginning in FY2014, meter fees will increase by $0.25 or 50 percent from $0.50 to $0.75 per hour. As a result, FY2014 revenue is projected to increase 61.7 percent above the FY2013 adopted budget. For FY2015, growth is projected at 1.0 percent above FY2014 from $1,257,700 to $1,270,300.

**Utility Right-of-Way Fees**

Utility right-of-way fees are primarily derived from construction projects requiring changes to existing utilities, and are projected to be approximately $0.6 million in FY2014 and FY2014. Although not apparent due to rounding, growth is projected to be 1.0 percent each year during this time. Utility right-of-way fee revenue is $0.6 million.
All Other Licenses, Permits & Fees

All other license, permits and fee revenue includes delinquent licenses, permits and fees as well as a number of activity specific licenses such as dog and cat licenses. Although this revenue is projected to grow 30.1 percent for FY2014 above the FY2013 adopted level, it is actually projected to decline 9.8 percent from the FY2012 actual revenue due what is believed to be a one-time anomaly for penalty license tax. Growth of 2.1% above the FY2014 level is projected for FY2015 to $1.7 million.

INTERGOVERNMENTAL REVENUE

Intergovernmental revenue, composed primarily of payments from the Commonwealth, is projected to remain virtually unchanged in FY2014 from FY2012 actuals, and grow minimally in FY2015. The FY2014 forecast contribution to the General Fund is $106.8 million. Intergovernmental revenue is projected to grow 0.5 percent in FY2015 to $107.4 million. Based on FY2012 actuals, intergovernmental revenue represented 16.4 percent of the total General Fund balance.

State Payment for Social Services

State payments for social services are expected to decline 6.8 percent from the FY2013 adopted amount of $41.9 million in FY2013 to $39.0 million in FY2014. The FY2015 estimate remains flat. Excluding the RDF, the payment from the Commonwealth to the City represents the third largest revenue source in the General Fund, with only real estate tax and personal property tax (including delinquent collections) forecast higher.

State House Bill 599 (Public Safety Revenue)

Projected State House Bill 599 payments are expected to remain flat for FY2014 and FY2015, marginally increasing by 0.1 percent from the FY2013 level.

Reimbursement for State Shared Expenses

Reimbursement for State Shared Expenses is estimated by the Virginia Compensation Board. After remaining largely flat from FY2010 to FY2012, a combination of salary increases for constitutional officers and elimination of the reduction in aid to localities is behind the projected growth. The FY2014 forecast amount represents an increase of 5.5 percent from the FY2013 end-of-year projection. As salary increases have been intermittent and infrequent, no growth is projected from FY2014 to FY2015.

Street Maintenance

Street maintenance revenue payments from the Commonwealth are forecast to grow 0.5 percent from the FY2013 adopted amount $24.3 million to $24.4 million in FY2014. A growth rate of 2.0 percent is projected for FY2015, resulting in projected revenues of $24.9 million.

All Other Intergovernmental Revenue

All other intergovernmental revenue is made up of state block grant, state payment in lieu of taxes (PILOT), and other miscellaneous state revenue. In total, it is projected to be $8.0 million in FY2014 and $8.1 million in FY2015.
Fines and forfeits are anticipated to contribute $11.1 million to the City’s General Fund in FY2014. In FY2015, that number is expected to grow 1.2 percent to $11.2 million. Based on FY2012 actuals, fines and forfeits represented 1.5 percent of the total General Fund balance.

Court Fines & Fees

Court fines and fees are received from the Circuit Court, General District Court, and the Juvenile and Domestic Relations Court. Based on FY2012 actuals, the courts make up 55.0 percent, or $5.4 million of all fines and forfeits revenue. Revenue is forecast to be $5.8 million in FY2014 and $5.9 million in FY2015.

Parking Violations

Based on FY2012 actuals, parking violations totaled 44.0 percent of all fines and forfeits. In late FY2013, the City began an aggressive booting campaign and reengineered the letter mailing process to increase collection on parking violations owed. This results in a strong projection over the FY2012 actuals of $4.3 million. Parking violations are forecast to be $5.2 million for FY2014 and $5.3 million in FY2015.

Overdue Book Fines

The remaining fines and forfeits consist of overdue book fines, totaling under $0.1 million. This source has varied very little historically and is projected to remain flat for both FY2014 and FY2015.

Utility payments to the General Fund

Utility payments to the General Fund are expected to generate $31.2 million in FY2014. As compared to the FY2013 adopted budget, the FY2014 projection represents an increase of 11.8 percent. In FY2015, utility payments to the General Fund are expected to grow an additional 2.6 percent above the FY2014 level to $32.0 million. Based on FY2012 actuals, utility payments make up 4.2 percent of the General Fund.

Utility Payment in Lieu of Taxes (Utility PILOT)

Utility payment in lieu of taxes (PILOT) is charged to the City’s Utility Enterprise Funds in place of general property taxes. Based on FY2012 actuals, it accounted for 76.3 percent of the total utility payment to the General Fund. The payment made to the City is a function of prior year’s earnings, real estate values, and personal property values. Utility PILOT is projected to advance 7.4 percent from the FY2013 adopted budget to $23.8 million in FY2014. For FY2015, utility PILOT is projected to advance an additional 7.8 percent above the FY2014 level, to $25.6 million.

Payment for Administration and Collection Services

The City’s utility enterprises rely on a number of services supported by the General Fund, including accounting, collections, and information technology support services. The utilities, in turn, pay for the cost of the services back to the General Fund at the end of each fiscal year. In FY2014, the payment for administration and collection services is projected to be $3,489,000 – an increase of 24.8 percent over the
FY2013 level. In FY2015, utility payments for administration and collection services are projected to marginally increase by 0.6 percent to $3,509,400.

Utility Dividend Payments

Utility dividend payments are determined by the City Charter and transfer 30 percent of the year’s net income to the General Fund in the second succeeding fiscal year. Dividend payments represented 11.4 percent of the total utility payments to the General Fund based on FY2012 actuals. The FY2014 projection for this account is $3.9 million, up 33.0 percent from the FY2013 adopted budget. The dividend payment is projected to slightly decline in FY2015 based on preliminary estimates of FY2013 utility net income.

Charges for Goods & Services

Based on FY2012 actuals, charges for goods and services consist primarily of refuse collection fees (44.2%), inspection fees (17.1%), risk management (16.3%), other service charges (6.9%), and recycling proceeds (5.8%). The remaining categories within charges for goods and services collectively make up 9.7 percent of the total. Minimal growth is anticipated in this revenue group, as the largest portion of revenue collected (refuse collection services) is fairly stable from one year to the next. However, beginning in FY2014 recycling proceeds are expected to increase 14.6 percent due to a rate change from $1.69 to $1.942 to cover cost of service.

Collectively, charges for goods and services are expected to generate $27.5 million in FY2014, representing growth of 3.9 percent from the FY2013 adopted budget. In FY2015, total charges for goods and services are expected to grow 2.2 percent above the FY2014 level to $28.1 million.

Other General Fund Revenue & Resources

All other General Fund revenue include limited administrative payments from outside organizations, such as the Richmond Metropolitan Authority (RMA) and the Richmond Redevelopment and Housing Authority (RRHA); payments for administrative and data services; and one-time revenue such as prior year budgetary surplus (typically linked to a one-time expenditure in the structurally balanced budget).
Special note on growth from FY2006 to FY2007: Fiscal Year 2007 saw a number of revenue increases over the FY2006 level, responsible for approximately $64.1 million in total. The largest increase was in State Shared Sales Tax, which totaled $27.6 million. This was not new revenue to the City, but was the first time it was shown in the General Fund. Additionally, Real Estate Tax added $19.9 million to the General Fund. Lastly, Prepared Food Tax and Lodging Tax added a combined $11.0 million to the General Fund during FY2007. These four revenue sources are responsible for over 90 percent of the $64.1 million in increases.

Library

Parks, Recreation & Community Facilities
MISSION STATEMENT

The mission of the Richmond Public Library is to inform, enrich, and empower Richmond's residents: to enrich lives and expand opportunities for all citizens by promoting reading and the active use of cultural, intellectual, and informational resources through a dedication to excellence and professional service.

DEPARTMENT OVERVIEW

Richmond residents of all ages will thrive and realize success in academic, professional, personal, cultural and economic pursuits, enhanced by relevant services and resources at Richmond Public Library. Children will enter school ready to learn, and will succeed academically, through resources and programs offered for them, their parents and caregivers at Richmond Public Library. Richmond residents will increase their technological knowledge, skills and competencies from technology, programs and resources available at Richmond Public Library.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $1,216 to operating supplies budgets for FY2014 and a $4,654 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments, except Police, Fire & Emergency Services, Richmond Public Schools and Public Works.

Personnel: The budget includes 100% funding for all positions which are filled and limited funding for vacant positions in both fiscal years. The budget also reflects an increase of the City’s contribution to retirement and healthcare.

Operating: This budget reflects no changes from the previously adopted FY13 budget.

**Agency Accomplishments**

The Library supports literacy for children, teens and adults. Accomplishments in these areas include:

- **Grade Level Reading Initiative:** The library is lead agency for the City of Richmond’s participation in the national Grade Level Reading Initiative. Richmond’s project application was recognized as a finalist in the National Civic League’s All-America City competition in June 2012. The Steering Committee for this project includes Richmond Public Schools, United Way of Greater Richmond & Petersburg, Communities In Schools, and Richmond Promise Neighborhood. With 30 partner agencies, our goal is to have 90% of Richmond third graders reading on grade level by the end of grade three.

- **Summer Reading:** The library’s summer reading program engaged over 2,000 children, teens and adults in the 2012 Summer Reading Program. An assessment by Richmond Public Schools of children who completed the program by reading 10 books over the summer showed that participants maintained their reading skills over the summer, which is a milestone for school success. Primary funding for this program is provided by the Friends of the Library.

- **E-books and E-readers:** With funding from the Richmond Public Library Foundation, the library added e-books to the library's collection. E-books form a "virtual branch library collection" accessible from your home computer or mobile device.

- **RPL** was also the first public library in our area to offer e-readers for checkout to library customers. This project provided the e-reader, loaded with current titles, to library users to educate them on available technologies.

- **Adult literacy:** The Library provides training space at the Main Library for The READ Center’s adult tutoring programs.
AGENCY ACCOMPLISHMENTS

The library system operates in 9 libraries located throughout Richmond’s neighborhoods. Improvements to library buildings and operations include:

- The Belmont and Hull Street libraries reopened in July and August 2011 (FY12) following complete renovations. Use of the libraries has increased following the renovations, as shown by a 29% and 15% increase in use of library materials respectively.

- The Broad Rock library closed for renovation in January 2012 (FY12) and reopened in July 2012 (FY13). As with the previous four libraries that have been renovated, use of library materials increased by 35% from the library’s pre-renovation benchmark.

- The library completed an inventory of the Main Library collection, handling over 200,000 items to provide an accurate listing of library holdings at the Main Library. This project completed a multi-year project to inventory the library system’s 550,000 items.

- Over 50% of Richmond residents hold active library cards, with 107,000 registered library card holders.
MISSION STATEMENT

The Richmond Parks, Recreation and Community Facilities shall provide exceptional recreation and leisure programs to enhance the overall quality of life for the citizens and visitors to the City of Richmond and strive to preserve, protect, maintain and improve all of its natural resources, parkland, community facilities and recreational opportunities for current and future generations.

The department provides places and recreational opportunities for all people to gather, celebrate, contemplate, and engage in activities that promote health, well-being, community, and the environment.

DEPARTMENT OVERVIEW

Parks, Recreation, and Community Facilities (PRCF) oversees more than 57 parks and open spaces, 136 tennis courts, 60 playgrounds, 56 baseball/softball diamonds, 9 pools, and numerous tot lots, picnic areas and exercise trails. The department also manages the James River Park, encompassing the largest and most visible park in Richmond. The James River Park includes more than 500 acres of shoreline and islands in the heart of the city, offering opportunities for whitewater and flat-water canoeing and kayaking, fishing, hiking, biking, jogging, and wildlife exploration. Additionally, the department cares for more than 22 major statues and monuments 50 minor plaques and memorials, 8 cemeteries, and the Dogwood Dell Amphitheater, and operates 19 City-owned community centers while providing a full spectrum of recreational services for youth, adults and the elderly. The department also operates 18 licensed After School sites throughout the city that assist students with their homework and social development. **AGENCY ACCOMPLISHMENTS**

Centralize Department

- Plans are underway to relocate the current Administrative and Operational Offices for the Department of Parks, Recreation and Community Facilities. Currently, the department lacks adequate space necessary for staff to operate effectively, especially in divisions such as Parks, Cultural Arts, Special Events, Community Centers, Aquatics and Sports.
- The space issue limits the department’s ability to provide staff supervision and program coordination, in addition to customer service, program productivity and revenue generation.

Implementation of On-Line Registration

- Currently PRCF is working in collaboration with City of Richmond’s Procurement Department to provide the department’s new Web Based On-Line Registration and Maintenance Management System. By March 2013, the new Vermont Software System is expected to be up and running allowing the citizens of Richmond a choice in accessing all DPRCF fee based programs, classes and services, as opposed to the current on-site/walk-in registration process. This new technology option is consistent with the department’s goal to centralize as many of our support operations as possible. Payment options will be expanded from money orders only to accepting checks and credit cards at 10 full service recreation building locations and the Central Office.
- Our two public organizations are seeking grants to pilot several After School Sites in order to coordinate the education initiatives through the School’s Principals and the recreation activities through the Public Recreation Department’s Staff Supervisor.

Public Aquatics Program

- Capital Improvements to the Swansboro Indoor Swimming Pool, which began in 2012, must continue through 2013. This year’s facility assessment led to the replacement of the pool’s heating system and a recommendation to correct the construction of the main drain and perform an air quality assessment of the pool’s environment. Once our assessments are complete, responsible decisions can be made to either renovate the pool or phase it out due to cost and begin planning for a new natatorium.

Before and After School Program

- The department received a Public Service Award from City Council on April 23, 2012 as a result of 20 program sites raising more than $1,000 in support of Operation Smile’s International Community Service Program. Operation Smile is a children’s medical charity that provides free reconstructive surgery for facial deformities such as cleft lips and cleft palates. Since 1982, more than 200,000 free surgeries have been provided for children and young adults.
AGENCY ACCOMPLISHMENTS

- The Before and After School (BASP) Extravaganza was held on May 24, 2012. This closing program highlights the achievements of each site with 20 table displays. More than 500 people including participants and their families attended and experienced performances of African Dance, poetry reading, Spanish singing and dancing and a percussion ensemble. The program ended with the unveiling of a group art project of the American Flag that was created by children at all 20 of the program sites.

- The BASP Mobile Arts Programs included active participation at all 20 sites in performing and fine arts activities which included music, dance, poetry, cartooning and cultural enrichment (Learning Spanish). Additional programs included nutrition (Lil Kookers) and Extension Services; sewing (Thimble Club); and sports (tennis, hula hoops, kickball, dodge ball, Frisbees, basketball, football).

Cultural Arts

- During the summer of 2012, Cultural Arts held the 56th season of the Festival of Arts at Dogwood Dell which drew crowds of thousands. Highlights included the musical “Joseph and the Amazing Technicolor Dream Coat,” Susan Greenbaum, Plunky and Oneness, and the Gospel Music Festival with national BET gospel show host Dr. Bobby Jones and local radio personality Sheilah Belle. Attendance was estimated at 75,000 for the summer.

- This past summer, the Mayor’s Youth Academy Life Stage program was held at Huguenot High School. Approximately 88 youth received training in culinary arts, fashion, mixed media and photography, music and singing, dance, theater and spoken word/literary studies. The culminating event drew more than 600 people to the Richmond Coliseum where the youth performed.

- Freedom Fest, a free, public festival commemorating the life-struggles of enslaved Africans and their historical accomplishments, was held throughout the City of Richmond at various historical sites. One of the most memorable events was held June 19 at the Carillon War Memorial and Dogwood Dell, where a delegation from Benin gathered and Jason Marsalis, renowned percussionist, performed at the amphitheater.

Cultural Arts

- The department created a youth photography program combining sports and cultural arts. Youth photographers captured our boxing students in training and their work resulted in a Pine Camp exhibition that opened to rave reviews. The long range plan is to create a group of youth photographers to capture our events.

- Expanded the 2012 Summer Meals for Kids program to serve:
  - Amelia County Parks and Recreation
  - Charles City County Parks and Recreation
  - Dominion Day Services in Ruther Glen, VA
  - Dominion Day Services in Bowling Green, VA
Richmond Public Schools
MISSION STATEMENT

The mission of the Richmond School Board is to provide our students with high quality educational experiences so that our public schools are the choice of all Richmonders; to ensure that parents, families, and the community-at-large are involved in the activities of students; to ensure that students master the essential skills of reading, writing, mathematics, and reasoning; grow creatively and physically in order to become life-long learners; and learn to appreciate diversity, become responsible citizens, and lead productive lives.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes an increase of $28,288 to support four additional students to attend the Governor’s School in both FY2014 and FY2015.

Operating: The FY2014 and FY2015 proposed budget includes an increase of $500,000 above the adopted FY2013 funding from the City of Richmond.

Additionally, the Commonwealth of Virginia projected an increase in the amount of State Shared Sales Tax that is passed through to Richmond Public Schools. This represents a 2.2% increase from the FY2013 adopted amount.

Debt Service

Richmond City Health Initiative
MISSION STATEMENT

General Fund transfers to the Debt Service Fund and Capital Improvement Program provide General Fund support: to meet the debt service payments for both short- and long-term debt as authorized by ordinances adopted by City Council; and to cash fund a portion of the City’s annual capital infrastructure investment.

DEPARTMENT OVERVIEW

In FY 2014, the General Fund obligated debt service is estimated to increase $6,745,760, or 11.6 percent, from $57,762,250 to $64,508,010. This projected increase is primarily the result of new debt issuances related to the construction of the City’s new Justice Center and four new schools. More details about the individual projects and debt management policies can be found in the Debt Service Fund overview and the Capital Improvement Plan. The FY13 adopted budget included a pay-as-you-go cash funding of $1,500,000 for the City’s Capital Improvement Program, for a total General Fund Program of $59,262,250.

BUDGET HIGHLIGHTS

*City Council Action by Amendments:* The budget includes a $57,982 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments except Police, Fire & Emergency Services, Richmond Public Schools, and Public Works.

MISSION STATEMENT

The mission of the Richmond City Health District (RCHD) is to promote healthy living, protect the environment, prevent disease and prepare the community for disasters.

DEPARTMENT OVERVIEW

The RCHD provides a comprehensive set of public health programs and services for the City of Richmond. RCHD efforts include clinic, field and community based efforts in the areas of reproductive health, communicable disease control, various categorical public health programs, environmental health and disaster preparedness and response.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a reduction in FY2014 of $62,500 for the Center for High Blood Pressure. This funding was transferred to the Non Departmental budget.

The budget includes an increase of $15,000 for a multi-district food deserts/food insufficiency pilot program in FY2014.

Operating: The operating budget includes additional funding to support: the expansion of teen pregnancy prevention programming in Richmond middle schools in the amount of $65,000 in both proposed fiscal years as well as $150,000 in supplemental funding for health resource centers in FY2015, both of which are anti-poverty related initiatives.

**AGENCY ACCOMPLISHMENTS**

**Resource Centers Receive National Recognition** - The success of RCHD Resource Centers gained national recognition in 2011. The National Association of County and City Health Officials (NACCHO) presented the Richmond City Health District with its “Model Practice Award,” recognizing the RCHD Resource Centers as a national model practice in public health. Also, in association with Richmond Redevelopment & Housing Authority, the Resource Centers won the 2011 National Award of Merit for the establishment of community-based Resource Centers from the National Association of Housing and Redevelopment Officials (NAHRO). Resource Centers provide a variety of services including health screenings, checkups, connecting patients to a medical home, health education, parenting classes, and community resource information and assistance.

**CDC Grant Awarded to Reduce STDs in Richmond** - The Richmond City Health District partnered with the City of Richmond to successfully compete for a $1.2 million grant from the CDC aimed at decreasing Richmond STD rates through strategies with the Richmond STI Coalition. In year two of the grant, RCHD and its partners will focus on addressing social determinants of health to include substance abuse and mental health issues.

**Infant Mortality Rate Reduction** - A 2011 infant mortality rate of 8.4, down from 12.8 in 2010 is a dramatic decrease, and is the lowest rate known of in Richmond history. Mayor Dwight Jones, Rose Stith-Singleton-Richmond Healthy Start Initiative Manager, VDH Commissioner Dr. Karen Remley and RCHD Director Dr. Donald Stern announced the good news at a press conference in June 2012, and acknowledged the work of the Richmond Healthy Start Initiative and the Healthy Start Consortium members, as well as efforts of the RCHD Resource Mothers Program and the RCHD Adolescent Health Program. Acknowledgment was on the work to help women to be healthy before pregnancy, efforts to assure early and continuous quality prenatal care and efforts to guard infant health, including the reduction of SIDS, and strengthening families.

**Teen Pregnancy Rate Reduction** - The RCHD Adolescent Health Program celebrated National Teen Pregnancy Prevention Month (May 2012) by announcing a 31% reduction of Richmond teen pregnancies in a three-year period from 916 pregnancies in 2008 to 624 teen pregnancies in 2010. The RCHD Adolescent Health Program attributes a great deal of the success in reducing teen pregnancy to significantly increasing the number of teen pregnancy prevention sessions offered by Adolescent Health Educators during elective classes at Richmond Public Schools.

**Richmond Family and Fatherhood Initiative Serves as a Model for Strengthening** - Families The Richmond Family & Fatherhood Initiative (RFFI) was recognized by Casey Family Services as a promising national model for community engagement. In its 2012 annual report, Casey Family Services featured the Richmond Family & Fatherhood Initiative’s community engagement model of focus groups and training institutes for its success in mobilizing faith and community-based partners. Virginia Demonstration Site: The RFFI community engagement model will be used to connect research and resources to faith and community-based partners around the goals of reducing non-marital births, connecting and reconnecting fathers with their children and promoting safe, stable, intact two-parent families.

MISSION STATEMENT

The mission of the Office of the Assessor is to annually produce equitable assessments at fair market value for the City through teamwork, while encouraging citizen participation in the process; to produce an assessment roll in accordance with the state code; and to provide accurate information to the public; all in a courteous, efficient, and professional manner.

DEPARTMENT OVERVIEW

This office reassesses all real estate within the corporate limits to ascertain the market value each year. The reassessment objective is to maintain an equitable assessment-sales ratio on all classes of property, correct property descriptions, and include all new construction value. Additional responsibilities include: creating and maintaining the land book; administering the Rehabilitation Program; maintenance of property database information; maintenance of current property ownership files; and maintenance of GIS layer information.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $355 to operating supplies budgets for FY2014 and a $2,668 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments except Police, Fire & Emergency Services, Richmond Public Schools, and Public Works.

Personnel: The budget includes 100% funding for all positions that are filled and limited funding for vacant positions in FY14 and FY15. The budget also reflects an increase of the City’s contribution to retirement, and healthcare.

Operating: This budget reflects no significant changes from previously adopted FY13 budget

MISSION STATEMENT

The mission of the Department of Budget and Strategic Planning is to coordinate the development of City budgets and provide long-range planning to balance the needs and resources of the community. The department also maintains corporate budgetary financial control and provides financial management and research assistance.

DEPARTMENT OVERVIEW

The Department of Budget and Strategic Planning monitors expenditures and revenues to ensure that the City is in alignment with its annual plan providing recommendations and financial management strategies for the administration, departments, and agencies. The Grants unit oversees citywide grant applications, ensures compliance with grant requirements, matching fund requirements, and the City’s comprehensive grants process.

The Department of Budget and Strategic Planning is also making a significant contribution to the Mayor’s goal of continuing to become a well managed government. This is being done by playing a central role in the implementation of a set of mission-driven, outcome-oriented, and performance-based management tools that are elements of the Balanced Scorecard Strategic Management System, a model proven to be successful at improving local governance.

Specifically, the tools include strategic planning to develop priority focus areas; outcome-based budgeting to guide investment to meet identified outcomes within each focus area; and performance measurement to evaluate success toward achieving its objectives. Taken together and implemented properly, the elements of the Balanced Scorecard Strategic Management System will help to achieve Tier One City status.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction to operating supplies budgets for FY2014 and a $1,064 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments except Police, Fire & Emergency Services, Richmond Public Schools, and Public Works.

Personnel: The budget includes 100% funding for all positions, but assumes limited savings for possible vacancies in FY14 & FY15. The budget also reflects an increase of the City’s contribution to retirement and healthcare. The City Economist position is being funded 20% by Finance and 80% by Budget & Strategic Planning. One Financial & Statistical Analyst position has been transferred back to the Finance department. In FY2013 the Senior Budget & Management Analyst position has been transferred back to the Finance department. In FY2013 the Senior Budget & Management Analyst and remaining Financial & Statistical Analyst positions were reallocated to Budget and Management Analysts to reflect updated classification that were a result of broadening. These changes will be indicated in FY2014 & FY2015. There is a net decrease to the position count by .50 FTE.
Operating: This budget reflects additional funding for producing budget documents which includes (Biennial, Capital Improvement Plan and Service Level Budgets) as well as producing CD’s for all versions. The majority of the operating budget remained level.

AGENCY ACCOMPLISHMENTS

- In the spring of 2012, the City launched a robust Community Survey effort that was designed to gather opinions and feedback from residents to find ways to improve and expand existing programs and determine the future needs of residents. A six-page survey was mailed to a stratified random sample of 8,500 households in the City. Of the households that received the survey, a total of 1,371 surveys were completed. The results of the Community Survey had a 95% level of confidence.

- The CAO worked with the Superintendent of Richmond Public Schools in identifying opportunities to save tax dollars by consolidating certain administrative functions. Two years ago grounds maintenance was successfully merged into the Department of Public Works. Currently under immediate consideration is the co-locating of both Procurement Departments on one floor of City Hall and the consolidation of fleet services, printing services, and managing construction activities related to schools.
AGENCY ACCOMPLISHMENTS

- In FY2013 the Mayor’s Participation, Action and Communication Team (MPACT) initiative completed more than 19,000 service requests – with the vast majority of the request being completed within 12.4 days. Since inception, July 2010, MPACT has received over 48,000 requests for service and have successfully resolved approximately 46,100 requests within 11.7 days for a closure rate of 96%.

- In FY2013 the administration focused on underutilized portions of the City. The City’s riverfront became a major focal point for commercial revitalization and administration has developed actionable strategies that will encourage redevelopment and reinvestment. Future capital investments in the riverfront will provide better public access to the river and usher in more public green-space.

- The City open two new elementary schools: one in the Bellemeade neighborhood and the other in the Broad Rock neighborhood. Construction of a new middle school and design of a new high school are underway and it anticipated that the new middle school will open January 2014 and the high school will open in September 2015.

- The FY2012 the CAO spearheaded the Mayor’s desire to move from a line-item budget approach to a balanced scorecard /performance base budgeting initiative. The CAO appointed seven “Focus Areas Teams” which created issue paper that would become the roadmap for instituting a strategic performance management tool like the balanced scorecard approach. The fruits of their collective efforts highlighted throughout this biennial fiscal plan are detailed in the City’s Strategic Management Plan.
MISSION STATEMENT

The Office of the City Attorney serves a key role in the Mayor’s vision for the City of Richmond to become a Tier One City in the areas of: Timely and Competent Legal Services; Policy and Legal Compliance; Blight Removal and Neighborhood Improvement; Economic Development; Revenue Collection and Enhancements; Policy Development; and Human Services Delivery to Families.

DEPARTMENT OVERVIEW

Provide legal advice and services to the City Council, the Mayor, the Chief Administrative Officer and all departments, boards, commissions and agencies of the City in all matters affecting the City. Accept service of legal process on behalf of the City. Defend the City, the Council or any member thereof, or any officer or employee of the City, or any trustee or member of any board or commission appointed by the City Council in any legal proceeding where they may be named as a defendant. Render legal opinions in writing when requested. Participate in bond authorizations and bond issuances as authorized by ordinance. Prepare ordinances for introduction and to render legal opinions as to the form and legality thereof.

BUDGET HIGHLIGHTS

**City Council Action by Amendments:** The budget includes a 2% across-the-board reduction of $321 to operating supplies budgets for FY2014 and a $1,932 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments, except Police, Fire & Emergency Services, Richmond Public Schools and Public Works.

The budget also includes an increase of $32,500 for .50 FTE in FY2014 and 1.0 FTE in FY2015 for a Code Enforcement Paralegal to begin employment in January 2014 in addition to $45,000 for staff attorneys’ market pay rate adjustment pool in both FY2014 and FY2015.

The operating budget was increased by $44,000 in FY2014 and $30,000 in FY2015 for City code maintenance.

**Personnel:** The budget includes 100% funding for all positions which are filled and limited funding for vacant positions in both fiscal years. The budget also reflects an increase of the City’s contribution to retirement and healthcare.

**Operating:** This budget reflects no major changes from the previously adopted FY13 budget.

AGENCY ACCOMPLISHMENTS

- Achievement: The office was awarded the Knighton Award by the Association of Local Government Auditors for audit performance.

- Accountability Measures: Require a “Lessons Learned” session at the end of every audit to improve productivity and processes going forward.

- Implemented software to automate work papers and streamline the audit documentation process. The software also affords the opportunity for all City departments to have direct access to the open recommendations and communicate with the Auditor’s Office.

- Inspector General’s Office Outreach: Continued the partnership with Human Resources in presenting at the Leadership Training Classes, introducing the role of the Inspector General concerning the investigation of fraud, waste and abuse.

- Hotline Initiative: Developed a smart phone application to report Fraud, Waste and Abuse.

- Identified a backlog of $277 million that is necessary to bring the City’s roads to good condition.

- Identified internal control gaps in fixed assets that resulted in adjusting their values by $21 million.

- Recommended expanding the use of automated refuse collection that could save the City approximately $317,000 annually.

- An investigation identified weak controls over $200,000 of Sam’s Club credit card purchases. As a result of the investigation, the Department confiscated the credit cards and developed procedures that govern future credit card purchases.

- Identified numerous improvements that were necessary to strengthen the safety and security at the Juvenile Detention Center.

- The City through its Revenue Administration Division collects over $70 million in annual revenues from Business Professional and Occupational Licenses and personal property taxes. An audit of their tax auditing and collection processes identified several recommendations to strengthen deficiencies that have previously resulted in a significant amount of uncollected or un-assessed revenues.
MISSION STATEMENT

The mission of the Office of the Richmond City Clerk is to ensure the preservation, integrity and accessibility of the City's official record through the shared management of the legislative process, to provide administrative and technical support to the City Council, to create and disseminate accurate information concerning legislative decisions and policies, and to protect the City Seal.

DEPARTMENT OVERVIEW

The Office of the City Clerk is a user–friendly agency, committed to providing prompt, professional and courteous service. It is the duty of the City Clerk to: maintain the official record of legislation considered by Council; preserve an accurate and concise journal of all City Council proceedings; function as the filing officer for various regulations, protests, petitions, statements of economic interest; assure proper notification to citizens of impending legislation, traffic studies and agreements; perform Oaths of Office for designated City Officials; process Mayoral vetoes; facilitate board appointments and reappointments by maintaining comprehensive information on Boards, Authorities, Commissions and Committees, managing the database which contains information on various boards and timely processing board applications to aid Council and the Mayor in fulfilling appointments; certify official documents of the City.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $348 to operating supplies budgets for FY2014 and a $709 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments, except Police, Fire & Emergency Services, Richmond Public Schools and Public Works.

The budget also includes an increase of $65,000 to restore a Boards & Commissions position funding in both FY2014 and FY2015.

Personnel: The budget includes 100% funding for all positions which are filled and limited funding for vacant positions in both fiscal years. The budget also reflects an increase of the City’s contribution to retirement and healthcare.

Operating: Continuing the theme of well-managed government, printing and copying budgets were transferred to the Department of Information Technology as a part of centralizing and reducing overall costs. The remaining operating budgets reflect no major changes from the previously adopted FY13 budget.

The mission of Richmond City Council is to represent citizens in creating and amending local laws, providing government policy and oversight, and approving the City’s budget.

DEPARTMENT OVERVIEW

The City Council governs through its legislative and financial authority over City functions, deriving its powers and authority from the City Charter. All powers vested in the City shall be exercised by City Council except as otherwise provided by the City’s Charter. The Council levies taxes, enacts ordinances and resolutions, and exercises budgetary and policy control over the City. Ordinances are adopted by the Council for general management of the City, and resolutions are adopted for policy direction. City Council receives information through citizen inquiries, suggestions and complaints regarding City services and uses such information to help direct policy formulation.

The Council operates with several standing committees. They are the Public Safety, Land Use & Housing, Governmental Operations, Health, Human Services and Education, and Finance & Economic Development Standing Committees. Each standing committee consists of three Council members and an alternate member. Council also has an Organizational Development Committee consisting of all members of Council.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $186 to operating supplies budgets for FY2014 and a $1,139 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments, except Police, Fire & Emergency Services, Richmond Public Schools and Public Works.

The personnel budget includes an increase of $5,398 for a Council Liaison part-time salary adjustment in both FY2014 and FY2015. The operating budgets increased by $9,000 for Richmond Public Schools Innovation and Excellence Grant that will be transferred to the Special Funds budget to defray part of the costs of operating an International Baccalaureate Program at Chimborazo Elementary School in FY2014.

Personnel: The budget includes 100% funding for all positions which are filled and limited funding for vacant positions in both fiscal years. The budget also reflects an increase of the City’s contribution to retirement and healthcare.

Operating: This budget reflects no changes from the previously adopted FY13 budget.

AGENCY ACCOMPLISHMENTS

- Richmond City Council successfully maintained the Richmond Real Estate Tax Rate at the more than 30-year low of $1.20 (per $100 in assessed real estate value), for the sixth year in a row.

- Considered more than 400 Ordinances and Resolutions.

- Implemented the Richmond City Council Richmond Decennial Voter District Redistricting that was preleased for use by the United States of America Department of Justice on March 9, 2012. During the past 10 years, Richmond's population increased from 197,790 to 204,214. The new Richmond Decennial Voter District Redistricting boundaries established by Richmond City Council, attempt to equalize the number of residents in each Richmond Voter District. Residents use Richmond Voter Districts to elect Richmond City Council Members, Richmond Mayor (who must receive majority of votes in five of nine Richmond Voter Districts) and Richmond Public Schools Board of Trustees. Adjustments to Richmond Voting Precincts and locations also were made.

- Working with Administration, Richmond City Council established Richmond-Virginia General Assembly (VGA) Legislative Proposals on behalf of Richmond for the 2013 Virginia General Assembly Legislative Session. This included 23 recommendations from the City of Richmond.

- Through adoption of correlating legislation, Council worked to create both the Washington Redskins Training Camp and the 2015 Union Cyclist International World Road Cycling Championships event to be held in Richmond, Virginia.

- Adopted legislation that provided needed Richmond Riverfront Plan updates to the Richmond Master Plan.
MISSION STATEMENT

As a Constitutional Office of the Commonwealth of Virginia, the City Treasurer is committed to providing year-round practical and comprehensive tax services in a prompt, courteous, and professional manner to all Richmond taxpayers. With customer service as a strongly emphasized mantra, the focus is on ways to enhance services to the taxpayers.

DEPARTMENT OVERVIEW

The office prides itself on an underlying commitment to strong customer service as it performs its daily duties: collection of state income taxes (the primary focus); sales of hunting and fishing licenses; and notary public services.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction to operating supplies budgets for FY2014 and a $157 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments except Police, Fire & Emergency Services, Richmond Public Schools, and Public Works.

Personnel: The budget includes 100% funding for all filled positions. The budget also reflects an increase of the City’s contribution to retirement, and healthcare. There is no change to the FTE count from FY13 adopted.

Operating: This budget includes additional funding for mailing, career development training and operating cost.

### Agency Accomplishments

- ECD’s programs helped create over 1,449 new jobs and retain over 629 in the City during FY 2012. Also during FY 2012, public investments of approximately $3.2 million have directly resulted in over $265 million in new private investment in the City of Richmond.

- ECD worked with over 550 companies, assisting with rebates and loans, identifying quality workforce and providing business relocation services.

- In FY2012, 123 businesses received assistance from the Enterprise Zone Program resulting in $522,500 in public investment, approximately $156,000,000 in private investment, the retention of 510 jobs and the creation of 327 jobs. During this same period, 72 businesses received assistance from the CARE Program resulting in $434,235 in public investment, approximately $23,700,000 in private investment, the retention of 115 jobs and the creation of 155 jobs.

- The office of workforce development expanded the capacity of the Richmond Workforce Pipeline through the creation of additional program and partnerships including the opening of the two neighborhood share sites located at the 5th Street Baptist Church and the East District Family Resource Center. Through the activities of the Pipeline, 270 individuals were served resulting in 151 obtaining employment – a 56% hiring rate.

- ECD worked with Health Diagnostics Laboratory, Inc. to announce its expansion in the Virginia BioTechnology Park bringing 653 new jobs and $68.5 million in new capital investment to Richmond’s downtown.

- The Department worked closely with the Mayor’s office to facilitate the relocation of the Washington Redskin’s summer training camp to the City of Richmond.

- Through the Richmond Business First program, 103 companies were visited by City staff and volunteers, representing approximately 5,000 jobs.
MISSION STATEMENT

The mission of the Finance Department is to lead the City’s financial management efforts in keeping with becoming a Tier One City.

DEPARTMENT OVERVIEW

The Finance Department is responsible for the financial, risk management, taxation, cash management, and debt management policies and practices of the City. The Director of Finance is charged by State law with the duties mandated for the constitutional offices of the Treasurer and Commissioner of Revenue. Functions of the department include: assessing taxes and fees; collection of taxes and other payments; issuing licenses; managing the City’s debt; risk management, including the procurement of commercial insurance and administration of self-insurance activities; general accounting; cash management; financial audit and compliance; accounts payable/receivable; payroll; and financial reporting.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $9,723 to operating supplies budgets for FY2014 and a $20,800 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments except Police, Fire & Emergency Services, Richmond Public Schools, and Public Works.

Personnel: The budget includes 100% funding for all position which are filled and limited funding for vacant positions in FY14 and FY15. The budget also reflects an increase of the City’s contribution to retirement and healthcare. The FTE count increased by .50 FTE’s due to the transfer of .50 FTE from Budget and Strategic Planning to Finance in FY14.

Operating: The budget reflects an increase over the adopted FY13 budget. The increase is a result of increased insurance premium costs.

AGENCY ACCOMPLISHMENTS

Finance

- The City’s bond rating was reaffirmed by the three rating agencies in June 2012 (Fitch Ratings: AA+ with stable outlook; Moody’s Investor Services: Aa2 with stable outlook; Standard and Poor’s: AA with stable outlook).

- The City successfully negotiated repayment of $62.1 million in principal and accrued interest from the Richmond Metropolitan Authority (RMA) for City loans provided to the RMA between 1975 and 1991.

- The Department of Finance revised and received City Council approval of a revised unassigned fund balance policy. The revision aligns the City’s unassigned fund balance policy to the expectations of the national credit rating agency standards and increases the City’s financial strength by increasing the unassigned fund balance ratio from 7% to 10% of general fund budgeted expenditures.

- The City’s unassigned fund balance for FY 2012 increased to $72.9 million or 9.0% of the general fund budget, compared to $64.1 million or 10.1% of the 2011 general fund budget.

- The Department of Finance streamlined its public business hours, bringing them in line with those of surrounding localities. This allows for better customer service, with the department open the same hours as other agencies that customers need to interact with to complete transactions and having more cashiers available during peak hours.
AGENCY ACCOMPLISHMENTS

- Risk Management reduced costs associated with third party administration of claims, resulting in estimated savings of $1,170,000 over the next 5 years.

Risk Management

- Reduced administrative costs for Third Party Administration of claims against the city by $74,000 annually for the next 5 years.

- Reduced percentage of medical containment costs kept by the Third Party Administrator. This should yield more than $160,000 in savings to the City each of the next 5 years.

- Have operated agency with staff of 2 instead of 4 that have been here for many prior years. That will have saved the City more than $120,000 in salaries and benefits.
MISSION STATEMENT

The mission of the General Registrar's Office is to provide opportunities, in an equitable and courteous manner, for all qualified citizens of the City of Richmond to register to vote; to promote the integrity of the electoral process by maintaining accurate and current voter registration records used in elections; to coordinate elections so that they are conducted in a manner that secures the qualified citizen's right to vote and insures that the results accurately reflect the voters' will; and, to be an information resource for citizens regarding voter registration, elections, and elected officials.

DEPARTMENT OVERVIEW

The Constitution of Virginia provides that every locality in the state must have an Electoral Board that is responsible for the conduct of all elections to public office within its jurisdiction. The Electoral Board appoints and is assisted in most of these functions by the General Registrar. While all election matters fall within the purview of the Electoral Board, voter registration is the sole province of the General Registrar.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction to operating supplies budgets for FY2014 and a $1,281 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments except Police, Fire & Emergency Services, Richmond Public Schools, and Public Works. This budget also reflects a new Voting Machine Technician position, which increases the personnel count by 0.88 FTE.

Personnel: The budget includes 100% funding for all positions which are filled. The budget also reflects an increase of the City’s contribution to retirement and healthcare. Additional funding for temporary personnel services for government elections.

Operating: This budget reflects the removal of one time funding associated with the Presidential and other primary elections. The majority of the operating budget remains level for the gubernatorial election.

AGENCY ACCOMPLISHMENTS

- Successfully conducted three elections: November 2011 for State Senate, House of Delegates and Circuit Court Clerk; March 2012 Republican Primary for U.S. President; and, June 2012 Republican Primary for U.S. Senate and U.S. House of Representatives, Seventh Congressional District. A total of 32,956 voters participated in these three elections. A fourth election for August 2011 was scheduled and work commenced, but no primary was held as no more than one candidate filed for any of the offices for which the primary was called.

- Wrote the program for the ballots for three elections in fiscal year 2011-12, and programmed, tested and deployed 543 voting machines and 407 electronic pollbooks.

- Reviewed, processed and filed 57,504 voter registration related documents in FY 2011-12; an increase of 29.02% over the previous fiscal year.

- Identified 9,696 voters who appeared to have moved and contacted them in an attempt to get them to update their voter registration and, thus, remain eligible to vote.

- Successfully voted 710 voters by absentee ballot during fiscal year 2011-12.

- Reviewed boundary changes made by redistricting upon three separate occasions: July 2011 for state Senate and House of Delegates; January 2012 for U.S. House of Representatives; and, April 2012 for City Council and School Board. Edited the state voter registration database to implement the redistricting changes which affected 128,572 registered voters’ districts.
MISSION STATEMENT

The Department of Human Resources works in partnership with City leadership and business units to provide a comprehensive human resources management program that is focused on person centered services that are policy compliant and delivered by a professionally competent team.

DEPARTMENT OVERVIEW

The Department of Human Resources provides leadership, development, and administration of the City’s human resources program by: delivering effective and cost-efficient recruitment and selection consulting services; designing and administering classification, compensation, and performance evaluation systems; providing timely and comprehensive consultation, investigation, and resolution of grievances, disciplinary actions, and complaints; providing specialized services in the areas of policy development and administration, policy review and interpretation, and administration; creating and implementing employee development and recognition programs and services; and developing, administering, and communicating health, life, and supplemental benefit programs.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $410 to operating supplies budgets for FY2014 and a $2,853 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments except Police, Fire & Emergency Services, Richmond Public Schools, and Public Works.

Personnel: The budget includes 100% funding for all positions which are filled and limited funding for vacant positions in FY14 and FY15. The budget also reflects an increase of the City’s contribution to retirement and healthcare. There is no change to the FTE count from the FY2013 adopted budget.

Operating: This budget reflects no changes from the previously adopted FY13 budget.

**Agency Accomplishments**

Benefits/Health & Wellness

- Healthcare-The health care expenditure trend line decreased from 15% to 6%. The trend line is tied to the health care premium increase. The City’s increased emphasis on wellness (annual Health Fair, flu shots, health risk assessments, blood pressure readings, lunch and learns, etc) and the City’s healthcare plan design changes are attributed to the trend line decrease.

- Initiated a Wellness tab on the HR intranet site featuring monthly programs, current and archived newsletters and fitness center discounts.

- Maintained Wellness strategic plan that includes—weight management programs, blood pressure screenings, lunch & learn sessions.

- Over 200 employees have signed up to participate in the Monument Avenue 10k walk. The YMCA training teams began on February 2, 2013.

- Conducted citywide Health Fair at the Richmond Convention Center. Over 100 vendors participated and 800 employees attended. Conducted health assessments and biometric screenings to over 290 employees.

Class & Compensation

- Completed a two year compression study that included over 300 classifications, 2000 employee and resulted in base salary increases for over 350 City employees.
AGENCY ACCOMPLISHMENTS

Employee Relations

- Reduction in Force (RIF) – Successfully completed a reduction in force action for the Juvenile Detention Center employees as a result of the facility closing. Employees were guided through the process and provided with the required transition services.

Human Resources Information Systems (HRIS)

- Revised the Human Resources intranet website by categorizing information in a user friendly fashion. Website includes all updated benefits information, policies and HR program materials.

- Initiated several RAPIDS enhancements to allow for additional reporting and monitoring of activities that will include Discipline and Grievance Tracking (April 1, 2013).

Recruitment

- Completed Executive and Critical Recruitments – 8.

- Initiated the process to implement a citywide Background Check program.

Training & Development

- Introduced a City-Wide Employee Recognition/Incentives Program

- RISE! Achievement Awards Program – Employees are rewarded for their innovation and excellence in service to our city government and local community. Employees may be nominated by any other employee and may receive an award from the Mayor and/or their own department.

- Incentives Program – Employee discounts at area businesses for services and/or goods.

- Service Awards Program – Annual department recognition and distribution of service pins.

- Implemented a City-Wide Customer Service initiative – Customer Service Imprint (CSI). A multi-level course featured both online learning and interactive classroom training designed to address our many customer-service environments from internal services to field operations.
AGENCY ACCOMPLISHMENTS

- Implemented a City-Wide Customer Service initiative – Customer Service Imprint (CSI). A multi-level course featured both online learning and interactive classroom training designed to address our many customer-service environments from internal services to field operations.

- Citywide Internship Program – The City of Richmond Internship Program provides undergraduate students with an opportunity to immerse themselves in meaningful projects within a specific host department. This experience includes reflective journal assignments and frequent professional development workshops. City of Richmond Interns are recruited for three semesters annually: Spring, Summer, and Fall. Interns are paid an hourly stipend to provide some financial support to students and enhance our ability to attract exceptional talent. Eight departments participated in the program and sixteen students completed internships with the City this year.

- This year the nine-week Supervisory Leadership Training Experience surpassed 300 graduates since its revision in 2008. This program continues to grow in popularity, with several departments now requiring all of their supervisors to attend.
MISSION STATEMENT

Consistently add value and provide service through the innovative use of information technology. The guiding values and principles that support our mission are: Respect; Integrity; Productive and Accountable; Innovation; Proactive; Lead by Example; Common Sense; Customer Focused; Empowerment; Commitment to Quality; Continuous Learning; and Positive Attitude.

DEPARTMENT OVERVIEW

The Department of Information Technology (DIT) is a service organization that develops, implements, supports, and operates complex information systems in support of the City's public service activities. DIT offers a variety of services and resources required to gain the competitive advantage needed to support the City’s vision of becoming “Tier One City”.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $61,568 to operating supplies budgets for FY2014 and a $15,932 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments except Police, Fire & Emergency Services, Richmond Public Schools, and Public Works.

Personnel: The budget includes 100% funding for all positions which are filled and limited funding for vacant positions in FY14 and FY15. The budget also reflects an increase of the City’s contribution to retirement and healthcare. There is no change to the FTE count from the FY2013 adopted budget.

Operating: The FY2014 budget reflects a decrease of $1,000,000 from the FY2013 budget primarily for the purchase of equipment. The equipment will be purchased in FY13 therefore funding is not needed in FY14 for these purchases.

**Notes:**
- As a part of the Focus Area 7-Well-Managed Government Initiative the Radio Shop Internal Service fund & 800 MHZ System Maintenance and Emergency Telephone Special fund funding was transferred to the Department of Information Technology in FY13.
**AGENCY ACCOMPLISHMENTS**

- **Enterprise-Wide – Printer Optimization** - Installed Xerox 800 Color Copiers and Nuvera 144 to provide optimal printing and copying support to City agencies.

- **DIT – Security Upgrade** - Installed Security cameras and door access card readers for Printing and Mail Service areas.

- **DEC, Police, Fire – CAD Upgrade to Intergraph version 9.1.1** - The Computer-Aided Dispatch (CAD) System was upgraded to Intergraph’s latest release offering enhanced ways of dispatching public safety responders to emergencies by choosing the closest units, and providing drivers license images from DMV of persons stopped.

- **City Attorney’s Office – Legal Files (COTS package)** - Replaced the CLMS case management system with a new web-enabled software.

- **Police – Salvage Reporting** - Completed a number of enhancements and reports.

- **DPU – Emergency Outage** - Allows management to track the following information relative to an existing outage: how long the report has been open, how many and which specific premises are affected, and which premises need to have gas restored and pilot lights relit.

- **Economic Development – Section 3 Tracking** - The department of economic and community development was in need of an online system that allowed low income businesses and residents to apply for section 3 status through web (richmondgov website). By obtaining Section 3 status, low income businesses and residents are able to seek job training, employment and contracting opportunities from City. The online section 3 tracking system enables eligible parties to apply for section 3 status online. In addition, it also provides an administrative tool to City’s Section 3 program administrator to better manage and track applicants for section 3 status - grant or revoke ‘section 3 certification’; generate certification letters etc. The system also automatically generates yearly reminder email notifications to businesses and residents for section 3 status renewal.

- **DPU – Agent Re-Skilling** - The City’s 311 Call Center needed an effective way to move agents across skill groups in real time. The existing IPCC (IP Contact Center) reporting only shows the total number of agents in any given skill group; it does not detail who those particular agents are.

- **Office of the Press Secretary to the Mayor – RichmondGov Mobile Website** - The city of Richmond has launched mobile website (http://m.richmondgov.com) to provide citizens quick and easy way to get to information and online services on mobile devices. This mobile website is a condensed version of city of Richmond website (www.richmondgov.com) and is designed to display information on small screen smart phones such as iPhone, Android and Blackberry Bold.
Agency Accomplishments

- **DPU – Energy Services Website** - The Energy Services website has been developed to provide citizens information on Residential and Commercial Gas service lines. In addition to providing details on Natural Gas line connections, the site also offers information on Residential Water line connections. Information regarding Commercial and Residential Gas and Water Permits can also be obtained.

- **DIT – Xerox Office Equipment website** - A new intranet site has been created to publish information on multifunctional Xerox printers and copiers. The site offered information on how Xerox will help City to run its offices’ smoothly by addressing activities such as ordering printer supplies when they run out, maintaining printer fleet and centralizing all printing, copying, scanning and faxing operations.

- **Press Secretary to the Mayor – Social Bookmarking** - A new method of being able to share any given news article posted on city’s website in any social media site, such as facebook, twitter, linked in, tumblr and blogger, has been provided to city residents (using richmondgov website)

- **CAO’s Office – Project Tracking Tool** - SharePoint technology has been used to create a website that offers robust project milestone, task and issue tracking. The site also provides dashboards to provide insight into overall health of the project such as actual and estimated budget (in days and dollars), outstanding issues and tasks. The CAO staff are also able to obtain feedback from the team on any project related topic via discussion boards on the sharepoint site.

- **Sustainability Office – Sustainability website** - The site contains information related Sustainability objectives, latest green initiatives, green tips and information related to electric vehicles and charging stations.

- **CAO’s Office – Employee Survey** - The Chief Administrative office planned to conduct Organizational Development Survey during February 2012 to obtain feedback from all city of Richmond employees regarding their overall satisfaction. The survey focused on several aspects ranging from employee’s awareness about Richmond’s vision and mission, how they feel about their director and supervisor to the overall work experience, compensation and benefits.

- **DIT – Xerox Customer Satisfaction Survey** - Department of Information Technology (DIT) planned to conduct a brief survey to gauge Customer Experience with the newly refreshed Xerox equipment. The survey covers several items ranging from features that are not available in the new equipment to training on the new equipment to overall satisfaction regarding print quality and support experience.

- **DIT – Automated Information Systems Request (ISR)** - The city agencies are used to submitting paper based Information Systems Request (ISR) form to Department of Information Technology (DIT) for developing/implementing new software systems and updating existing systems. This process has been replaced with an online ISR processing system. The designated personnel from city agencies can submit an ISR online and receive ISR approval/denial confirmation through their outlook email.
AGENCY ACCOMPLISHMENTS

- Mayor’s Office – Online Requests for Mayor - A new online requests system has been created to electronically submit all types of requests - Meetings, Events, Proclamations and Letters - to Mayor. The main objective of this system is to replace all the avenues through which requests are sent to Mayor, such as emails sent to Office of Press Secretary to the Mayor (OPS) and Mayoral staff, with one medium (online requests system). Senior citizens who elect to send physical mail to mayor’s office can still continue to do that.

- Press Secretary to the Mayor – Mobile Apps - The Parks, Recreation and Community facilities search mobile app has been created for iPad, iPhone and Android. The mobile app allows city residents to use the above smart phones to learn about Richmond parks - park name, description, location, contact information and driving directions. The parks, recreation and community facilities can be searched based on the amenities present in them. Also, the driving directions to the desired park are provided based on the user’s current location.

- CAO’s Office – FOIA Tracker - The FOIA tracker system allows tracking of all FOIA requests received by City. Cost (medium and labor expense) related to answering a given FOIA request is automatically calculated and the FOIA coordinators can record if the City received the money from the requestor. Automated email reminders are distributed to FOIA coordinators few days before the due date for all the requests they are responsible for. Reporting can be performed to measure the performance in terms of fulfilling FOIA requests.

- Human Services – Anti-Poverty Commission website - Mayor Jones established the Anti-Poverty Commission to provide his Administration with recommendations that have demonstrable results aimed at reducing poverty. The Commission has been charged with identifying strategies consistent with making Richmond a Tier One City, and with the development of a report detailing its recommendations within twelve months of its establishment.

- Library – Debt Set Off - Develop a new system for the Richmond Public Library to manage efficiently the Debt set-off process with the VA Tax Department.

- Public Works – Citizens’ Request System / CityWorks Interface - Following are the advantages over the old interface:
  - Efficiency Improvement
  - Reliability Improvement
  - SOA Design

- Human Services – New HS website - Easy, secure and standard way to track volunteer hours.

- DIT – Census Redistricting - i. Obtained, mapped, and associated registered voters to Census Blocks. ii. Updated redistricting software (Autobound) to use registered voters info when creating districts. iii. Re-authored a new Precincts plan to use ArcGIS online basemap service, which is also used by VA Assembly (per Registrars request)
AGENCY ACCOMPLISHMENTS

- DPU – Stormwater Utility Model - The Stormwater utility data was implemented in the Enterprise Geodatabase; the "Utilities" Geodatabase. It was configured for ArcFM, which is the software used by DPU Tech Services for editing the sewer data.

- DPW – CityWorks Upgrade - 1) The decision was made to utilize DIT-MSSQL environments for the upgraded Cityworks solution. 2) Cityworks 4.4 database was replicated to DIT-MSSQL-DV, and updated to version '2011.' 3) Cityworks API was received and initial tests by Services Team indicate it works and is what we've needed. 4) Interface development has started. 5) User testing has started.

- DIT – ArcGIS 10 Upgrade - Completed the ArcGIS Server and configuration upgrade from 9.3.1 to the latest version 10.0 SP2. This effort also included establishing our standardized environment across DV - SV - PV, and helped us finalize our procedures for creating and migrating map services through the chain of environments.

- DIT – Maps & Apps - The new site features: (1) improved presentation and organization of GIS content, (2) new GIS content, (3) a new approach to sharing GIS maps which includes mobile support, and (4) new support for maps published in collaboration with the community. The updated web site increases the amount of GIS information available to citizens and the business community by publishing a multitude of interactive GIS maps. The online, interactive maps are categorized under topics such as Community & Economic Development, Transportation & Engineering, and Real Estate & Assessment, to name just a few. The City expects to author more maps, content, and categories of information over time.

- DPU – Stormwater Impervious Surfaces - DPU now has web access to the information needed to handle citizen calls regarding impervious surface billing information.

- DPW – Snow Map - The Department of Public Works has the ability to track the treatment status of priority snow routes through an online application. The public also has access to current conditions of these priority routes through the online map.

- Assessor’s Office – RichmondGov Mobile Website - As part of the city of Richmond's mobile website launch, a mobile friendly version of the Property Search application was designed to allow access to the application on smart phones such as iPhone, Android and Blackberry Bold.

- HR – RAPIDS Employee Self Service Portal - The portal page is automatically launched on the self service PCs to be used by deskless employees throughout the city.

- OMBD – MBD Directory Enhancements - Added the ability to search by business name to the OMBD Directory

- Finance – New Remittance Processor - The new processor will allow for more efficient payment processing.

- DIT – Mainframe Disaster Recovery Testing - Ensured that the mainframe and associated resources could be recovered successfully in the event of a disaster.
AGENCY ACCOMPLISHMENTS

- DIT – eDiscovery - Implemented the backup portion of the Backup, Archival, and eDiscovery project.

- DPU & DPW – Drug Hotlines converted to VOIP - Added efficiency and standard process for large agencies to respond for Drug test deployments.

- DIT – InformaCast Paging/Intercom System - Added efficiency and enhanced capability for City paging and intercom needs in a single system.

- Retirement – 1099 Program Rewrite - Reduced the amount of time required to prepare and print 1099's.

- DIT – PC Replacement - Replaced 250 older desktop PCs.

- DIT – LanDesk Replacement - Replaced LanDESK with Microsoft SCCM (System Center Configuration Manager) for managing all desktop / laptop PCs.

- RAPIDS - In May 2012, the RAPIDS Project Management team succeeded in extending Phase II for one year, with the new target for the financial modules of July 1, 2013; a business case was presented to City leadership and approved, enabling the team to begin planning a business process reengineering effort in conjunction with RAPIDS implementation to more fully exploit the software application functionality and improve operational efficiency and effectiveness.

- RAPIDS - A RAPIDS dashboard was created in May 2012 that includes the status of the project budget, key tasks and risks.

- RAPIDS - A RAPIDS Governance Board Charter was prepared in June 2012; the board is charged with managing the functional modules that are in production and reviewing potential changes that will lead to greater efficiency and effectiveness; the system has significant capability that is not yet exploited by the City, but will continue to be over time.

- RAPIDS - A Staffing Plan was developed in June 2012 for post-implementation support of the RAPIDS ERP system; the plan lays out the organization and reporting lines, and roles and responsibilities.

- RAPIDS - The Policies and Procedures for the Payroll module were updated and provided to the Payroll Department in June 2012.

- RAPIDS - The Project Management team effectively managed the external vendor, Strategic Information Solutions (SIS), holding them accountable for all deliverables in a timely manner and with quality throughout FY 2012.

- RAPIDS - RAPIDS Phase II progressed on time and within budget through FY 2012.
MISSION STATEMENT

The mission of the Mayor’s Office is to provide vision and leadership in the creation of municipal policies and priorities. The Mayor is the elected head of City government and in conjunction with the Chief Administrative Officer and City Council formulates solutions to both long and short term issues, opportunities, and community problems. The Mayor provides general direction and policy guidance to the Chief Administrative Officer and works with the City Council and other elected officials to carry out the will of the voters.

DEPARTMENT OVERVIEW

The Mayor’s Office provides leadership and vision to all City agencies and departments. It promotes the development of strategic plans utilizing sound fiscal management. The office also promotes the City’s relationship with other governmental bodies, the private sector, and most importantly, the citizens and the communities.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $360 to operating supplies budgets for FY2014 and a $982 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments except Police, Fire & Emergency Services, Richmond Public Schools, and Public Works.

Personnel: The budget includes 100% funding for all positions which are filled and limited funding for vacant positions in both fiscal years. The budget also reflects an increase of the City’s contribution to retirement and healthcare.

Operating: This budget reflects no changes from the previously adopted FY13 budget.

- Joined Capital One executives in announcing a new minority business supplier diversity mentoring program titled, “Building Better Businesses...Steps to Success Mentorship Program,” which is designed to provide mentoring in the areas of finance, technical expertise, marketing, and operations.
MISSION STATEMENT

The mission of the Minority Business Development is to facilitate, produce and advance opportunities that enable minority, disadvantaged, and emerging small businesses to successfully participate in the full array of contracting opportunities available in the City of Richmond.

DEPARTMENT OVERVIEW

MBD’s programs and services are to ensure minority, emerging small and disadvantaged businesses have an equal opportunity to compete for city purchases where there is availability to help foster open and competitive procurement practices within the City. MBD offers working capital through its contractor’s assistance loan program as well as training seminars & technical assistance programs that promote minority growth and development on the local and regional levels.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction to operating supplies budgets for FY2014 and a $644 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments except Police, Fire & Emergency Services, Richmond Public Schools, and Public Works.

Personnel: The budget includes 100% funding for all positions, in FY14 but assumes limited savings for possible vacancies in FY15. The budget also reflects an increase of the City’s contribution to retirement and healthcare. There is no change to the FTE count from FY13 adopted.

Operating: This budget reflects no changes from previously adopted FY13 budget.

- MBE/ESB firms continue to participate in the construction of the four new schools:
  - Oak Grove Elementary
  - Broad Rock Elementary
  - MLK Middle School
  - Huguenot High School
- Developed and executed a mentorship program for 10 businesses located in the city. The program includes partnerships with Capital One and Virginia Union University. Capital One is providing mentors and Virginia Union University is providing interns for the firms participating in the mentorship program.
- Fire Station No. 17 had 15% minority participation on the project.
- MBD held 52 technical assistant classes and project specific workshops reflecting an increase of 17 additional sessions in FY13.
MISSION STATEMENT

The Department of Planning & Development Review plans for and protects Richmond’s unique physical, social, and natural environment in order to enhance the quality of life for our citizens, businesses, and visitors.

DEPARTMENT OVERVIEW

Planning & Development Review (PDR) is responsible for the City’s land use planning preservation programs, building permitting and inspections, property maintenance code enforcement, and zoning administration. The Department also supports several boards and commissions consisting of City residents which guide various elements of development such as plan review and amendments, historic preservation, urban design, public art, urban forestry, zoning appeals, building code board of appeals, and special project planning and management. The Department also manages the Community Assisted Public Safety (CAPS) program.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $3,469 to operating supplies budgets for FY2014 and an $8,906 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments, except Police, Fire & Emergency Services, Richmond Public Schools and Public Works.

The budget also includes a reduction of $20,000 in FY2014 to the department’s façade improvement program.

Personnel: The budget includes 100% funding for all positions which are filled and limited funding for vacant positions in both fiscal years. The budget also reflects an increase of the City’s contribution to retirement and healthcare.

Additionally, funding for three new positions have been added to the proposed FY14 and FY15 budgets. Position reallocations in FY13 reduced the department’s personnel count by an additional 1 FTE.

Operating: The FY14 operating budget reflects no changes from the previously adopted FY13 budget. The FY15 operating budget reflects an increase of $720,000 for Lehigh infrastructure demolition costs. Additionally $220,000 was added for facade improvement initiatives in FY14.

MISSION STATEMENT

The Office of the Press Secretary to the Mayor serves as the media relations conduit between the executive branch of City government and the public. The Office is the primary contact for the news media and serves as public relations advisor to the Mayor and Chief Administrative Officer.

DEPARTMENT OVERVIEW

In an ongoing attempt to keep residents informed of municipal operations, the Office produces a broad variety of communications materials that includes press releases, newsletters, brochures, annual reports and other publications. The Office also informs the public through the City's website www.RichmondGov.com and its government access cable channel (Channel 17).

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $379 to operating supplies budgets for FY2014 and a $439 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments except Police, Fire & Emergency Services, Richmond Public Schools, and Public Works.

Personnel: The budget includes 100% funding for all positions that are filled. The budget also reflects an increase of the City’s contribution to retirement, and healthcare.

Operating: The budget reflects no significant changes from previously adopted FY13 budget.

Public Works
MISSION STATEMENT

The Department of Public Works will deliver services in a responsive, cost effective manner to the citizens of the City of Richmond in support of the Mayor's strategic plan, by a workforce that is diverse, committed, motivated and empowered.

Our Vision is to maintain a nationally accredited Public Works Department that maintains the most cost efficient and timely services for the citizens of Richmond, Virginia by providing a safe, clean, and healthy environment by utilizing modern technology to ensure future growth and development throughout the city.

DEPARTMENT OVERVIEW

The Department of Public Works is organized into the following primary service units: Engineering & Technical Services, Operations Management, Administration and Support Services and General Services. Our primary responsibilities include providing services to the citizens of Richmond related to transportation and cleanliness.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $71,486 to operating supplies budgets for FY2014. The budget also includes the addition of one FTE for an Urban forester beginning in January of 2014, and includes a transfer from Non-Departmental for Parking Services of $75,009 in FY2014 and $72,091 in FY2015 to maintain the Carytown Parking Decks.

Personnel: The budget includes 100% funding for all positions that are filled and limited funding for vacant positions. The budget also reflects an increase of the City’s contribution to retirement, and healthcare.

Operating: The budget includes reductions of $1.0 million in FY14 and FY15 for proposed leasing costs of facilities to house the Richmond Public Schools warehouse and Arlington Road facilities. The City has purchased other facilities resulting in leasing cost savings. Additional reductions include savings from a targeted 2nd leaf collection, and the reduction of Refuse Collection Routes by one. These reductions were partially offset by increases in street lighting costs.

Human Services

DCAO for Human Services
Justice Services
Social Services
MISSION STATEMENT

The mission of the Office of the Deputy Chief Administrative Officer for Human Services is to provide executive policy direction and support to those agencies that are under its span of control. Specifically, it oversees the policy formulation of those agencies, and ensures program accountability for meeting the health and human service needs of the City of Richmond’s residents and visitors.

DEPARTMENT OVERVIEW

The Deputy Chief Administrative Officer for Human Services (DCAOHS) oversees and coordinates the direction and focus of the following City departments: Justice Services, Social Services, and Parks, Recreation and Community Facilities. It serves as the liaison to the Richmond City Health District, Richmond Behavioral Health Authority and the Richmond Public Library – quasi independent and/or State Agencies with a Richmond City focus. The DCAO for HS works to align implementation and funding strategies across human service departments and non-departmental agencies. Focus is placed on improving the health, education and well-being indicators for children, youth and emerging young adults through comprehensive social services, sporting and outdoor activities, employment and youth leadership opportunities, and early childhood development. Family stability and the needs of seniors and person with disabilities are also areas of focus for the DCAO for HS.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $631 to operating supplies budgets for FY2014 and a $1,608 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments, except Police, Fire & Emergency Services, Richmond Public Schools and Public Works.

Personnel: The budget includes 100% funding for all positions which are filled and limited funding for vacant positions in both fiscal years. The budget also reflects an increase of the City’s contribution to retirement and healthcare.

Several positions within the DCAOHS were transferred to other programs within the DCAOHS to better reflect program costs. One full time position was transferred from the Department of Social Services to the DCAOHS to support child and youth development services.

Additionally, one position, which was partially funded by a grant in FY13, is now recommended to be charged fully to the general fund budget, thus increasing the personnel count.

Operating: Approximately, $250,000 designated for a day reporting/housing assistance center was transferred from the DCAOHS to the Department of Justice Services to supplement funding for a Day Reporting Center. An additional $10,000 was added to the Mayor’s Youth Academy to supplement employment related travel expenses for youth.

**Agency Accomplishments**

- The Office on Aging and Persons with Disabilities implemented three new programs for seniors and individuals with disabilities to include the Mayor’s Centenarian Celebration, Eyeglass Voucher Program and the East End Senior Book Club. Request for care coordination has increased by 25% totaling 816 requests for both seniors and persons with disabilities.

- The Office of Volunteerism, Neighbor-To-Neighbor (N2N) Initiative collaborated with the HandsOn Greater Richmond to promote volunteerism on MLK Day. Service projects included spring cleaning at the William Byrd Community House, warehouse organization at Feedmore, ivy removal in Forest Hill Park, and classroom makeovers at the VA Home for Boys & Girls.

- N2N collaborated with the Northside YMCA and created service projects across the city for Global Youth Service Day (April). About 30 youth and a number of adults raked leaves, planted trees, cleaned a cafeteria and playground at J.L. Francis Elementary; cleared debris and painted a BMX storage container at Gilles Creek Park; picked up glass/trash, painted raised garden beds, and organized a clothes closet at Chimborazo Elementary School.

- The Office of Multicultural Affairs increases access to city and community-based services, and promotes information, education, and civic participation in order to improve the quality of life of diverse cultural and linguistic communities.

- For the 8th year, the OMA participated in the MetroCASH coalition, which provides free tax preparation sites around Richmond as well as a media outreach campaign regarding financial topics such as tax information, identity theft, etc. Over 240 tax returns were prepared for low income families at the bilingual site coordinated by OMA.
AGENCY ACCOMPLISHMENTS

- The OMA hosted, planned and executed the Imagine Festival, along with Parks, Recreation, and Community Facilities, and many other community partners. The festival highlights Richmond’s diverse community and promotes safety and community resources. Over 3,000 individuals were in attendance. The OMA worked to secure sponsorship funding to supplement the City’s funding through a partnership with the EnRichmond Foundation, and thus maintained the quality of the event for the Southside community.

- OMA staff provides information and referral to City residents on a daily basis, taking an average of 500 requests for assistance every month. OMA staff also provides daily interpretation and translation services to citizens and City departments, so as to ensure access to services.

- The Mayor’s Youth Academy enabled youth to be placed in work experiences in more than sixty employment entities. To date, MYA has established partnerships with more than eighty businesses and organizations.

- More than 500 youth have been engaged in an MYA program. 63% of MYA graduates went on to attend two and four year Colleges and Universities and Virginia Union University awarded MYA graduates more than $80,000 in scholarship funds as a part of the Dwight C. Jones - Mayor’s Youth Academy VUU scholarship program. A total of 14 youth earned 3 college credit hours as a part of the ECPI University Technology Series Summer Work Experience Program. More than 300 youth participated in financial literacy training at Junior Achievement’s Finance Park.

- Each year, employment partners offer employment extensions to youth beyond the 6 week program period. This past year, employment extensions were offered by Dominion Resources, Soul-Ice Vending, McDonalds (FWL and Sons, Inc.), The Office of the Governor for the Commonwealth of Virginia, Richmond Department of Public Utilities, and Virginia Department of Motor Vehicles.

- MYA provided daily transportation and job readiness training for 50 youth employed by Kings Dominion in partnership with Teens on the Go.

- The recommendations of the Mayor’s Blue Ribbon Commission on Health Policy were strategically executed in 2012 to ensure that our residents had access to initiatives promoting healthy lifestyles and supporting healthy life choices and outcomes.

- The Mayor’s Healthy Richmond Campaign (MHRC) actively engaged over 6,000 citizens with a variety of health promotion and health education activities while encouraging the community to proactively be a part of the Healthy Richmond concept of getting healthy and staying healthy.

- MHRC partnered with the National League of Cities to provide prescription discount cards which were made available to 20,000 residents in the City of Richmond.

- The City partnered with Cigna to convene a meeting which engaged a broader community in discussions around the need to establish a comprehensive health care business initiative program that will benefit and encourage health care professionals to establish their practices and ancillary services in specified areas of the City. This meeting served as a catalyst in the development of a new primary health care system model focused on improving access to health services for the citizens of Richmond.
AGENCY ACCOMPLISHMENTS

- The Mayor’s Pedestrian, Bicycling and Trails Commission have installed 25 bike racks that retrofitted former parking meter posts, 35 bike racks installed on sidewalks, and 60 bike racks installed on parking meters which better manage parking demand and prevent bikes from toppling over when attached to standard parking meters. Working with DPW and PDR the requirements for the encroachment process are being reviewed to streamline the process for a private business to install bike parking racks in the public right of way, which will augment the parking capacity that the City is adding.

- Marking of sharrows (shared lane markings) and installation of bike route and destination signage is underway with the North/South route complete by year’s end and the East/West route ready for construction in spring 2013.

- Education and outreach initiatives on pedestrian and bike safety is underway. Three city staff underwent training through the League of American Bicyclists to become League Cycling Instructors. A workgroup has been convened to develop education and outreach materials on bike safety and to encourage more people to utilize bicycling as a safe and convenient means of transportation. The off-road portion of the Belle Isle Bike Skills Area was completed this year and the road skills area has had more than half the work completed that is needed to make the site useable for conducting bike skills training.

- The Mayor’s Food Policy Task Force (FPTF) completed the final report for the Mayor which included 17 recommendations to address food system issues in the City of Richmond—particularly in our low income, “food desert” neighborhoods.

- The cross functional team with representatives from city government and non-profit organizations created to address the quality of out of school time programs in the City of Richmond has developed a set of Model Standards for Out of School Time Programs. The standards will be pilot-tested with a few city and non-profit programs.

- The Richmond City Health District (RCHD) – Adolescent Health Team continued to implement the HYPP (Helping Youth to Prevent Pregnancy) program in collaboration with Richmond Public Schools. Teen pregnancy prevention sessions were provided to students in grades 5 – 10 with priority given to those school zones with the highest teen birth rates, namely, Armstrong, George Wythe and John Marshall. A total of 3330 students were served. Health Education Specialists taught 599 sessions resulting in 10,799 total encounters. During the summer months RCHD Health Education Specialists provided job readiness training, HIV/STI education and served as youth counselors in each component of the Mayor’s Youth Academy.

- The Richmond Campaign to Prevent Teen Pregnancy (RCPTP) in collaboration with Richmond Public Schools continued to implement the Community of Caring Program in Bellevue, Chimborazo, Fairfield, George Mason and Woodville elementary schools and expanded to Martin Luther King, Jr. Middle School.
MISSION STATEMENT

The mission of the Richmond Department of Justice Services is to promote a safe and healthy City, break negative cycles, and encourage education through a continuum of services that empowers all participants to achieve measurable success.

DEPARTMENT OVERVIEW

The Department of Justice Services provides a variety of services to youth, adults and their families who are either at risk of involvement in the justice system or have been formally processed by the courts. The services provided to youth are court diversion, secure confinement, and interventions for youth and their families.

The Division of Adult Programs offers community-based pre-trial supervision, local probation, and reentry services for Richmond offenders over the age of eighteen.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $2,821 to operating supplies budgets for FY2014 and a $7,762 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments except Police, Fire & Emergency Services, Richmond Public Schools, and Public Works.

Personnel: The budget includes 100% funding for all positions which are filled and limited funding for vacant positions in FY14 an FY15. The budget also reflects an increase of the City’s contribution to retirement and healthcare. The FTE count has increased from FY2013 by 8 FTE’s. Seven FTE’s for the management of a Day Reporting Center in FY14 and the addition of one FTE during FY2013.

Operating: The FY2014 budget includes an increase of $255,000 for the implementation of a Day Reporting Center Alternative Sentencing Program.

AGENCY ACCOMPLISHMENTS

Justice Services Administration

- There was an orderly transition of leadership in the Department of Justice Services with David M. Hicks being named Interim Director following the resignation of Charles J. Kehoe.

- The Interim Director, Deputy Director and Managers actively participated in the Balanced Score Card Initiative.

- DJS participated in numerous meetings on the strategic plan for the identification of alternatives to jail in the City of Richmond.

- The department was heavily involved in the 2012 legislative process, especially on matters that focused on community corrections and juvenile justice.

- Participated on several committees and in numerous events that were under the direction of the Richmond Juvenile & Domestic Relations Court.

Community Service & Outreach

- Juvenile Drug Court hosted the Relay for Recovery Rally on May 21, 2012 at the Richmond Carillon in conjunction with the National Association of Drug Court Professionals and the Virginia Drug Court Association.

- Juvenile Drug Court conducted eight Community Awareness Activities for FY12 which included Kid’s Night at the Richmond Boys & Girls Club.

- Eight program participants graduated from the Drug Court Program. Fifteen youth were enrolled in the program and; of the 15 youth, all were enrolled in public schools. Two of the participants were employed part time.

- In Surveillance (Outreach & Community Monitoring) there were 231 youth referred to both programs. Of the 231 referred, 169 youth had satisfactory competitions. Both programs combined averaged a 73% satisfactory completion.
AGENCY ACCOMPLISHMENTS

Division of Adult Programs

- Pretrial Services selected to participate in the Virginia Pretrial Research project funded by the Federal Bureau of Justice Assistance.
- Successful closure rate for Pretrial defendants averaged at 84%.
- Eighty-one percent (81%) of participants remained arrest free while participating in the Mental Health Alternative Sentencing Program.

Richmond Juvenile Detention Center

- A new Superintendent was hired in December, 2012 to open the detention facility effective July 1, 2013.
- RJDC submitted an application to the Department of Juvenile Justice to re-open the RJDC effective July 1, 2013.
- All positions have been advertised to recruit and hire new employees at the detention center.
- Security control system, inoperable doors and locks were upgraded and repaired. New cameras and monitors were also installed to alleviate blind spots in the building.
  - Key system has been modified to ensure proper security in the facility.
  - Fence block has been placed around outside fence to protect the privacy of juveniles when they come to the facility.
  - Renovations have been made to enhance the facility’s physical plant and environment.

In-Home Services

- Family Ties and Functional Families served 78 clients this fiscal period. The services resulted in a 59% and 96% successful completion rate respectively.
- Case Managers facilitated 534 family engagement sessions and 54 community referrals.

Truancy and Diversion Services

- In FY2012, DJS Truancy and Diversion Services, assisted RPS in further reducing the overall truancy rate by 1.38% from 2009-2010 to 2010-2011 by completing Intervention Plans with students having 5 days of unexcused absences as required by the Code of VA. 22.1-258.
AGENCY ACCOMPLISHMENTS

- In FY2012, the City Auditor’s Office completed an audit of the Truancy and Diversion Division. Some of the key findings reported were:
  - The auditors concluded that internal controls within Truancy and Diversion were generally adequate with some room for improvement.
  - The City’s truancy rate has declined from 26% in FY2004 to about 7% in FY2011.
  - Truancy and Diversion, in partnership with RPS and RPD, has been successful in their efforts to reduce the truancy rate and juvenile arrests.
MISSION STATEMENT

The mission of the Department of Social Services is to strengthen families, assure safety, promote self-sufficiency, and improve the quality of life for all citizens of the City of Richmond through community engagement.

DEPARTMENT OVERVIEW

The Department of Social Services (DSS) provides financial assistance and/or social assistance to individuals and families in need. The focus of the department is to meet essential human needs; increase their capacity to function independently and provide protection for abused and/or neglected children, the aged and the disabled.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $6,361 to operating supplies budgets for FY2014 and a $48,253 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments, except Police, Fire & Emergency Services, Richmond Public Schools and Public Works.

The budget includes a reduction to Social Services’ reports line item in the amount of $65,000 in FY2014 and a reduction of $25,000 to planning and management services within Adult/Family services in FY2014.

Personnel: The budget includes 100% funding for all positions which are filled and limited funding for vacant positions in both fiscal years. The budget also reflects an increase of the City’s contribution to retirement and healthcare. Additionally, one position was transferred to the Office of the Deputy Chief Administrative Officer for Human Services to support child and youth development services.

Also, two existing DSS social worker positions will aid the Mayor’s Youth Academy program, an anti-poverty initiative, by providing case management services to youth engaged in the program.

Operating: This budget reflects reductions in specific programs, such as foster care and special needs adoption, as a result of decreased caseloads and corresponding decreased expenditures.

Additionally, funding within the DSS is targeted for the development and operation of the Workforce Development Center/Jobs Pipeline, an anti-poverty initiative designed to prepare City residents for jobs, to be located at the Marshall Street Plaza facility.

FAMILY ASSESSMENT AND SERVICES COORDINATION

- Secured pro bono services from a well-known cosmetic surgeon who performed multiple corrective surgeries on one of our male foster care youth to repair damages to the youth’s ears as a result of large piercings.

- Collaborated with Richmond Behavioral Health Authority to fully implement Intensive Care Coordination Services which provides greater case coordination and utilization management for cases where a child needs to transition out of residential services or to prevent a child from having to be placed in residential services.

- Developed policies and the process for appointments of provider and parent representatives to the CPMT (Community Policy and Management Team).
DEPARTMENT OVERVIEW

The Non-Departmental budget includes funding for quasi-governmental and other non-departmental programs and activities that either span departments or are not department specific. This budget also includes funds for Tax Relief for the Elderly and Disabled and various Fund Balance categories.

The 311 Call Center is proposed to be funded in FY2014 at $1,277,840 and FY2015 at $1,288,747, which is an increase from the amount funded in FY2013. The fund includes 100% funding for all filled positions along with general operating funds and the addition of CRM operating costs which were previously shown as a separate non-departmental item.

The convention bureau (RMCVB) is proposed to receive $1,120,384 for FY2014 and FY2015, which is level with the amount appropriated for FY2013.

The Other Non Departmental Programs and Activities category includes those agencies and organizations which enhance the quality of life in the City of Richmond and region. The majority of the organizations in this group, have been proposed to remain flat, thus remaining consistent with the FY2013 adopted budget. There are also some organizations that are receiving City funds for the first time within the human services group. Additionally, several organizations that have received funding in past fiscal years are proposed with zero funding in FY2014 and FY2015. These entities either did not apply for new funding, the requested program funding did not align to the City’s priorities, or the previously funded program did not adequately meet their stated goals and objectives.

The Quasi-governmental category represents funding to state, local, and regional governments that provide services to the City of Richmond. Several of the agencies funded in this category reflect the City’s contribution in regional efforts with the surrounding counties. This category includes funds for GRTC Transit System, Richmond Metropolitan Convention and Visitors Bureau (RMCVB), Richmond Ambulance Authority (RAA), Greater Richmond Convention Center Authority (GRCCA), salary adjustments for City employees, retiree healthcare, and any cross-agency budgets.

Proposed funding for GRTC is $11,500,000 in FY2014 and FY2015 which is an increase from the FY2013 appropriation. Additional funding amounts include $175,000 for Senior Rate Break for fiscal year 2014 and $190,000 for fiscal year 2015; and capital funds of $496,480 for FY2014 and $501,600 for FY2015. The Richmond Ambulance Authority is proposed for funding of $3,205,500 for FY2014 and $4,405,500 for FY2015.

Retiree Expenses are composed of Retiree Healthcare and Retiree COLA and is proposed to be funded at $3.33 million for FY2014 and $2.71 million for FY2015.

Public Safety & Judiciary

13th District Court Services Unit
Animal Control
Fire & Emergency Services
Judiciary-Commonwealth Attorney
Judiciary- Other Courts
Juvenile & Domestic Relations Court
Police
Sheriff’s Office
MISSION STATEMENT

The mission of the 13th District Court Services Unit is to protect the public through a balanced approach of accountability and comprehensive services that prevent and reduce delinquency through partnerships with families, schools, communities, law enforcement, and others, while providing opportunities for delinquent youth to become responsible and productive citizens.

DEPARTMENT OVERVIEW

The 13th District Court Service Unit (CSU) is a community program of the Virginia Department of Juvenile Justice that exclusively serves the Richmond Juvenile and Domestic Relations District Court. The CSU is mandated to provide intake, juvenile probation and juvenile parole functions for the City of Richmond. The CSU provides domestic relations intake services, criminal intake services for juvenile offenders, monitors court ordered services for juvenile offenders, and provides juvenile probation and parole community supervision. CSU operations address community safety and well being, a strategic priority focus area of the City of Richmond.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $416 to operating supplies budgets for FY2014 and a $197 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments, except Police, Fire & Emergency Services, Richmond Public Schools and Public Works.

In prior fiscal years, the CSU was incorporated as a distinct program within the Juvenile Domestic Relations Court budget. In FY2014 and FY2015 the CSU is recommended to be separated from the Juvenile Domestic Relations Court department and to become its own, separate department.

Personnel: The budget includes 100% funding for all filled positions in both fiscal years. The budget also reflects an increase of the City’s contribution to retirement and healthcare.

Operating: Additional funding in the amount of $5,900 was added to comply with State statutory filing standards in FY2014.

MISSION STATEMENT

To provide and maintain a safe and humane community for the City of Richmond residents and their pets; and to administer and ensure humane care of lost, injured, stray, abandoned, abused, neglected and unwanted animals.

DEPARTMENT OVERVIEW

The Office of Animal Care & Control provides humane care for stray, lost, injured, abandoned and neglected animals. The Office of Animal Care & Control also provides care for animals seized from participation in illegal activities. The Office of Animal Care & Control enforces animal laws, investigates animal cruelty cases, responds to service calls for injured animal, enforces licensing/rabies laws, provides housing for stray and dangerous animals, and conducts pet lost and found services and animal adoption.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction to operating supplies budgets for FY2014 and a $1,267 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments except Police, Fire & Emergency Services, Richmond Public Schools, and Public Works.

Personnel: The budget includes 100% funding for all positions, but assumes limited savings for possible vacancies for FY14 & 15. The Director of Animal Care & Control was recently hired. The budget also reflects an increase of the City’s contribution to retirement and healthcare.

Operating: This budget reflects additional funding for fuel and veterinarian services. With future upgrades to the facility, much better animal care services can be provided.

**Agency Accomplishments**

- Began construction of $2.3M shelter renovation and addition project with planned completion June 2014.
  - Achieved 20 percent increase in shelter pet adoptions over last year. Particularly significant as the number achieved is the highest in four years. RACC adopted out 1,001 pets during FY 12.
- Initiated community partnership with CBS 6 Paws for Pets in effort to encourage pet adoptions.
- Expanded social media presence and increased number of RACC Facebook page supporters to 800.
- Continued media partnerships with Lite 98 Radio and Village Bank which promoted RACC pets for adoption each week at no cost to City.
- Represented RACC in the following community events:
  - Richmond Animal League’s Woofstock on Monument Avenue
  - Richmond Vegetarian Festival
  - Christmas on MacArthur
  - South of the James Market
  - Monthly adoption events in partnership with Metro Richmond Pet Savers
  - Added new offsite adoption events at Carytown Petco and Fin and Feather pet shop
AGENCY ACCOMPLISHMENTS

- Hosted RACC awareness and adoption events at shelter including:
  - Two “Kittypalooza” cat adoption events
  - Howl – A Ween
  - Holiday Adoption Open House
  - Tabby Cat Tuesday – new this year
  - Furrypalooza – new this year
  - Hosted school tour groups
  - Partnered with schools, businesses and nonprofit organizations as recipient of holiday donations to shelter

- Expanded volunteer program to include the training and implementation of more than 30 new volunteers.

- Increased positive presence in media with inclusion of new publicity promoting pet adoption events, shelter renovation, and call for donations and volunteers.

- Refurbished shelter landscape with planting of flowers and trees, the majority donated and now maintained by shelter staff.

- Became participant in City’s Neighbor to Neighbor Volunteer Program with three shelter staff donating their time to citywide service projects.

- Field Division continued outreach partnership throughout community assisting in the spay/neuter and humane care of pets belonging to low income residents. Field Division responded to calls concerning injured, abandoned, sick, neglected and stray animals and investigated reports of animal cruelty assisting in prosecution of perpetrators.

- Provided ongoing staff education and training by participating in work related classes, completing professional course training and attending animal industry related educational conferences.
MISSION STATEMENT

The mission of the Department of Fire and Emergency Services is to provide safe and exceptional care through quality, innovative service by listening and responding to the needs of our City of Richmond family and visitors.

DEPARTMENT OVERVIEW

Richmond Fire and Emergency Services is responsible for providing a broad range of services to the citizens of Richmond through its Prevention, Suppression, Training and Administration divisions and the Office of Emergency Management. Services Include: Providing the First Responder component to the City’s Emergency Medical Services (EMS) system; Providing firefighting and suppression management for all structures, open areas, equipment, vehicles and apparatus within the City of Richmond and on a cooperative basis as a regional fire suppression team; Conducting specialized water and heavy duty rescues; Managing hazardous chemical/material emergencies; Providing planning, coordination, response and recovery to natural and man-made disasters; Providing fire investigations; Conducting code enforcement inspections and issuing permits; Providing fire employee training and development; Providing fire safety education and emergency preparedness through several training programs; Providing community programs through collaborative efforts within the community.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $16,453 to operating supplies budgets for FY2014.

Personnel: The budget includes 100% funding for all positions which are filled and limited funding for vacant positions in both fiscal years. The budget also reflects an increase of the City’s contribution to retirement and healthcare. The Office of Emergency Management FY2014 personnel budgets includes funding for 1/3 of an Administrative Project Analyst position that transferred from a Special Fund grant that will end in February 2014. In addition, funding for one Planner I position was added to assist with the Office of Emergency Management. The FY2015 personnel budget includes full funding for these positions.

Operating: The Office of Emergency Management’s operating budgets increased by $80,000 in FY2014 and FY2015 for the Urban Area Security Initiative emergency communication networks. The remaining operating budget reflects no major changes from the previously adopted FY13 budget.

AGENCY ACCOMPLISHMENTS

- Community Risk Reduction
  - The department focused a great deal of energy on prevention and education effort for citizens. These initiatives included the installation of 771 smoke alarms in homes without a device and installing/changing batteries in an additional 374 devices that were otherwise inoperative. Additional efforts included: awareness campaigns during fire prevention, burn and arson weeks; co-participation with RPD during National Night Out activities, a specific campaign focused on cooking fires in the home, and performed a series of nightclub inspections during active ‘club’ hours to ensure adherence to life safety regulations with respect to overcrowding.

- Emergency Responses
  - In addition to the 33,633 fire and EMS responses within the City of Richmond, the department provided 37 separate mutual aid assistance requests to neighboring communities. Separately, rescue activity accounted for 72 requests for service with 50 James River water rescues, 36 extrications, (freeing trapped occupants from vehicles – post collision), 16 calls to children locked in automobiles and 31 Hazardous materials responses. Additionally, the Departments accelerant detection canine “Ellie,” a four-year old black Labrador donated by State Farm Insurance Company, and her handler worked 80 separate fire investigations across five different jurisdictions assisting with suspected arson.
**AGENCY ACCOMPLISHMENTS**

- **Education Initiatives**
  - Department personnel completed over 60,000 hours of credentialed education specific to Fire/EMS disciplines during the year. In addition, members completed formal training in: Customer Service, Conflict Resolution, Leadership/Supervision, Spanish immersion, Hazardous Materials, and practical evolution training. The Department hosted the 2nd Annual Regional Fire School (attended by 260 area firefighters) and the Fall Customer Academy, an 8-week citizen academy designed to inform citizens of the services provided by the department and to increase their overall fire/life safety awareness. The Office of Emergency Management completed both National Incident Management System (NIMS) training for City employee and Community Emergency Responder Training (CERT) for citizens.

- **Apparatus Replacement**
  - The fire department took possession of nine new frontline apparatus, with an order placed for a tenth vehicle. The vehicles included: 2 - 75 foot Quints; 4 – 105 foot Quints; 2 – Heavy Rescues; and 2 – Class A pumpers. The replacement apparatus mark the beginning of fleet modernization plan that set in motion a philosophical shift in response and deployment. These changes represent some of the early work that builds upon the departments Master Planning process and implementation of recommendations developed for the department by Fitch and Associates. Over the next five years, the department will continue to address a comprehensive fleet replacement strategy.

- **Facility construction / renovation projects**
  - Construction was completed, and firefighters now occupy a new fire station located at 2211 Semmes Ave. The construction of the 11,500 square-foot facility represents the first time in 18 years that a fire station has been built in Richmond, and the first LEED silver certified fire station. The project cost $5.1 million. A federal grant paid for $3.5 million of that amount. Other significant fire station renovation projects included initiation of roof replacements at stations 1, 15 and 18; and renovation plans were approved to address essential living space issues at stations 10 and 13. These changes mark the early work of addressing a comprehensive facility strategy.

- **Emergency Management Preparedness Training**
  - The Office of Emergency Management sponsored and conducted a variety of Preparedness Outreach and Education Programs throughout the year. Below are individual highlights

    - Increased outreach efforts by speaking at civic groups, churches and other community organizations, partnering with WRIR to produce Richmond Ready, a series of monthly preparedness radio chats, and launching a Twitter account.

    - Increased individual and family preparedness efforts by offering 2 Community Emergency Response Team (CERT) Basic Training opportunities, Pet First Aid, Adult CPR/First Aid/AED and Medical Triage courses and partnering with the Hispanic Liaisons Office to present, Spanish Survivor Day.
AGENCY ACCOMPLISHMENTS

- Conducted, in collaboration with Richmond Fire & Emergency Services and Richmond Police Department, three Incident Command System (ICS) 300 Courses - The 18 hour Intermediate Incident Command System (ICS) courses were conducted for those who could fill supervisory level positions during an incident. The course provided the opportunity for the student to develop an ICS organizational structure, list staffing requirements, prepare a briefing, lead or participate in a planning meeting, identify resources, develop goals, prepare an action plan and become familiar with the National Incident Management System (NIMS).

- Hosted a COOP Workshop; this training provided an opportunity for personnel to develop and enhance their continuity knowledge and helped prepare them to respond to emergencies requiring continuity of operations activation.

- Hosted, in collaboration with the Department of Finance, Office of Risk Management and several state agencies, a Business Preparedness Workshop; the workshop provided the business community with basic fundamental information concerning emergency preparedness.

- Conducted, in collaboration with the Department of Public Utilities an Emergency Operations Center (EOC) functional exercise, that simulated an emergency in the most realistic manner possible, short of moving real people and equipment to an actual site. The goal, test or evaluate the capability of one or functions in the context of an emergency event.

- Emergency Operations Plan Update - The Office of Emergency Management Updated/revised the City Emergency Operations Plan to include Emergency Support Function specific job aids.
MISSION STATEMENT

The Commonwealth’s Attorney’s Office prosecutes all levels of criminal and traffic offenses committed in the City of Richmond, with prosecutors and staff dispersed among the Manchester, John Marshall and Oliver Hill Courthouses. Our jurisdiction includes all adult offenses, as well as those committed by and against juveniles. We prioritize investigations of violent offenders and attempt to strategically prosecute them whenever possible. Through strong collaborations with our Federal partners, VCU, and the Department of Probation and Parole, the Office utilizes a multi-agency approach to target violent predators for immediate removal from the community.

DEPARTMENT OVERVIEW

In the second term of the current administration, we are intensifying our efforts to identify viable models for alternatives to incarceration for certain non-violent offenders capable of rehabilitation. Our current focus is primarily on drug offenders, with the hope of reducing the number of newly convicted felons. Working closely with the CCJB, RBHA and DJS in particular, we are exploring various initiatives such as formal pre and post trial diversion and a mental health docket dedicated to offenders with underlying mental illness. Each of these measures could reduce the jail population and result in more community based treatment and supervision for low level offenders.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $690 to operating supplies budgets for FY2014 and a $4,612 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments, except Police, Fire & Emergency Services, Richmond Public Schools and Public Works.

The FY2014 personnel budget includes a transfer of $159,912 from full-time permanent salaries to Constitutional salary benefits for a total salary supplement of $900,000 for Commonwealth Attorney’s staff members. The FY2014 personnel budget was also increased by $30,000 for the Commonwealth Attorney’s Investigative Services Program.

Personnel: The budget includes 100% funding for all positions which are filled and limited funding for vacant positions in both fiscal years. The budget also reflects an increase of the City’s contribution to retirement and healthcare. The Commonwealth attorney salary supplement for all members of the Office is $740,088 in FY2014 and FY2015, respectively.

Operating: This budget reflects no major changes from the previously adopted FY13 budget.

AGENCY ACCOMPLISHMENTS

- **Caseload** – For 2012, preliminary data provided by the Virginia Supreme Court reveal the high volume of serious cases handled by the City’s Commonwealth’s Attorneys. There were 7,529 concluded cases in the City of Richmond Circuit Courts, 5,436 of which were felonies. This prosecutorial workload is among the highest in the state. Our combined caseload for all courts, including the Juvenile and Traffic courts, will exceed 85,000 cases, again among the highest in the state.

- **Homicide** - The City of Richmond lost 42 citizens to homicide violence. Our prosecution caseload for murder remains the highest in the State. To date, we have taken 31 cases to trial with a 94% conviction rate.

- **Aggravated Assault** - In 2012, the Commonwealth’s Attorney’s Office prosecuted 176 aggravated assault cases (serious injury frequently connected to weapons use). Of the 176 cases, 72 were prosecuted as specially assigned cases. An additional 40 specially assigned cases were pending at the end of 2012 and will likely be concluded in 2013. The average sentence was 54.5 months.

- **Narcotics** - In 2012, 1187 charges involving 978 defendants were completed in the City of Richmond Circuit Courts for the possession or trafficking of illegal narcotics and marijuana under Virginia’s drug laws. 336 defendants were prosecuted for distribution. The conviction rate was 84%; average sentence 22.3 months.

- **EXILE** – The office processed 395 potential Project EXILE charges, which are cases involving illegal possession of firearms or ammunition. Approximately 231 cases were closed in 2012, with 164 cases rolling over in to 2013. In 2011, 159 cases of possession of a firearm by a convicted felon were concluded, resulting in 82 convictions. The increase is the result of the Justice Department adopting fewer cases for federal court. The average felon firearm sentence was 1.51 years.

- **Sexual Assault** - Thirty-four (34) adult, non-domestic, sexual assaults were prosecuted in 2012. Five (5) charged cases were dismissed for various reasons, including victims who severed contact with law enforcement officers and the Commonwealth’s Attorney’s office.

- **Gangs** – The office handled approximately forty-seven (47) cases that originated or concluded in 2012. These efforts were primarily directed towards gangs with a national presence, Bloods and MS-13. The office initiated the first state RICO gang case in the history of the Commonwealth.

- **Juvenile and DR** – The office maintained staffing levels of attorneys to allow full vertical prosecution of crimes involving juvenile offenders and victims. See full agency report.

- **Robbery** - In 2012, the office concluded 278 robbery prosecutions. A policy change has reduced the number of local cases adopted by the U.S. Attorney’s Office for federal prosecution. The average sentence was 66 months.
MISSION STATEMENT

**Agency Accomplishments**

**Adult Drug Court**

- The Richmond Adult Drug Treatment Court Program serves as an alternative to incarceration, and has increased the number of average daily participants from 50 to 80 participants.

- In addition to serving a substance abusing population, the Richmond Adult Drug Treatment Court revised its’ program admissions to accept persons with mental health disorders.

- The Richmond Adult Drug Treatment Program has increased the number of services available to participants; to include psychiatric treatment, crisis and inpatient treatment, prescription medication coverage, and access to medication assisted treatment such as; suboxone and methadone.

- The Richmond Adult Drug Treatment Court Program provides housing deposits to support long-term treatment and recovery, and prevent participants from returning to unsafe environments that increase their likelihood of recidivism.

- The Richmond Adult Drug Treatment Court Program graduated 25 participants from the program during 2012.

- The Richmond Adult Drug Treatment Court Program administered 7523 drug tests during 2012. 4% were positive for illegal substances, including alcohol.

- Richmond Adult Drug Treatment Court participants attended a total of 8083 Alcohol Anonymous and Narcotic Anonymous meetings during 2012.
MISSION STATEMENT

The mission of the Juvenile Domestic and Relations District Court (JDRC) is to provide an independent forum to: (1) resolve juvenile and domestic relations disputes and other legal matters in a fair, efficient, and effective manner, and (2) protect the rights of all parties before the Court pursuant to the laws of Virginia, Constitution of Virginia, and the Unites States. The Court will advance the best interests of youth and families, and serve and protect the citizens of the Commonwealth of Virginia, by holding individuals accountable for their actions.

DEPARTMENT OVERVIEW

The Juvenile Domestic Relations Court (JDRC) handle cases involving: delinquents, juveniles accused of traffic violations, children in need of services and supervision, children who have been subjected to abuse or neglect, family or household members who have been subjected to abuse, adults accused of child abuse, neglect, or of offenses against members of their own family, and adults involved in disputes concerning the support, visitation, parentage or custody of a child. Additionally, the Court also handles cases involving the abandonment of children, foster care and entrustment agreements, court-ordered rehabilitation service and court consent for medical treatment.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $165 to operating supplies budgets for FY2014 and a $210 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments, except Police, Fire & Emergency Services, Richmond Public Schools and Public Works.

In prior fiscal years, the Court Services Unit (CSU) was incorporated as a distinct program within the JDRC budget. In FY2014 and FY2015 the CSU is recommended to be separated from the JDRC and to become its own, separate department.

Personnel: The budget includes 100% funding for all filled positions in both fiscal years. The budget also reflects an increase of the City’s contribution to retirement and healthcare.

Operating: A portion of the operating budget, which belonged to the CSU, was transferred from the JDRC to the CSU.

Funding in the amount of $2,000 was added to FY15 for increases in State mandated operations related to the provision of juvenile and domestic court services.

AGENCY ACCOMPLISHMENTS

- On April 2, 2012, the Richmond Juvenile & Domestic Relations (J&DR) District Court marked its 100th year serving citizens of the City of Richmond.
- In calendar year 2012, 16,839 new cases were filed and 40,753 hearings were held. The Court’s caseload composition was comprised of 56% adult matters and 44% juvenile matters.
- The Court is current on the expungement (destruction) of court records as required by Code of Virginia § 16.1-306. This large-scale effort is critical to maintain because the Clerk’s Office does not have sufficient storage space for all the records it is required by law to maintain.
- The Court maintains an ongoing strategic planning process (view the strategic plan online at www.richmondgov.com/CourtJuvenileDomesticRelations/index.aspx). Recent initiatives included implementation of a new case management system, enhancements to the juvenile arraignment process, and the installation of ballistic resistant windows in some areas of the courthouse as part of continuing efforts to address numerous facility-related security deficits.
- In fiscal year 2012, the Court’s Dispute Resolution Office mediated nearly 500 custody, visitation, and support matters, 98 CHINS/truancy matters, and three child dependency cases.
- The Richmond J&DR District Court is a state agency in the judicial branch under the Supreme Court of Virginia. The 13th District Court Service Unit (CSU) for the City of Richmond is part of the Virginia Department of Juvenile Justice, a state executive branch agency under the Governor of Virginia. As such, these two agencies receive entirely separate state funding. In contrast to this, to date, these agencies receive required city funding jointly as Agency 019. To more accurately represent the total operating costs (state and local) and future needs of the Court and CSU respectively, beginning July 1, 2013 (FY 2014), we request the CSU become an independent city agency separate from the J&DR Court. All future funding, including one city position, appropriated to the CSU (Agency 019, ORG 1912) would move with them into their new city agency number. The J&DR Court (Agency 019) will continue to include both ORG 1911 (Court Functions/Operations) and ORG 1913 (the Court’s Dispute Resolution Office/Mediation Services). Please see the CSU’s budget request for a summary of their accomplishments.
MISSION STATEMENT

We make Richmond a safer city through community policing and engagement.

DEPARTMENT OVERVIEW

We seek to improve the quality of life in the City of Richmond through a proactive team approach to timely, innovative intervention in community problems. We will be the catalyst for positive social change through persistent, personalized and cost-effective application of public safety resources.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $55,759 to operating supplies budgets for FY2014.

Personnel: The budget includes 100% funding for all positions which are filled and limited funding for vacant positions in FY14 and FY15. The budget also reflects an increase of the City’s contribution to retirement and healthcare. There is no change to the FTE count from the FY2013 adopted budget.

Operating: This budget reflects no changes from the previously adopted FY13 budget.

MISSION STATEMENT

The Richmond City Sheriff’s Office strives to maintain a secure and safe jail facility and courtroom environment by deploying highly trained professionals to perform these sworn duties. With unwavering integrity and care, we preserve the human dignity of those in our system; and resolve to uphold the laws of our city and state when carrying out our public safety role.

DEPARTMENT OVERVIEW

The Richmond City Sheriff’s Office operates and secures the Richmond City Jail and all courthouses in the City. The Office maintains compliance with state and local laws and ordinances through accreditation with the Virginia Law Enforcement Professional Standards Commission.

BUDGET HIGHLIGHTS.

City Council Action by Amendments: The budget includes a 2% across-the-board reduction of $31,175 to operating supplies budgets for FY2014 and a $27,461 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments, except Police, Fire & Emergency Services, Richmond Public Schools and Public Works.

Personnel: The budget includes 100% funding for all positions which are filled and limited funding for vacant positions in both fiscal years. The budget also reflects an increase of the City’s contribution to retirement and healthcare.

Operating: The operating budgets include additional funding for inmate healthcare contractual agreements totaling $4.4m in FY2014 and $4.6m in FY2014. Remaining operating budgets reflect no major changes from the previously adopted FY13 budgets.

AGENCY ACCOMPLISHMENTS

- Began the Transition Phase of the Jail Construction Project. This phase contains all of the elements necessary, to ensure the Sheriff’s Office prepares everyone for the move to the Justice Center.
- Moved all printing equipment and supplies to the City’s DIT initiative of using Xerox Multi-functional devices.
- Received training from the National Institute of Corrections (NIC) on how to transition to a new jail facility.
- Passed all major inspections and audits:
  - DOC Life, Health, and Safety Inspection – 100%
  - LIDS Audit – Excellent Rating
SERVICE LEVEL BUDGETS BY AGENCY
As stated in the Strategic Planning Process section of this document, a service is defined as a specific work function or combination of activities that is performed in support of a department, program, or organizational unit. The impetus for budgeting at the service level is to increase the value we deliver to citizens with the resources available to us. Instead of funding solely at the program (bigger picture) level, budgeting by service allows the organization to make more finely tuned, strategic decisions because they are based on the end result of the service provided. Because programmatic budgets are larger and tend to be more ambiguous, budgeting at the program level alone does not provide as clear a window into the nuances of a department’s operations, thus making it more difficult to render the optimal strategic funding decisions that are so critical during challenging economic times.

Fiscal Year 2014 marks the first time the City has implemented a service level budget. As we progress, we will use service level performance data analysis to inform resource allocation decision-making. Gone are the days where we ask the question ‘What programs or line items can we cut to keep the budget in balance?’ The question now becomes ‘What is the relevance, performance, and efficiency of the service that is being provided?’ It is in the answers to that question, that we will be able to identify the services that don’t provide value. That is where budget efficiencies / cuts (when necessary) will be found. In essence, service level budgeting allows us to put away the machetes and reach for scalpels when making difficult funding choices.

One of the most beneficial aspects of budgeting at the service level is the transparency it provides to members of the Richmond community. Community members know what they want from the locality in which they live, work, and play. Budgeting at the service level provides a clear picture as to whether or not the locality is allocating its limited resources in a way that supports community priorities. In other words, service level budgets promote accountability to the community.

The pages that immediately follow provide departmental service level budgets and service descriptions for all Citywide departments in the General Fund.

BACKGROUND

The City continues to emphasize the importance of addressing its infrastructure needs while also investing in economic development projects and improvements that will make a return on investment to the City’s coffers. The City uses the Capital Improvement Program (CIP) to strategically invest in and develop capital projects. A project that is included in the City’s capital budget is broadly defined as requiring the expenditure of public funds, for the purchase, construction, enhancement or replacement of physical infrastructure/assets.

To be included in the CIP, the project should cost more than $25,000 and must have an expected useful life greater than the life-span of any debt used to fund the project. Projects include construction and major renovations of buildings; economic development activities; acquisition of property; improvements to roadways, bikeways, and sidewalks; and the efficient operation of the water, sewage and gas systems. Other costs associated with the capital budget include, but are not limited to, architectural and engineering fees and site development.

The City, in line with the practices of a well-managed government and city charter requirements, uses a long range planning process to develop a five-year CIP. Each capital project included in the five-year program has been recommended (and approved upon adoption) for additional or new funding in the first fiscal year of the plan and/or included as a planned project in the subsequent four fiscal years. Because of the multi-year nature of the CIP, it is a “living” document that outlines a project’s past and future. For example, as a project is developed, the amount and timing of expenditures may allow budget appropriations to be moved out in the CIP or require that the appropriations be accelerated and the budget size increased or decreased. Therefore, each year, detailed analysis is conducted to ensure that the appropriate levels of spending and types of spending by project are understood and captured in the CIP.

GUIDING PRINCIPLES

For the CIP included in this budget, the City employed the fundamentals of outcome based budgeting in evaluating and recommending projects and funding. These basic principles include:

- Begin the process with departments closing and/or updating prior year capital projects and identifying new capital or funding needs;
- Identification and development of other capital needs based on citizen, legislative, and administration priorities and regional issues;
- Recommend a CIP that completes existing projects and appropriately funds new projects or costs within available funding levels;
- Continuation of fiscal processes to require that pay-as-you go revenues or other bond facilities are budgeted in a manner that maximizes their use first;
- Assure management of assets in keeping with best practices while preserving the existing tax base; and
- Position the City for the future through good financial stewardship and by outlining a realistic CIP plan within existing resources.
To guide the CIP decision-making process, projects, both new and existing, were evaluated on the degree to which they meet the following objectives or criteria:

- Address health concerns, safety or emergency needs;
- Ensure basic infrastructure is maintained and improved so that the useful life is maximized;
- Meet a legal or contractual obligation or federal or state mandate;
- Leverage outside funding including federal, state, regional or private funding;
- Result in unacceptable outcomes if the project is deferred;
- Enjoy broad community support; and
- Support the priority initiatives included in one or more of the City’s seven focus areas.

**SUMMARY OF CIP FUNDING AND MAJOR CIP PROJECTS**

The Adopted General Fund CIP totals $286.9 million in budget appropriations during the five years. Of that amount, $117.2 million is included in fiscal year 2014.

The major CIP projects driving this funding level are five (5) projects that are consuming forty-seven (47%) of the total appropriations in the first year of the CIP – the new Justice Center and the four new schools. These five projects will be in design and construction during the next two years (2014-2015); therefore they are driving both the CIP budget appropriations and issuance of general obligation bonds. For the entire five year period, these five projects consume thirty-one (31%) of the planned general fund CIP.

The other major CIP project areas Adopted and planned over the next five years, from a funding perspective, are a new school to accommodate grades pre-k through 5 in the Dove Street revitalization area funded with $21.3 million, transportation infrastructure with $50.0 million, and buildings and central systems funded with an additional $16.2 million. Culture and Recreation projects, which consist primarily of parks and libraries, are another $39.4 million. Finally, Public Safety projects, including the replacement of the 800 MHz radio communications system, are funded at $67.4 million.

**DEBT MANAGEMENT POLICIES**

A key component of the CIP is the availability of debt capacity to finance CIP projects. The focus of the fiscal year 2014 budget was on improving the City’s well-managed government practices. A review of the City’s debt management policies resulted in an update and approval by City Council in 2012. These policies and guidelines establish parameters for the planning, issuance, and management of debt. The following summarizes the updated policies:

- The amount of debt service will not exceed ten percent (10%) of the total budgeted expenditures for the General Fund and Richmond Public Schools.
- The City will not incur general obligation debt in excess of four and one half percent (4.5%) of its total taxable assessed values
- General Obligation debt will be structured in a manner such that not less than 60% of the outstanding debt will be retired in 10 years.
The City will issue debt with an average life that is consistent with the useful life of the project with a maximum maturity of 30 years.

The City will strive to provide cash funding for a portion of the five-year CIP.

As part of the debt management policy update, a number of changes have been incorporated into the CIP’s debt management strategy. These strategies are in keeping with other well-managed governments within the Commonwealth; particularly those rated Triple A by the three rating agencies.

The Adopted debt utilized in funding the FY 2014 – FY 2018 Capital Improvement Program is within each of the limitations described above.

**Funding the Capital Improvement Program**

**Bonds (Debt)** – The City’s debt is defined by the sources of repayment: general fund supported debt service and non-general fund supported debt. General fund supported debt is pledged to be repaid from tax revenue and are referred to as general obligation or G.O. bonds. Other self-supported debt, which is typically issued for utilities and communications projects, are intended to be repaid from revenue derived from other sources, such as fees or user charges.

**Special Revenue Funds** – Direct cash contribution to specific CIP projects directly related to the special fund.

**New Justice Center Reimbursement** – Funds provided by the Commonwealth of Virginia for 25 percent reimbursement upon completion of the construction of the new Justice center.

**Regional Surface Transportation Funds (RSTP)** – Federal funds allocated on a competitive basis by the Commonwealth through the Metropolitan Planning Organization for major construction projects. Distribution is based on reimbursement for expenditures incurred.

**Congestion Mitigation and Air Quality Improvement Program (CMAQ)** – Federal grant program for transportation projects with an aim to improve air quality passed through the State to the municipality via a statutory formula based on population and air quality classification as designated by the EPA. These funds are budgeted to specific projects through the federally-mandated regional metropolitan planning organization or MPO.

**State Funds** – Funds directly awarded by the State of Virginia to the City for specific projects.

**Pay-as-you-go-Funds (Cash)** – Revenue derived by Public Utilities allocated as a direct cash contribution to the non-general fund CIP for utility related projects.

**Other Funding Sources – Prior Appropriations** – These dollars represent debt appropriations formerly allocated to other Capital Projects that have either been (1) completed under budget, or (2) discontinued.
PROJECT CATEGORY DESCRIPTIONS

General Fund Supported Projects:

City Facility Maintenance & Improvements – Improve the City’s public buildings infrastructure by providing adequate maintenance and construction of new and updated facilities.

Culture & Recreation – Enhance the City’s recreational and cultural facilities, including libraries, that provide opportunities for improved quality of life, cultural enrichment and promote tourism. These projects often have ties to other CIP projects by improving access to cultural and recreational opportunities for residents and visitors.

Economic & Community Development – Improve the City’s infrastructure systems, encourage the City’s continued economic vitality, and preserve and enhance the City’s taxable real estate base. These projects may provide funds for public infrastructure improvements designed to enhance and support private sector investments in a variety of neighborhood and commercial areas of the City.

Education – Enhance the educational infrastructure of the City to improve instructional service delivery. These projects are most likely to be school related activities, but can be any educational capital-type project. This area would include construction projects to improve, replace, and/or build new elementary, middle, and high school facilities. Related funds for acquisition of property and designs are also included.

Public Safety – Enhance the City’s public safety related infrastructure by providing adequate maintenance and construction of new and updated facilities.

Transportation – Improve the City’s roadway infrastructure system and satisfy the Commonwealth of Virginia’s mandate regarding the Urban Roadways Program. This would encompass improvements to primary and secondary vehicular passageways, bridges, sidewalks, street lighting, signalizations, safety, and other street and/or highway related projects.

City Equipment & Other – Usually, activities of this category are special in nature and do not fall within the other defined categories of the CIP Budget.

Non-General Fund (Utility) Supported Projects:

Gas Utility – Improve the City’s gas infrastructure system and perpetuate the City’s economic vitality.

Stormwater Utility – Improve the City’s stormwater infrastructure system, including miscellaneous drainage improvements, system repairs and rehabilitation, system cleaning and drainage studies in neighborhoods citywide.

Wastewater Utility – Improve the City’s wastewater infrastructure system, including the operation and maintenance of collection sewers, pump stations, and sewer force mains.

Water Utility – Improve the City’s water infrastructure and perpetuate the City’s economic vitality.
**Project Information**

**Capital Improvement Program Funding Sources** – Lists the sources of revenue the City uses to fund capital projects.

**Capital Improvement Program Uses of Funds** – Lists the projects adopted in the first year of the five-year plan.

**Capital Improvement Program Five-Year Program Summary** – A summary of the five-year plan including all projects planned and/or approved in the adopted year and the four planned years.

**Project Detail by Project Category** – Projects shown on the five-year plan are listed individually with a description, history and key milestones, and a detailed financial breakdown,

**Project Title** – Provides a descriptive name for the project.

**Category** – Identifies the category in which the project is grouped.

**Focus Area** – Identifies which focus area(s) the project supports. The following acronyms/abbreviations are utilized for each respective Focus Area: Unique, Healthy and Inclusive Communities and Neighborhoods (UHICN); Economic Growth (EG); Community Safety and Well-Being (CSWB); Transportation (Trans.); Education and Workforce Development (EWD); Sustainability and the Natural Environment (SNE); and Well-Managed Government (WMG).

**Location** – Identifies the physical location of the project by council district. For generalized projects impacting all council districts the location is identified as “Citywide”.

**Est. Completion Date** – The date by which the project is expected to be completed.

**Department** – Identifies the City department that functions as the key liaison for the project.

**Service** – Identifies a specific work function or combination of activities that is performed in support of a department, program, project or organizational unit.

**Fund** – Identifies the fund supporting the project, such as the general fund or the water utility fund.

**Project (#) Number** – Identifies the financial account the City uses to track project expenditures.

**Description & Scope** – Provides a brief and informative description of the project.

**Purpose** – Provides a brief and informative description of the purpose the project serves.

**History & Key Milestones** – Provides a brief and informative overview of the project’s history and key milestones that will be used to measure the progress of the project.

**Financial Summary** – The financial summary provides detailed information on the amounts appropriated for the project. This section includes the following:

- **FY 2014 Adopted** – Indicates the Adopted amounts for the project. Amounts listed in FY 2015 – FY 2018 are planned amounts for the project in the upcoming years.

- **FY 2013 Adopted** – Indicates amounts which were approved for the project when the budget was authorized in the previous fiscal year.

- **Operating Budget Impact** – Indicates an on-going operating budget expense once the project is complete. These expenses will not be paid from the capital budget.
• Prior Year Funding – Indicates the dollars previously contributed to this project through previous budget appropriations.

• Prior Year Available – Indicates the portion of funding remaining from the prior year funding as of January 31, 2013.

• Remaining Need – Indicates the additional amount of capital funding needed to complete the project beyond the prior year funding, and the sum of the five-year Adopted funding.

• FY 2014 Budget Distribution – Amounts indicated are a projection of how funds will be spent in the first year of funding.

• TBD: A “To be Determined” (TBD) is a placeholder and used for projects that have been identified as priorities based on the City’s guiding principles and project areas. Costs for these projects will be determined at a later time. These TBD costs may be located in either the first year of the FY 2014 budget year or in the out-years of the five-year CIP.

**Operating Impact of Major CIP Projects**

The imminent impact of a capital improvement program project on the operating budget is a key factor in considering the inclusion of a project in the five-year plan. The operating costs of a project, and any savings resulting from the project, are captured in the Operating Budget. The City carefully considers all potential operating impacts before including a project in the five-year plan. These considerations are also included in the City’s five-year forecast.

**SERVICE:** FACILITIES MANAGEMENT

**LOCATION:** CITYWIDE  
**FUND:** 040

**EST. COMPLETION DATE:** FY 2016  
**PROJECT #:** 230-8140

**DESCRIPTION & SCOPE:** This project replaces the existing electrical systems and installs and upgrades the emergency lighting (egress lighting system) in City Hall. This project also includes improvements to the S-buss, panels, gears, and other electrical systems in the building.

**PURPOSE:** To maintain the function and operational efficiency of City Hall by prolonging the useful life of the building and systems.

**HISTORY & KEY MILESTONES:** Through FY 2011, fifty percent of the Standby (Emergency) Electrical Power (SEP) system has been replaced. The generator and switch gear were installed in 2008 through 2011. The adopted and future allocations will fund the continued replacement and upgrade of the SEP distribution system.

**EST. COMPLETION DATE:** FY 2016

**DEPARTMENT:** PUBLIC WORKS  
**SERVICE:** FACILITIES MANAGEMENT  
**FUND:** 040  
**PROJECT #:** 230-8235

**DESCRIPTION & SCOPE:** This project will provide funds for the design, renovation, and construction of office space throughout City Hall. All available funding will be used to make enhancements that are designed to improve public safety and security, customer service, or government efficiencies. Many of the improvements will be implemented to facilitate major building system upgrades in City Hall.

**PURPOSE:** To maintain the function and operational efficiency of City Hall by prolonging the useful life of the building and systems. Space utilization is a major concern and using the building to optimum efficiency is of major importance.

**HISTORY & KEY MILESTONES:** Many of the floors have not been renovated or remodeled since the building was constructed. The renovation project will be completed in four phases: Phase 1: Space Study; Phase 2: Floor Plan Design; Phase 3: Construction Planning; and Phase 4: Construction.

CUSTOMER RELATIONSHIP MANAGEMENT (CRM) PROGRAM

DESCRIPTION & SCOPE: The Adopted citizen relationship management (CRM) system will replace and/or integrate the City's current systems (Citizens’ Request System and SeeClickFix) with a modern Customer Relationship Management solution. The CRM Solution will establish a single door or portal for citizen inquiry via the Internet, improve the execution of customer requests internally across functional areas and allow for detailed analytics around requests, and provide an easily searchable database that provides citizens, call center staff, and others with detailed information about City services and activities.

PURPOSE: To modernize the City’s citizen interaction systems and capabilities, and provide Tier 1 Customer Relationship Management capabilities.

HISTORY & KEY MILESTONES: The CRM will be implemented utilizing a phased approach. Phase 1 will begin during FY 2013 and will include the departments of Finance, Public Utilities, Public Works, Social Services, and Planning & Development Review. Additional phases will be scoped and scheduled.

**PROJECT #:** 130-8122

**DESCRIPTION & SCOPE:** In late 2011, the department commissioned a campus study of the entire property at the City’s Ann Hardy Plaza Community Center located at 3300 First Avenue. The study addresses the development of a plan for the entire park and recreation amenities and areas. Included in this plan are minor renovations to the existing center, as well as renovations and various improvements to the property. Phase I of the Campus Plan includes an expanded parking area, additional lighting, new basketball court, splash pad, walking trail, new landscaping and beginning renovations to the community center building. Phase II will include additional site improvements and building upgrades.

**PURPOSE:** To improve the Ann Hardy Plaza Community Center facility by implementing the renovations and improvements identified in the campus study.

**HISTORY & KEY MILESTONES:** A consultant was obtained in Fall 2012 to prepare construction documents for Phase I development. Phase I improvements will be bid before the end of FY 2013.

Cemetery Improvements

**Category:** Culture & Recreation
**Focus Area:** UHICN
**Location:** Citywide
**Est. Completion Date:** Ongoing

**Description & Scope:** This project provides for the installation and repair of curbs and gutters, retaining wall repairs, building repairs, and major site improvements in City-owned cemeteries.

**Purpose:** This project allows for the future development of cemeteries by providing surveys and layout of new sections for burials. It will also allow for the improvements to be made on a priority basis as conditions are identified.

**History & Key Milestones:** Other than roadway paving, no substantial surface work to cemetery amenities has been performed for 25 years. This project will increase revenues and reduce operating costs associated with emergency maintenance. The structural components of the City’s cemeteries adversely impact the ability of the City to compete for the internment business.

**Description & Scope:** The Community Schools, Parks & Libraries project provides funds for the development and implementation of joint, multi-purpose facilities.

**Purpose:** To implement joint, multi-purpose facilities that leverage the assets of schools, libraries, parks and recreational facilities in order to provide a full service facility to communities throughout the city at a lower cost.

**History & Key Milestones:** This project was initially adopted in the FY 2011 five-year capital plan. Community meetings were conducted in early FY 2011 to identify which facilities should be considered for multi-purpose utilization and which services community members would most like to see implemented in the facilities. The City’s four new schools will be the first to leverage these funds.

HISTORIC FULTON COMMUNITY MEMORIAL PARK

CATEGORY: CULTURE & RECREATION
FOCUS AREA: UHICN
LOCATION: 7
EST. COMPLETION DATE: FY 2016

DEPARTMENT: PARKS & RECREATION
SERVICE: PARKS MANAGEMENT
FUND: 040
PROJECT #: 130-8447

DESCRIPTION & SCOPE: The purpose of this project is to build a new park in the Fulton community.

PURPOSE: To convert the plot located at 611 Goddin Street into a mini park memorializing the Fulton Bottom neighborhood.

HISTORY & KEY MILESTONES: Parks & Recreation, in cooperation with the residents of the Fulton Area, has been working on a plan to improve a small triangular parcel into a park dedicated to the memory of the once-vibrant Fulton Bottom neighborhood. The preliminary design has been accepted by the department and the neighborhood and incorporates many design features that describe and interpret the unique history of this important part of the city.

The park is a reflection of the desire of the neighborhood to remember their past and celebrate their future. No new park areas have been constructed in more than 20 years.

**EST. COMPLETION DATE:** FALL 2014

**DEPARTMENT:** PUBLIC WORKS  
**SERVICE:** CULTURAL SERVICES  
**FUND:** 040  
**PROJECT #:** 230-8238

**DESCRIPTION & SCOPE:** This project provides major improvements to the Landmark Theatre, including life and safety, performance and performer, and patron area upgrades and renovation throughout the facility. Design work is currently underway with a phased construction plan beginning in Spring 2012 and targeted for overall completion in Fall 2014. The overall project is being developed and implemented by the Richmond Performing Arts Center (RPAC), with a projected overall project cost of $60,000,000 including City funding of $14,000,000.

**PURPOSE:** To provide an updated and high quality entertainment facility with large seating capacity so that major national shows and performances will come to Richmond.

**HISTORY & KEY MILESTONES:** The Landmark Theatre was built in the late 1920s. Although it has been through several renovations, it is still in need of critical upgrades and major renovations in order for it to be a viable entertainment facility for Richmond and to effectively complement the Richmond CenterStage facility. Recent successful Broadway shows at the Landmark Theatre, such as Wicked and The Lion King, confirmed that major Broadway shows will come to Richmond and that Richmond area citizens will support such entertainment.

**FUND:** 040  
**PROJECT #:** 230-8135

**DESCRIPTION & SCOPE:** This project provides for replacement of the roof and correction of building systems to properly manage environmental conditions in the Special Collections Room of the Main Library.

**PURPOSE:** To replace the roof, which will address widespread leaking that has damaged ceilings and walls of the building interior and placed valuable library materials at risk, and address environmental conditions in the Special Conditions Room, which result from the proximity of steam pipes causing high temperatures in the winter and deficient cooling that causes high humidity in the summer.

**HISTORY & KEY MILESTONES:** The current roof is the original roof from the 1972 construction and is well beyond its design life. Roof leaks have been patched for a long period of time. The design for the roof replacement was project was completed in FY 2013. The environmental conditions in the Special Collections Room, which houses a valuable collection of children’s literature spanning English language writers from the 18th century forward, need to be addressed for the long-term preservation of these materials.

MONROE PARK – RENOVATIONS AND RESTORATION

CATEGORY: CULTURE & RECREATION
FOCUS AREA: UHICN
LOCATION: 2
EST. COMPLETION DATE: FY 2016

DEPARTMENT: PARKS & RECREATION
SERVICE: PARKS MANAGEMENT
FUND: 040
PROJECT #: 130-8117

DESCRIPTION & SCOPE: This project renovates and restores Monroe Park, incorporating design plans based on the Monroe Park Master Plan. Improvements include, but are not limited to, public park infrastructure improvements such as lighting, roadways and walkways, as well as utility updates for improved stormwater drainage.

PURPOSE: To continue to support the renovation and restoration of the park area, leveraging grants and donations.

HISTORY & KEY MILESTONES: Established by City Council action in 1851, Monroe Park is the oldest park in the City. Beginning in 2006, the City, working in close affiliation with the Monroe Park Advisory Council, developed the Monroe Park Master Plan. Funding previously appropriated to Monroe Park was used for various park improvements and for the development of construction documents. The FY 2014 – FY 2018 planned appropriations fund the continuation of the park improvements described in the scope of work above.

NEIGHBORHOOD PARK RENOVATIONS

DESCRIPTION & SCOPE: This program provides for urgent and safety related renovations in the City’s neighborhood parks and play fields. This project also funds major building renovations and site improvements as necessary.

PURPOSE: To provide funding to improve the City’s numerous neighborhood parks, ensuring safe and functional play equipment, hard surface areas, lighting, fencing, backstops, restrooms, park houses, park amenities, and green space, including turf reconditioning and grading. Included in the funding for FY2014 is $10,000 for access improvements at Battery Park.

HISTORY & KEY MILESTONES: During the past three fiscal years, improvements have included upgrading and replacing playgrounds at neighborhood park sites, and upgrades to tennis and basketball courts and ball fields throughout the City of Richmond.

**PROJECT #:** 130-8115

**DESCRIPTION & SCOPE:** The Department maintains and operates approximately 35 buildings as well as numerous neighborhood parks and facilities. Diverse and ranging in scale, many of these facilities have had costly renovations and require on-going maintenance. The project will decrease the need for costly major renovations and reduce the possibility of closing facilities for public use due to neglected maintenance.

**PURPOSE:** To repair, improve, and maintain the City’s existing parks and recreation building facilities.

**HISTORY & KEY MILESTONES:** This project has historically funded significant maintenance, repairs, and improvements to each of the City’s parks and recreation facilities. Past improvements include the Bellemeade Community Center expansion in 2007, roof replacements at Bellemeade and Humphrey Calder Community Centers, and HVAC replacements at Hickory Hill and Bellemeade Community Centers.

**DEPARTMENT:** PARKS & RECREATION  
**FOCUS AREA:** EG, UHICN  
**SERVICE:** CULTURAL SERVICES  
**LOCATION:** CITYWIDE  
**PROJECT #:** 130-8131

**DESCRIPTION & SCOPE:** This project provides for the commissioning and placement of works of art at a wide range of public facilities throughout the City. The program calls for 1% of qualifying capital construction/improvement moneys to be earmarked for public art. Through a citywide, regional, or national call to artists, proposals will be sought for public art projects to enhance and beautify the Adopted sites.

**PURPOSE:** To enrich the social and physical environment of public facilities throughout the City. Recreation sites, public swimming pools, community centers, and parks are ideal locations for art beautification projects because they best serve people’s need for socializing and humanizing experiences. Qualifying projects to be completed in future years include the Southside Community Center, the New Dove School, the design and construction of four new schools, and the new Justice Center, and 1% of the qualifying appropriations for these projects have been included in this budget. As part of these appropriations, public art can also be placed in other areas of the City to attract tourism. Artworks in this project include a Maggie Walker Statue and an Emancipation Memorial.

**HISTORY & KEY MILESTONES:** This project was last funded in FY 2009.

SOUTHSIDE COMMUNITY CENTER

DESCRIPTION & SCOPE: This project provides for the construction of a Southside Community Center which will be located in the Ninth Council District. Optimally, the center will include a gymnasium, multi-purpose space, kitchen, computer lab, restrooms, and equipment storage areas. Preferably, the facility will be complimented by existing outdoor sporting venues which could include baseball/softball fields, a soccer field, tennis courts, a basketball court, play equipment, or picnic areas. A site within the existing athletic complex will provide sufficient area to expand the Adopted facility in the future.

PURPOSE: To construct a facility that will provide year-round recreational opportunities to area residents who currently do not have an adequate facility to meet their needs. The community center will provide needed programmable activity space for youth programs including after-school programs, tutorial assistance, teen programs, summer playground and camps, summer USDA food programs, and arts, crafts, and cultural programs. The center would also provide needed space for senior programs and community and family events.

HISTORY & KEY MILESTONES: FY 2014 is the first year in which the project has been funded.

### Swimming Pools Projects

**Category:** Culture & Recreation  
**Focus Area:** UHICN  
**Location:** Citywide  
**Est. Completion Date:** Ongoing

**Description & Scope:** This project consists of extensive repairs and renovations to the City’s outdoor and indoor swimming pools. The repairs and renovations will include the pool house, equipment room and all associated equipment, pool deck, pool tank, and lifeguard equipment.

**Purpose:** To provide updated equipment for the lifeguards as well as an aesthetically pleasing environment for participants and staff.

**History & Key Milestones:** Because of the corrosive nature of swimming pools, their high use and associated vandalism of these facilities, it is becoming imperative that renovations be scheduled at pool locations to address deterioration. Currently underway is a major engineering project to renovate the Battery Park and Blackwell pools. The Fairmount Pool renovation is substantially completed, and the pool will open for the 2013 season. Major improvements, primarily upgrades to the HVAC system, are also required at the Swansboro Natatorium. Additional funding will assist in addressing future needs and improvement at these and other sites, including the introduction of spray pad facilities.

Franklin Streetscape – 14th Street to 18th Street

**Category:** Economic & Community Development  
**Focus Area:** EG, Trans.  
**Location:** 6  
**Est. Completion Date:** July 2015  
**Department:** ECD, Public Works  
**Service:** Tourism Services  
**Fund:** 040  
**Project #:** 291-8369

**Description & Scope:** This project provides streetscape improvements to Franklin Street in Shockoe Bottom from 14th Street to 18th Street, including cobblestone streets, brick sidewalks, brick crosswalks, decorative street lights, trees, and the undergrounding of utilities. This project will be done in two phases: Phase I (15th to 17th Street) and Phase II (14th to 15th Street and 17th to 18th Street). Phase I is estimated to cost $2.5 million; Phase II is estimated to cost $1.7 million.

**Purpose:** This project is in accordance with the Shockoe Economic Revitalization Strategy plan to begin phased improvements in the east area of Shockoe Bottom. The project will be implemented to support the 2015 UCI World Cycling Championship, Farmers’ Market Development Plan, and Main Street Station Phase III project.

**History & Key Milestones:** The business association of Shockoe Bottom has met with City officials to discuss historic revitalization and infrastructure upgrades to the area. The Franklin Street opening through the Main St. Station building is a part of the Main Street station project funded with federal funds. Utility relocations and conflicts will be coordinated with the Department of Public Utilities.

NEIGHBORHOODS IN BLOOM

DESCRIPTION & SCOPE: The project supports ongoing revitalization efforts, enhancing pedestrian and vehicular safety, and funding infrastructure projects such as sidewalks, curbs, lighting, and street improvements in targeted areas of the City. Specific areas targeted for improvements during FY 2014 – 2018 include the area between the 1300 block of N. 26th Street and N. 27th Street, First Avenue between Trigg Avenue and Second Avenue, Matthew Heights, and the 1200 block of Catherine Street.

PURPOSE: To provide infrastructure investment in select neighborhoods in order to increase neighborhoods attractiveness to private investments and create opportunities for residential development.

HISTORY & KEY MILESTONES: Significant progress has been made in the Neighborhoods in Bloom program. It has generated significant private investment and added to the City’s tax base. The FY 2014 Adopted and planned appropriations will fund continued improvements throughout targeted areas of the City.

**Location:** 7  
**Est. Completion Date:** FY 2014  
**Department:** Economic & Community Development  
**Service:** Housing & Neighborhood Revitalization  
**Fund:** 040  
**Project #:** 500-8315

**Description & Scope:** This project supports the redevelopment work underway in the Nine Mile Road/25th Street corridor. Blighted properties are being acquired for demolition or rehabilitation to improve safety and other conditions in the area.

**Purpose:** To address the negative impact on neighborhood change and public safety created by the blighted properties in the corridor. A re-use strategy of residential and commercial development will be followed.

**History & Key Milestones:** A major planning initiative created a vision and strategy to address blight in these corridors. These activities are consistent with that strategy.

PUBLIC HOUSING TRANSFORMATION

**CATEGORY:** ECONOMIC & COMMUNITY DEVELOPMENT  
**DEPARTMENT:** ECONOMIC & COMMUNITY DEVELOPMENT  
**FOCUS AREA:** UHICN, EG  
**LOCATION:** 6  
**EST. COMPLETION DATE:** ONGOING

**DESCRIPTION & SCOPE:** The City and RRHA will partner with private developers to redevelop severely distressed public housing complexes in Eastview (Whitcomb Court and Mosby Court (northern, central, and southern sections)) and the East End area (Creighton Court and Fairfield Court). This multi-year, multi-phased project will initially concentrate on construction of approximately 1,400 new residences in mixed-use, mixed-income communities consisting of market rate and affordable rental and for-sale residences as well as retail, commercial, educational, and recreational amenities. The project is estimated to cost at least $240 million, with the City’s investment leveraging other non-City funding at a ratio of 1:50, minimum.

**PURPOSE:** To improve the overall quality of life for local residents, de-concentrate poverty, and stimulate private investment in the East End and Eastview neighborhoods through comprehensive revitalization of blighted public housing in these areas.

**HISTORY & KEY MILESTONES:** Based upon input from neighborhood residents, review of national models, and guidance from officials within the U.S. Department of Housing & Urban Development, City planners and economic developers have concluded that a robust public housing eradication strategy must be undertaken to fully restore the East End and Eastview neighborhoods.

**PROJECT #:** 210-8132

**DESCRIPTION & SCOPE:** This project funds the first phase of implementation of the recently adopted Riverfront Master Plan. The Riverfront Master Plan outlines the means to create a unified, cohesive system of open space that will provide enhanced recreational opportunities, improve linkages to and from the river (particularly for pedestrians, bicyclists, and individuals with mobility needs), and support and spur economic and neighborhood development near the James River.

**PURPOSE:** The provision of open spaces for recreational activities and entertainment not only provides amenities for citizens throughout the City - it also increases the value of nearby properties, encouraging investment and development. A riverfront park system would connect existing public spaces (such as Brown’s Island, Ancarrow’s Landing, Belle Isle, the Canal Walk, and the Capital Trail) with new public spaces (including the Manchester area, Lehigh, and Mayo’s Island), creating a world-class urban recreation system.

**HISTORY & KEY MILESTONES:** This project was first funded in the FY 2013 capital project budget.

**DESCRIPTION & SCOPE:** This project will provide a plan for converting the Farmers’ Market space into a more flexible public open space and the construction funds to develop the basic space. Site improvements will include removal of existing structures, resurfacing of the plaza, and repositioning and extension of the sidewalks and associated storm drainage and utilities. The FY 2014 request is for undergrounding overhead utilities that must be timed with the construction of the Phase I Shockoe Promenade and Urban Square project.

**PURPOSE:** To remove the existing Farmers’ Market structure, complete Phase I of the Shockoe Promenade, link the restored train concourse to the surrounding neighborhood, provide public open space, and spur future private development.

**HISTORY & KEY MILESTONES:** The Shockoe Economic Revitalization Strategy identified this project as a catalyst for new investment and businesses in the neighborhood.

### Dove School

**Category:** Education  
**Department:** Richmond Public Schools  
**Focus Area:** CSWB, EWD  
**Location:** 6  
**Est. Completion Date:** Ongoing  

#### Description & Scope
This project funds the design and construction of a high-performing Science, Technology, Education and Math (STEM) school that will serve students from pre-K through 5th grade in the Dove Street Revitalization area, and will replace the outmoded Overby Sheppard Elementary school.

#### Purpose
The Adopted STEM school will help ensure favorable outcomes for the area’s current and future young residents.

#### History & Key Milestones
The City of Richmond, Richmond Redevelopment and Housing Authority and Richmond Public Schools are collaborating on a 300-unit $100 million comprehensive revitalization of the Dove Street public housing site in Highland Grove with rental and for sale housing opportunities for families of virtually every income level. Based upon a rigorous review of best practices-centered economic revitalization initiatives from around the country, the Adopted school is an integral part of this redevelopment effort.

**FOCUS AREA:** CSWB, EWD  **SERVICE:** Facilities Management

**LOCATION:** Citywide  **FUND:** 040

**EST. COMPLETION DATE:** Ongoing  **PROJECT #:** 780-8105

**DESCRIPTION & SCOPE:** This project provides for renovations and upgrades to various High School Athletic Facilities in the City. Renovations may include locker room upgrades, construction/renovations of bleachers and seating, lighting for night activities, and other upgrades to facilities to provide a suitable venue for athletic events. City Council approved an amendment for this project in FY2014 to provide for site upgrades and improvements at Thomas Jefferson High School athletic facilities.

**PURPOSE:** There are needs to bring athletic facilities up to standards required by the level of field events performed by students of Richmond Public Schools and other neighborhood school programs. The upgrading of these facilities will bring them up to required standards and regulations.

**HISTORY & KEY MILESTONES:** This specific project was last funded in FY1996, but has been supplemented with additional appropriations in the School Capital Maintenance project 780-8111 since that time.

PROJECT #: 780-8111

DESCRIPTION & SCOPE: This project provides improvements to maintain and upgrade the City’s educational facilities. Improvements include: replacement of cooling towers, boilers, rooftop and air handling units; the addition of energy efficient lighting; upgraded power infrastructure to support modern technology; replacement of roofs, asbestos flooring, ceiling tiles, and single-pane windows; and replacement and repair of asphalt surfaces, playgrounds, and running tracks.

PURPOSE: To maintain a learning environment that supports the highest quality educational standards available to the students of the City of Richmond. Additionally, these projects will improve the function and operational efficiency of over 60 school facilities, thereby prolonging the useful life of their structures and systems.

HISTORY & KEY MILESTONES: Through FY 2013, this project has provided numerous improvements to building and facilities throughout the school system, including, but not limited to: roof repairs and replacement, boiler and cooling tower repair and replacement, HVAC repair and replacement and electrical modifications to enable the buildings to support changing information technology infrastructure. FY 2014 Adopted and planned funding will continue to fund similar projects in the future.

NOTES:
SCHOOL PLANNING & CONSTRUCTION

DESCRIPTION & SCOPE: This project funds the design and construction of four new schools: Broad Rock Elementary School, Oak Grove Elementary School (this project includes renovation and expansion of the Bellemeade Community Center), Martin Luther King, Jr. Middle School and Huguenot High School. Combined, these four schools will serve approximately 3,500 Richmond students.

PURPOSE: To replace four existing school facilities with modern facilities that will also serve as assets to the community at large.

HISTORY & KEY MILESTONES: The schools selected for replacement date back as far as 1937. As of FY 2013, designs are complete and primary construction contracts are underway on all four school projects. The elementary schools are designed for a capacity of 650 students each and openings are planned for January 2013. The new middle school is designed for 800 students and the new high school is designed for 1,400 students with openings planned for January 2014 and January 2015 respectively. All new schools will incorporate community facilities and will achieve LEED Silver or better certifications.

**DESCRIPTION & SCOPE:** This project provides funding to upgrade and modernize the Richmond Technology/Vocational School.

**PURPOSE:** To maintain a learning environment that supports the highest quality educational standards available to the students of the City of Richmond. Additionally, this project will fund the coordinated development and modernization of the existing facility into a state-of-the-art technology/vocational career development and retraining school for the City. Facility improvements will be focused on successful career training for high school students and adults to better support local business workforce requirements.

**HISTORY & KEY MILESTONES:** Initial funding in FY 2009 and FY 2010 was provided for project evaluation and design. Additional funds for physical improvements were provided in FY 2011. In FY 2012 a grant was received to study the feasibility of creating a Center for Arts and Technology. Municipal planning to implement the recommendations of the study is expected to be conducted in FY 2014.

800 MHz Radio System Update
AND Equipment Replacement

**Description & Scope:** This project funds the coordinated updates to and replacement of the City’s existing 800 MHz radio system and collocation of Public Safety Communications to the 911 Center.

**Purpose:** To upgrade and replace wireless communications equipment that will address the City’s public safety communication needs as the current 800 MHz system reaches the end of its useful life. Replacement of the existing unsupported equipment will result in the City of Richmond’s ability to provide mission critical voice and data communications to its public safety users. This also includes the collocation of the Public Safety Communications to the 911 Communications area to better support dispatch operations at Hopkins Road.

**History & Key Milestones:** The current radio network was purchased in the late 1990s as part of a regional initiative to improve regional cooperation and interoperability among Richmond-area public safety users.

**DESCRIPTION & SCOPE:** The Richmond Police Department requests a new canine office & community complex to replace the current, dilapidated canine facility. A new office and training complex, located on the current canine grounds, will serve as an integral component of the City’s comprehensive plan for a Tier One City under the focus area of Community Safety and Well-Being.

**PURPOSE:** To design and construct a contemporary police canine office and community complex, which provides safe and healthy accommodations for a diverse workforce, addresses compliance issues and maintains the function and operational efficiency of the building and systems. The FY2014 and FY2015 appropriations are for the study, Planning and Design of a new facility.

**HISTORY & KEY MILESTONES:** The Richmond Police Department Canine Unit moved into the former prison cannery and storage facility in 1965. The current building has significant operational deficiencies and substantial ongoing facilities maintenance problems. The canine office building has deteriorated to the point where it is a difficult environment for employees.

CITY JAIL

DESCRIPTION & SCOPE: This project will replace and upgrade critical building systems at the City Jail, including the electrical system, egress lighting, freight elevator system, sprinkler system, fire alarm system, cooling system, and plumbing system.

PURPOSE: To maintain the function and operational efficiency of the City Jail.

HISTORY & KEY MILESTONES: Construction of the current City Jail was completed in 1965. The age of the current facility presents serious operating and infrastructure maintenance problems. Thirty percent of the mechanical piping systems has been replaced; continued funding is required to complete the project.

The process for design and construction of a new City Jail facility is underway. However, replacements of and upgrades to building systems of the current facility are needed to meet code requirements and maintain operational functionality of the current facility until construction of the new facility is completed.

PROJECT #: 230-8221

DESCRIPTION & SCOPE: This project includes the design and construction of a comprehensive new City Justice Center at the existing City jail site. The project was awarded to the Tompkins Ballard Joint Venture utilizing the Public-Private Education and Infrastructure Act (PPEA) process. A notice to proceed was issued on August 22, 2011.

PURPOSE: To provide a modern and comprehensive Justice Center facility that is properly sized for City jail population requirements. There is current overcrowding in the existing facility with the average daily population ranging from 1,300-1,500 inmates. The age of the current facility presents difficulties in operating and maintaining the infrastructure.

HISTORY & KEY MILESTONES: Construction of the current City Jail was completed in 1965 with a 100 bed women’s addition in 1992 providing an overall rated capacity of 882 beds. The City has received approval from the State Department of Corrections to proceed with the improvement project. The PPEA process for design/build delivery of the project was utilized. Construction is estimated to be completed by October, 2014.

**Notes:**
OLIVER HILL COURTS BUILDING

DESCRIPTION & SCOPE: This project provides repairs, improvements, and renovations/expansion to the Oliver Hill Courts Building. The scope of work includes installation of additional security cameras and DVR (both indoors and outdoors), drug testing room, new access control system, reconstructed main entrance, vehicle intrusion barriers, panic alarms, additional ballistic-resistant windows, and a new roof.

PURPOSE: To maintain the function and operational efficiency of the Oliver Hill Courts Building by prolonging the useful life of the building and systems.

HISTORY & KEY MILESTONES: This project has been minimally funded since 2003 when Public Works, the Sheriff’s Office, and the Juvenile and Domestic Relations Court began collaborating to prepare funding requests. Recent CIP requests have proactively attempted to address: (1) future planning for the roof and HVAC systems that have surpassed or soon will reach the end of their useful lives, (2) insufficient and inefficient interior space and exterior parking, and (3) significant courthouse security concerns as supported by documentation by an independent consultant and numerous assessments over a 15-year period.

**EST. COMPLETION DATE:** FY 2016  
**DEPARTMENT:** PUBLIC WORKS  
**SERVICE:** EMPLOYEE TRAINING & DEVELOPMENT  
**FUND:** 040  
**PROJECT #:** 230-8303

**DESCRIPTION & SCOPE:** This project addresses remediation and site improvements of the existing Police outdoor firing range in Caroline County. This site has years of build-up related to contamination and requires remediation of all such materials and/or hazards. Once the site is cleaned, a new training facility and range would be required to meet the Police Department’s training programs.

**PURPOSE:** To remediate contamination at and maintain the function and operational efficiency of the outdoor firing range facility.

**HISTORY & KEY MILESTONES:** The firing range has been in use since the 1960s and was purchased “as is” several years ago. Remediation of contamination at the site is required and the Department of Environmental Quality is providing guidance and direction. The project will be completed in four phases: Phase 1: Site evaluation and testing; Phase 2: Site remediation and clean up; Phase 3: Design of a new facility; and Phase 4: Construction of a new firing range. Studies for Phase 1 and Phase 2 are underway and an architect is under contract for Phase 3.

RAA BUILDINGS AND PROPERTY IMPROVEMENTS

**DESCRIPTION & SCOPE:** This project will provide renovations to existing City-owned buildings utilized by the Richmond Ambulance Authority (RAA) at 2400 Hermitage Road. Renovations will address the remediation of health, safety, and building code issues. Adopted renovations include extending the ambulance canopy, adding a walkway and rear canopy, extending the existing parking lot and addressing drainage issues, HVAC improvements in the vehicle bay and improving a decontamination restroom, and expanding the generator’s fuel tank.

**PURPOSE:** To address the remediation of health, safety, and building code issues at the City-owned buildings utilized by RAA.

**HISTORY & KEY MILESTONES:** RAA submitted this project to adhere to the requirements guiding ambulance service and to address the need of a properly designed decontamination restroom and shower for its employees. The addition of a walkway and rear canopy was removed from the original design of the building as a cost saving measure. Extending the parking lot in the rear of the operations building would address parking issues and drainage issues. Expanding the generator’s fuel tank would allow for longer emergency power service during natural disasters.

INFRASTRUCTURE IMPROVEMENTS

CATEGORY: TRANSPORTATION
FOCUS AREA: TRANS.
LOCATION: CITYWIDE
EST. COMPLETION DATE: JUNE 2015

DEPARTMENT: PUBLIC WORKS
SERVICE: INFRASTRUCTURE MANAGEMENT
FUND: 040
PROJECT #: 291-8370

DESCRIPTION AND SCOPE: This project provides infrastructure improvements along the Adopted routes for the 2015 World Road Cycling Championship in Richmond. The infrastructure improvements will consist of installing new sidewalks, crosswalks, streetscape, signs, traffic signals pavement markings, and gateway and corridor improvements.

PURPOSE: To enhance the Adopted routes serving cyclists and visitors in preparation of the 2015 World Road Cycling Championship, thereby providing an increased safety and operating environment for cyclists.

HISTORY & KEY MILESTONES: Richmond, Virginia has been selected to host the 2015 Road World Cycling Championships. Hosting the World Championships will help bring Richmond one step closer to being one of the world’s great bicycling cities. It is anticipated that 2015 World Championships would generate more than $135 million for the Richmond area and would attract nearly 500,000 onsite spectators. For FY 2014, the City has matching revenue sharing funds.

2ND STREET CONNECTOR ROAD

**Category:** Transportation  
**Focus Area:** EG  
**Location:** 5  
**Est. Completion Date:** March 2013  
**Department:** Economic & Community Development  
**Service:** Infrastructure Management  
**Fund:** 040  
**Project #:** 291-8371

**Description and Scope:** Design and construction of a new connector road from 2nd Street to Tredegar Street. This project is collaboration between three entities: Dominion Resources (construction of roadway), New Market Corporation (land for the right-of-way), and the City of Richmond (ownership/maintenance of the right-of-way upon completion of construction and dedication of the right-of-way). The City has agreed to reimburse Dominion Resources for 50% of the road construction costs and design costs, plus the cost of the open bottom culvert crossing the Kanawha Canal bed. The City’s share of the costs will be reimbursed to Dominion Resources over a six year period starting with an initial payment of $385,000 in FY 2013 to cover the cost of the culvert’s construction that crosses the canal and then in annual equal payments of $106,328 for the remaining five years beginning in FY 2014 and ending in FY 2018.

**Purpose:** The project will provide new access from 2nd Street to Tredegar Street for businesses on the Riverfront, for emergency fire and EMS services and for recreational users.

**History & Key Milestones:** This property was identified as a future development area in the Downtown Master Plan adopted in 2009 and in a Memorandum of Agreement dated April 28, 1995 between the City of Richmond and Ethyl Corporation.

BIKE SHARROWS/LANES

**CATEGORY:** TRANSPORTATION  
**FOCUS AREA:** TRANS.  
**LOCATION:** CITYWIDE  
**EST. COMPLETION DATE:** JUNE 2015

**DEPARTMENT:** PUBLIC WORKS  
**SERVICE:** PEDESTRIANS, BICYCLES, & TRAILS  
**FUND:** 040  
**PROJECT #:** 290-8222

**DESCRIPTION & SCOPE:** This project includes the design and construction of shared lane markings (sharrows) along selected corridors in the City. It also includes a bike boulevard on Floyd Avenue between Dooley Avenue to Laurel Street for 24 blocks. Floyd Avenue will be converted to give priority to bicycles through the installation of residential circles and other road diet measures.

**PURPOSE:** “Sharrow” pavement markings will enhance safety for all transportation users as the City encourages increased bicycle usage.

**HISTORY & KEY MILESTONES:** The “Sharrow” pavement markings were first installed in 2011, and continue to receive support by incorporating bicycling and walking as viable modes of transportation in the City. Previously, the project received $250,000 from the FY 2012 CIP and $550,000 from the Richmond Metropolitan Planning Organization via the Congestion Mitigation Air Quality Program (CMAQ). The three routes completed with the CMAQ funding include US Bike Route 1, the major North/South route and the major East/West route.

BIKE PARKING RACKS

**CATEGORY:** TRANSPORTATION  
**FOCUS AREA:** TRANS.  
**LOCATION:** CITYWIDE  
**EST. COMPLETION DATE:** ONGOING  
**DEPARTMENT:** PUBLIC WORKS  
**SERVICE:** PEDESTRIANS, BICYCLES, & TRAILS  
**FUND:** 040  
**PROJECT #:** 290-8023

**DESCRIPTION & SCOPE:** This project provides secure and properly located bike parking throughout the city. Bicyclists typically utilize whatever structure is available at their destination to secure their bicycles, including sign posts, light posts, trees, building handrailings, and fences. This is unsightly and often results in bicycles toppling over and creating barriers or trip hazards along sidewalks.

The Urban Design Committee (UDC) has approved a standard bike rack design that can be installed throughout the city. These racks have the benefit of flexible installation options, including on existing parking meter posts, abandoned meter posts, or installed on a concrete pad or sidewalk where no pre-existing post is located.

**PURPOSE:** To enhance conditions for bicyclists, encouraging and facilitating commuting and utility bicycle trips, and removing unsightly and sidewalk clutter and barriers resulting from bikes being locked to any available secure point.

**HISTORY & KEY MILESTONES:** Consistent with the report prepared by the City’s Pedestrian, Bicycling and Trails Planning Commission, provision of bike parking options will make key destinations throughout the city more accessible by bike and encourage people to utilize their bicycles for routine trips and commutes.

**PROJECT #:** 291-NEW

**DESCRIPTION & SCOPE:** This project is to provide ornamental lights in the Carver Neighborhood. The first year of this project will be to work with the neighborhood association(s), the councilperson and other City Agencies to determine the boundaries for the project, confirm the style of ornamental lights to be installed and identify any additional streetscape improvements required in order to install ornamental lights. The Carver neighborhood is generally defined as the area bounded by I64/95 on the north; Broad Street on the south; Belvidere on the east and Lombardy on the west. Unless existing lights in the neighborhood are removed, these improvements will result in increases to the operating costs for the Streetlight Utility.

**PURPOSE:** To restore the physical character of the neighborhood and complement other ongoing projects in the area. Streets improved with ornamental lights tend to increase public safety, stabilize property values, encourage neighborhood revitalization and enhance historic neighborhoods. This work supports efforts Focus Area 1, Unique, Healthy and Inclusive Communities and Focus Area 3, Community Safety and Well Being.

**HISTORY & KEY MILESTONES:** Hanover style ornamental lights currently exist on isolated areas of the neighborhood. These lights were installed at various times in the past with other funding sources.

COMMERCE ROAD IMPROVEMENTS

**CATEGORY:** TRANSPORTATION

**SERVICE:** INFRASTRUCTURE MANAGEMENT

**LOCATION:** 8  
**FUND:** 042

**EST. COMPLETION DATE:** OCTOBER 2016  
**PROJECT #:** 294-8181

**DESCRIPTION AND SCOPE:** This project implements improvements along Commerce Road. Specific improvements include installation of a raised center median with trees, left turn lanes, gutters, sidewalks (5 feet on the west side only), and streetlights; improvements to both connector roads under I-95; replacement of Goode’s Creek bridge; and improvements to the Commerce Road/Bellemeade Road intersection, including landscaping on both sides of the road.

**PURPOSE:** To revitalize the corridor and increase opportunities for additional commercial and industrial development. The commercial and industrial development in the area, including increased traffic to the Port of Richmond, is causing an increase in multi-axle truck traffic. The traffic exceeds the capacity of the existing two-lane roadway.

**HISTORY & KEY MILESTONES:** In 2006, the City received $5,908,000 in funding from VDOT to administer the project. This request is to transfer funds from the Route 5 Relocation Project to this project to provide funding for right-of-way and construction.

COMMONWEALTH GATEWAY LANDSCAPING IMPROVEMENTS

CATEGORY: TRANSPORTATION
FOCUS AREA: TRANS., EG
LOCATION: 2, 6
EST. COMPLETION DATE: ONGOING

DESCRIPTION & SCOPE: This project will provide landscaping improvements to the Commonwealth Gateway, from Broad Street to north of the City. Phase III provides landscaping improvements at the I-95/I-64 interchange (3rd Street/5th Street/7th Street) and will be implemented by VDOT using enhancement funds.

PURPOSE: To provide landscaping enhancements to the gateway area. The sections of I-95 and I-64 within the City of Richmond are the major gateway into the capital of the Commonwealth of Virginia. Large portions of this gateway in the downtown area have little or no roadside landscaping, resulting in an unattractive approach to the capital area.

HISTORY & KEY MILESTONES: Improvements to the I-95 and Broad Street interchange location are complete and the design of the second interchange at I-64 and Nine Mile Road is scheduled for advertisement in Spring 2013. The City of Richmond and VDOT submitted a joint application for Federal ISTEA Enhancement funds in 1993-1994 and received funding for the project.

DEEPWATER TERMINAL ROAD CONNECTOR TO GOODES STREET

CATEGORY: TRANSPORTATION  
FOCUS AREA: TRAN., EG  
LOCATION: 8  
EST. COMPLETION DATE: ONGOING  

DEPARTMENT: PUBLIC WORKS  
SERVICE: INFRASTRUCTURE MANAGEMENT  
FUND: 040  
PROJECT #: 291-NEW

DESCRIPTION & SCOPE: This project provides an access road for taller trucks and equipment to enter the Port of Richmond by extending Deepwater Terminal Road .69 miles north to Goodes Street. This two lane road extension will require utility relocations and right-of-way adjustments and will cost approximately $2,000,000.

PURPOSE: To increase the economic impact of the area by improving access to the Port of Richmond for commercial vehicles and equipment.

HISTORY & KEY MILESTONES: The Goodes Street vertical clearance ranges from 21.5 feet to 22.2 feet. The two existing Deepwater Terminal Road I-95 overpass vertical clearances at the Bells Road and Commerce Road intersections are only 14 feet and are not adequate for large truck cargo access to the Port of Richmond.

NOTES:
FAN LIGHTING EXPANSION

DESCRIPTION & SCOPE: The purpose of this project is to provide ornamental lights in the Fan District and remove the existing shoebox and cobra head street light fixtures. The project boundaries are from the Boulevard east to Harrison Street and from Main Street north to Broad Street (but not including any of these border streets). Construction is to occur in phases as funding is made available. The work has begun on Grace and Mulberry Streets and will continue on these streets through FY 2013.

PURPOSE: To restore the physical character of the neighborhood and complement other ongoing projects in the area. Streets improved with ornamental lights tend to stabilize property values, encourage neighborhood revitalization, enhance historic neighborhoods, and increase public safety. These improvements will increase costs to operate and maintain lights in the Fan until removal of the existing lights is complete.

HISTORY & KEY MILESTONES: The project was originally funded in FY 2007 and has received periodic appropriations since that time. This project is also supplemented with Department of Public Utilities appropriation support.

JAHNKE ROAD: BLAKEMORE ROAD TO FOREST HILL AVENUE

DESCRIPTION & SCOPE: This project will improve Jahnke Road between Blakemore Road and Forest Hill Avenue through the installation of a median with left turn lanes, curbs, gutters, sidewalks, shared use paths, and an underground drainage system. The roadway will remain two travel lanes with landscaping and the existing traffic signals will be upgraded.

PURPOSE: To provide an improved corridor for future traffic demand while minimally impacting the surrounding neighborhood. The project will provide facilities for pedestrians and bicyclists that are not available on the existing corridor.

HISTORY & KEY MILESTONES: This project has been a part of the master plan since the early 1970s and was the target of a 1993-95 safety study. The project is funded with Regional Surface Transportation Program (RSTP) funds (80% federal and 20% state) through the Richmond Metropolitan Planning Organization.

**PROJECT #:** 291-New

**DESCRIPTION & SCOPE:** This project provides for a separate vehicle pick up and drop off area in front of John B. Cary Elementary School.

**PURPOSE:** Currently, students pick up and drop off occurs on Maplewood Avenue, a busy street which directly connects to the RMA expressway system. The loop will enhance safety by removing pick up and drop off operations to take place at a safer location.

**HISTORY & KEY MILESTONES:** Continued concerns of both school staff and parents regarding pedestrian safety on Maplewood resulted in this request. Traffic Engineering staff reviewed the situation and concurred with Richmond Public school staff’s recommendation for the loop.

**PROJECT #:** 292-8750

**DESCRIPTION AND SCOPE:** This project includes the repair of several bridges and the replacement of a number of deteriorated and structurally and functionally deficient bridges.

**PURPOSE:** To maintain and restore the structural and functional integrity of deficient City-maintained bridge structures. This project is crucial to the overall safety of the community.

**HISTORY & KEY MILESTONES:** Many of the bridges included in this project were constructed at least 40 years ago. Common distresses include deteriorated bridge decks and superstructures, leaking expansion joints, steel corrosion, paint deterioration, and various concrete spalls and cracking. These issues need to be addressed to avoid more costly repairs and accelerated structural deterioration. Prior year funding in FY 2012 and FY 2013 is being used to make repairs to the Robert E. Lee Bridge; Forest Hill Ave Bridge/Reedy Creek; Belvidere Street Bridge/CSXT and Brook Road; 5th Street/Leigh; and 7th Street/Leigh. FY 2014 funding will be used with matching revenue sharing from VDOT to replace Lynnhaven/Broad Rock Creek and Lombardy/CSXT – both of which are posted for loading. FY 2014 funding will also be used to load rate bridges that have not been load rated, as mandated by VDOT.

**PROJECT #:** 291-8122

**DESCRIPTION & SCOPE:** This project provides funds for ineligible expenses and matching funds associated with federal and state grant programs. These programs include grants from TEA-21, SAFETEA-LU, CMAQ, Enhancement, Safety, Revenue Sharing, and State Urban funds. Eligible programs include various street improvements, traffic signals, intersection improvements, and minor maintenance.

**PURPOSE:** To provide required matching funds that range from 0.2 percent to 50 percent, depending on the type of grant. The City administers the design, acquisition, and construction of these projects.

**HISTORY & KEY MILESTONES:** Each year, the City submits an application to VDOT for the various grant programs that offer funds for transportation improvements. These programs are funded with federal and state funds and require matching funds from the recipient. The estimated City match and ineligible project expenses cost approximately $70,000 each year, depending upon the number of successful applications. In FY 2013 VDOT, in conjunction with the City, received a $704,000 federal enhancement grant for the Richmond Interstate Gateway project. The City is required to pay the 20% match in the amount of $176,000 for the grant.

FOCUS AREA: TRANS.  SERVICE: Roadway Management
LOCATION: Council District 2, Precinct - 2  FUND: 040
EST. COMPLETION DATE: JUNE 2015  PROJECT #: 291-New

DESCRIPTION & SCOPE: This project will install a modern roundabout at the convergence of Monument Ave. and Allen Ave.

PURPOSE: The improvements will provide an enhanced and safer gateway to the neighborhood, reducing neighborhood speed and enhancing overall community livability.

HISTORY & KEY MILESTONES: The older circle was converted to a hybrid roundabout a number of years ago. Recent pedestrian accidents brought attention to need for converting the existing roundabout to a modern roundabout, formal pedestrian crosswalks, landscaped splitters and travel edge, etc., to enhance pedestrian safety. FY2015 planned funds will address any FY2014 unfunded improvements including High Friction Epoxy Treatment.

RICHMOND FIBER OPTIC NETWORK SYSTEM

**CATEGORY:** TRANSPORTATION  
**FOCUS AREA:** CSWB, WMG  
**LOCATION:** CITYWIDE  
**EST. COMPLETION DATE:** AUGUST 2018

**DEPARTMENT:** OFFICE OF EMERGENCY MANAGEMENT  
**SERVICE:** INFRASTRUCTURE MANAGEMENT  
**FUND:** 040  
**PROJECT #:** 290-NEW

**DESCRIPTION AND SCOPE:** To leverage the federally funded ITS Signal System South of the James River (Account 290-8232) project by adding a City owned fiber optic network layer. It is estimated that 90% of the of a fiber communication system cost is in construction. If completed in conjunction with the ITS Signal System project, construction costs for the fiber optic network would be absorbed by the ITS Signal System project.

**PURPOSE:** To install fiber optic network for internal City use, which is a necessary step to meet data needs for government service. Fiber optics represents the holy grail of communications networking: unlimited capacity, long life, and very resilient to downtime.

**HISTORY & KEY MILESTONES:** This project would move Richmond’s status to technology and municipal innovator, placing it among the few cities worldwide that have undertaken similar projects. The FY 2014 request would fund an overall strategic plan for the project and begin to hook up several City buildings that were within the RSS Phase I project (Downtown, Fan Area, and Near West End). FY 2015 funding includes the fiber costs for all of south side. It is expected by FY 2017 fiber installation for North Side and East End would be completed, with the remaining funds used to complete city facility hookups and any network infrastructure cost remaining.

EST. COMPLETION DATE: ONGOING  
PROJECT #: 290-8138

DESCRIPTION AND SCOPE: The Traffic Signal Retiming federally funded project provides for the retiming of the existing signal system along with software upgrades, hardware replacement, vehicle detection equipment and the installation of additional video monitoring equipment on the Chamberlayne Avenue, Brook Road, and Hermitage Road.

PURPOSE: To minimize stops, delays, fuel consumption, and air pollution emissions on the signalized intersections, and to maximize the progressive movement throughout the signalized network system.

HISTORY & KEY MILESTONES: During 2006 and 2009 a major traffic signal retiming project covered most of the City corridors. In 2011, VDOT and the Metropolitan Planning Organization (MPO) agreed to have the City use available funds for the installation of an adaptive traffic signal system in three corridors to improve coordination and timing issues. The estimated cost of the project has become $375,000 less than anticipated, so MPO and VDOT have agreed to release these funds and reallocated them to the Richmond Signal System Upgrade Project – Phase I (account 290-8137). The distribution of the funds is 80% FHWA ($300,000) and 20% City match ($75,000). The budget needs to be amended to reflect this reduction in federal and local match. MPO and VDOT will be making a similar revision in their appropriation and allocation funds granted for this project.

FOCUS AREA: TRANS.
LOCATION: CITYWIDE
EST. COMPLETION DATE: AUGUST 2013

DEPARTMENT: PUBLIC WORKS

PROJECT #: 290-8137

DESCRIPTION AND SCOPE: Richmond Signal System Upgrade – Phase I federally funded project includes the upgrade and enhancement of the existing Richmond Traffic Signal System along with software upgrades, hardware replacement, Intelligent Transportation System (ITS) equipment, and the installation of closed-circuit television (CCTV) equipment for traffic monitoring in Downtown Area, Fan Area, and West End of Richmond.

PURPOSE: To upgrade the obsolete centralized traffic signal center to a state-of-the-art system

HISTORY & KEY MILESTONES: The Richmond Traffic Signal System was installed in 1992, and it has become obsolete. Phase I is underway and expected to be completed by August 2013. Phase II includes signalized intersections south of the James River and will be implemented in a separate project. The budget needs to be amended to reflect an increase of $427,000. $375,000 will be transferred from the Richmond Signal Relinking (CMAQ) account 290-8138, and $52,000 of City funds will be needed to match the total estimated cost of the project. This is a federally funded project, of which $5.188 million is 100% reimbursable from FHWA and VDOT; $127,000 ($75,000 from account 290-8138 plus $52,000) will be City’s match.

NOTES:
ROUTE 5 RELOCATION

DESCRIPTION & SCOPE: This project consists of preliminary engineering, right-of-way acquisition, and construction to re-align Route 5 parallel to the CSX railroad (Phase 1); to widen Nicholson Street from 2 to 4 lanes and elevate Orleans Street/Williamsburg Street above the 100-Year flood plain with suitable 3-way transition and connections to the existing streets (Phase 2); and to re-configure the Williamsburg Avenue/Main Street intersection and facilitate the northbound movement of truck traffic (Phase 3).

PURPOSE: To restrict the use of heavy truck traffic on the deficient Main Street Bridge over Southern Railroad by relocating Route 5.

HISTORY & KEY MILESTONES: The Rte 5 Relocation project is dependent upon adopted development by developers and CSX acquisitions. The Route 5 Relocation project has been deferred since 2008 awaiting development activity from Rockett’s Landing. The FY 2014 request is to transfer $6,352,405 in State funds from the Route 5 Relocation project to the Commerce Road Improvement project 042-294-8181.

SIDEWALK PROJECTS

CATEGORY: TRANSPORTATION
FOCUS AREA: TRANS.
LOCATION: CITYWIDE
EST. COMPLETION DATE: ONGOING

DESCRIPTION & SCOPE: This project covers the repair of hazardous sidewalk and the addition of new sidewalks as requested by citizens. Repairs or additions of handicap ramps, repair of damaged curb & gutter, and repairs to damaged drainage facilities will be made during the installation of new sidewalk or repairs to existing sidewalk.

PURPOSE: To maintain safety for pedestrians by removing trip hazards and providing improved accessibility as required by the Americans with Disabilities Act. The locations of sidewalk repairs and new sidewalk installations are determined by a ranking system established by the Department of Public Works.

HISTORY & KEY MILESTONES: This project was established in 2008 and is funded yearly. Sidewalk Projects was initially a City funded program but was changed to a VDOT revenue sharing program in 2010. There is a backlog of approximately 340 Citizen Request locations totaling $14 million dollars in sidewalk repair requests in the City Master List. This funding will be leveraged to get an equal match from VDOT’s Revenue Sharing program for FY 2014.

**PROJECT #:** 974-1602

**DESCRIPTION & SCOPE:** This project provides for installation of new street lights at various locations based on requests of citizens, the Police Department, and the Department of Public Works Traffic Engineering Division. This project also provides for an upgrade to the electric distribution system, upgrades to three electric sub-stations, and ancillary electric work required due to CIP projects undertaken by other departments within the City of Richmond.

**PURPOSE:** To increase public safety at night and potentially reduce the crime rate through the installation of new street lights.

**HISTORY & KEY MILESTONES:** Prior funds for system upgrades for a phased upgrade program accumulated over time have been decreased. This funding is still required to facilitate the electric infrastructure upgrade program.

**PROJECT #:** 290-8910

**DESCRIPTION & SCOPE:** This project provides for the installation of traffic calming devices including residential circles, chokers, speed cushions, splitters and raised crosswalks. FY2014 funds will be used to install a roundabout at the convergence of Idlewood Ave., Grayland Ave. and the Downtown Expressway off ramp.

**PURPOSE:** To reduce cut-through traffic and speeding on certain neighborhood streets through the installation of physical traffic calming devices. The Idlewood Roundabout will provide an enhanced and safer gateway to the Oregon Hill to Harrison St., reducing neighborhood speed and enhancing overall community livability.

**HISTORY & KEY MILESTONES:** Sixteen projects were completed in 2009, 13 in 2010, 47 in 2011, 37 in 2012, and over 20 will be completed in 2013. The intent is the $200,000 FY2014 funding be dedicated to the Idlewood Roundabout, with the remainder of the estimated $550,000 construction cost funded through other sources.

**EST. COMPLETION DATE:** ONGOING  
**DEPARTMENT:** PUBLIC WORKS  
**SERVICE:** SIGNALS  
**FUND:** 040  
**PROJECT #:** 290-8122

**DESCRIPTION & SCOPE:** This project provides improvements to existing traffic signals by upgrading aged and damaged equipment. Improvements range from converting span wire designs to mast arms for improved visibility and maintenance to installing new vehicle detectors for improved operations (such as fewer unnecessary stops and less delay and vehicle emissions).

**PURPOSE:** To restore the functionality of damaged traffic signals and improve the overall safety and operations at signals by replacing old, outdated equipment.

**HISTORY & KEY MILESTONES:** This project has been providing ongoing installation of traffic signals and equipment for more than 20 years to improve traffic controls throughout the City. Funding for the project also covers emergency contingencies, such as knockdowns, and pays half of the salary for the traffic signal controls inspector. Additional funding is needed to address the aging infrastructure. The City typically receives $2 million to $3 million per year for this work; however, VDOT is not accepting safety grant applications in FY 2013.

**SERVICE:** PAVEMENT MANAGEMENT  
**LOCATION:** CITYWIDE  
**FUND:** 040  
**EST. COMPLETION DATE:** ONGOING  
**PROJECT #:** 291-8515

**DESCRIPTION & SCOPE:** The project provides the asphalt restoration of various streets throughout the City. The scope of work of this preventive maintenance of street project includes the milling and asphalt resurfacing of major and minor arterial streets and the application of slurry seal to collector and local streets as determined by visual pavement condition surveys. Improvements also include curb and gutter repairs, pavement patching, and the installation of handicap ramps as needed. Specific projects for FY 2014-2018 include: Malvern Ave. (Patterson Ave. to Grove Ave.), Nansemond St. (Cary St. to Patterson Ave.), Grove Ave. (Boulevard to Thompson St.), West Bacon St. (Chamberlayne Ave. to Fendall Ave.), School St. (Curtis Rd. to Brook Rd.), North and South Streets (Parkwood Ave. to Floyd Ave.), Trafford Road, Pilkington St. (Hull St. to Bainbridge St.), Wise St. (Pilkington St. to 27th St.), Jefferson Davis Highway (Chesterman Ave. to Walmsley Blvd.), and Marlowe Rd. (starting at the intersection of Marlow and Empearl Dr.).

**PURPOSE:** To maintain the function and operating condition of over 1,860 lane miles of City-owned streets while prolonging the useful life of paved surfaces. Many City streets have operating limitations due to poor conditions.

**HISTORY & KEY MILESTONES:** This project has been funded continuously over an historical period of time but only to the extent to be reactive to emergency situations. Recent funding has been on a more proactive basis.

**Department:** Public Works  
**Service:** Pedestrians, Bicycles, & Trails  
**Fund:** 040  
**Project #:** 291-NEW

**Description & Scope:** The project provides for implementation of Phase II of the Virginia Capital Trail. Phase II includes the construction and installation of Segment 2, a 10-12 foot wide asphalt trail along Dock Street from Great Shiplock Park to the Lehigh Cement property.

**Purpose:** To connect Richmond, the current state capital, to Williamsburg, the Colonial state capital, via a 55-mile multi-use trail. This project will also enhance bicycle and pedestrian access to the Richmond riverfront and increase tourism for the City.

**History & Key Milestones:** VDOT completed the Rte. 5 Capital Feasibility Study (Virginia Capital Trail) in 1999. The Richmond portion of the trail starts from the State Capital Building and ends at the City line on Route 5. Segment 1 of the trail extends from the Cathedral Walk to the Great Shiplock Park and was completed in 2010. Segment 3 extends from the Lehigh Cement property to the eastern City limits; it is currently under design and is scheduled for construction in the summer of 2013. Segment 2 will provide the final link for the Virginia Capital Trail.

**Notes:**
**DESCRIPTION & SCOPE:** The project provides for the design and construction of Richmond’s portion of the Virginia Capital Trail (VCT) Segment 3. The project consists of a 12 foot paved pedestrian/bike path along the old rail line from North Ash Street (Lehigh Cement property) to the Eastern City Limits (Henrico County line). The project will also consist of ornamental lightings, landscaping, and a pedestrian bridge over Gillies Creek.

**PURPOSE:** To connect Richmond, the current state capital, to Williamsburg, the Colonial state capital, via a 55-mile multi-use trail. This project will also enhance bicycle and pedestrian access to the Richmond riverfront and increase tourism for the City.

**HISTORY & KEY MILESTONES:** VDOT completed the Rte. 5 Capital Feasibility Study (Virginia Capital Trail) in 1999. Segment 1 of the trail extends from the Cathedral Walk to the Great Shiplock Park and was completed in 2010. The design plans for Segment 2 and 3 are scheduled to be complete in Spring 2013. In FY 2013, VDOT allocated $463,329 of State funds for this project; therefore, this project is being submitted so that they budgeted amount can be amended.

FLEET REPLACEMENT PROGRAM

CATEGORY: CITY EQUIPMENT & OTHER
FOCUS AREA: SNE, WMG
LOCATION: CITYWIDE
EST. COMPLETION DATE: ONGOING

DESCRIPTION & SCOPE: This project allows for the purchase of replacement vehicles and equipment used to provide services throughout the City. The City’s Fleet consists of approximately 2,300 vehicles and pieces of equipment.

PURPOSE: To replace vehicles and equipment that are beyond their useful life, which are typically the most costly to maintain. In line with the objectives of a well-managed government, the City has established a fleet replacement process that will, in time, set the vehicle replacement cycle in line with best practices, minimizing operating and maintenance costs.

HISTORY & KEY MILESTONES: The goal of the fleet replacement program is to strike a balance for minimizing replacement costs versus maintenance and fuel costs. The FY 2014 Adopted allocation will be utilized for the purchase of new Fire vehicles, heavy duty vehicles for the Department of Public Works, and approximately 28 new police vehicles.

**DEPARTMENT:** PUBLIC WORKS

**PROJECT #:** 029-3101

**DESCRIPTION & SCOPE:** This project will provide funds for the acquisition and installation of new, state of the art parking equipment at 100 Virginia Street, 501 N. 7th Street, 201 E. Grace Street, 911 E. Canal Street, 12 S. Colonel Avenue, and 5 S. Crenshaw Avenue parking facilities, resulting in the reduction of ongoing maintenance costs.

**PURPOSE:** To install new parking equipment at City parking facilities, as the current equipment is not in line with industry standards and requires constant maintenance. The equipment replacement will reduce maintenance costs, allow for better ingress and egress, and improve revenue tracking.

**HISTORY & KEY MILESTONES:** Funding for parking equipment replacement was provided to purchase new equipment for 100 Virginia Street and 501 N. 7th Street (2014); 201 E. Grace Street and 911 E. Canal Street (2015); and 12 S. Colonial and 5 S. Crenshaw Avenues (2016). Equipment installation will take approximately 30-45 days.

GAS UTILITY NEW BUSINESS

CATEGORY: Utilities
FOCUS AREA: SNE
LOCATION: Citywide
EST. COMPLETION DATE: ONGOING

DEPARTMENT: Public Utilities
SERVICE: Natural Gas Distribution
FUND: 043
PROJECT #: 971-1402

DESCRIPTION & SCOPE: This project provides for the ongoing installation of new gas mains, services, meters, and regulators to serve new customers in the City of Richmond and Henrico County. It is estimated that 34,000 feet of new mains and 1,000 new services will be installed in FY 2013.

PURPOSE: For each request to provide gas service, a determination is made whether the project provides a positive return to the gas utility.
- Projects where net revenue exceeds the estimated cost of construction will be completed.
- Projects may be completed where it is determined that subject to the Department of Public Utilities’ Main Extension Policy, those projects will provide future profitable gas sales.
- Where project costs are projected higher than net revenue, the customer can opt to pay a Contribution In Aid of Construction fee to make up that shortfall.

HISTORY & KEY MILESTONES: This project has been funded continuously over an historical period of time, but only to the extent to be reactive to opportunities to serve new customers. A new natural gas fueling facility was completed at Hopkins Road in January 2011 for refuse trucks.

GAS UTILITY SYSTEM REPLACEMENT

CATEGORY: UTILITIES
FOCUS AREA: SNE
LOCATION: CITYWIDE
EST. COMPLETION DATE: ONGOING

DEPARTMENT: PUBLIC UTILITIES
SERVICE: NATURAL GAS DISTRIBUTION
FUND: 043
PROJECT #: 971-1403 & 971-1430

DESCRIPTION & SCOPE: This project provides for the replacement of gas mains, services, meters, and regulators. The primary projects included in this program are replacement of old gas mains, replacement or renewal of old gas services and response to water infiltration. Also included are ancillary projects to renew or replace mains in conjunction with projects being done by other City agencies or the State. It is estimated to replace 120,000 feet of main and 2,100 services in FY 2014.

PURPOSE: Much of the gas distribution system is over 40 years old and is deteriorating due to its age. This project replaces and/or renews old gas facilities as maintenance costs begin to exceed replacement costs. This program, along with the cathodic protection program (Project 1430), reduces gas leakage and revenue losses.

HISTORY & KEY MILESTONES: A federal USDOT mandate requires the City to complete a 40 year project to replace all cast iron gas mains. This project is in its 19th year. New federal regulations requiring Distribution Integrity Management programs were effective on August 2, 2011.

STORMWATER FACILITIES IMPROVEMENTS

CATEGORY: UTILITIES
FOCUS AREA: SNE
LOCATION: CITYWIDE
EST. COMPLETION DATE: ONGOING

DESCRIPTION & SCOPE: This project provides for Citywide rehabilitation and upgrade of stormwater sewers and associated facilities, inspection and replacement programs, miscellaneous stormwater extensions, and emergency replacements.

PURPOSE: To complete the necessary replacement of and upgrades to the stormwater facilities.

HISTORY & KEY MILESTONES: This project has been funded to rehabilitate and/or replace drainage structures, ditches and culverts throughout the city. Development and use of “Green” technology has proven to be a positive step toward the reduction of untreated urban runoff into the City’s rivers and streams. A proactive approach is being taken to meet federal, state and local regulations.

PROJECT #: 973-1740-1780

DESCRIPTION & SCOPE: This project provides for capital improvements, corrective and preventive maintenance for the dams, canals, levees and floodwalls as well as the flood control systems on both the north and south interior drainage areas. The operation and maintenance of these facilities protect residential and business properties in the City and are required to meet the regulations of the Secretary of the Army and permits issued by the US Army Corps of Engineers Norfolk District and the Virginia Department of Environmental Quality.

PURPOSE: To make necessary improvements, repairs and upgrades needed for the sustainability of the James River infrastructure including dams, canals and flood protection facilities.

HISTORY & KEY MILESTONES: These types of projects have been continuously funded over decades in the City’s general or enterprise fund. Beginning in 2009 all the project costs are centralized in the DPU, an enterprise fund.

**SERVICE:** Wastewater Collections  
**LOCATION:** Citywide  
**FUND:** 045  
**EST. COMPLETION DATE:** ONGOING  
**PROJECT #:** 973-1740-1760

**DESCRIPTION & SCOPE:** This project provides for rehabilitation and upgrade of sanitary sewers, inspection and replacement programs, miscellaneous sewer extensions, and emergency replacements. This project includes the Shockoe Bottom Drainage Projects (SBD 1-7) and the Battery Park Drainage Project. Also included are ancillary projects to renew or replace sewers in conjunction with projects being done by other City agencies or the State. Various Stormwater Drainage projects totaling $4,521,725 were added as a Council Budget Amendment to the Capital Improvement Plan for FY2009-2013 (Ordinance 2008-73-105, Attachment II).

**PURPOSE:** To provide necessary replacement of and upgrades to the sanitary sewer facilities.

**HISTORY & KEY MILESTONES:** This project has been funded continuously over an extended period of time. In the 2005 time frame, the annual sewer rehabilitation budget was ramped up from about $4 million per year to the current level of approximately $11 million year. Project scheduling and rehabilitation has taken a more proactive role in bringing the sanitary sewers in rehabilitated areas an additional 50-100 years of life expectancy.

FOCUS AREA: SNE
LOCATION: CITYWIDE
EST. COMPLETION DATE: ONGOING

DEPARTMENT: PUBLIC UTILITIES
SERVICE: WASTEWATER TREATMENT
FUND: 045
PROJECT #: 973-1740-1701

DESCRIPTION & SCOPE: This project provides for the upgrading of equipment and process control systems at the Wastewater Treatment Plant. The wastewater system serves approximately 58,000 customers in the City, Henrico, northern Chesterfield and Goochland counties.

PURPOSE: To improve the operational processes of the Wastewater Treatment Plant.

HISTORY & KEY MILESTONES: This project has been funded continuously to replace systems have reached or surpassed their useful service lives and to maintain compliance with water quality regulations. In 2009, construction began on a $148 million series of projects to upgrade the treatment plant to remove more nitrogen and phosphorus pollutants as part of the Chesapeake Bay Restoration Program.

**WATER UTILITY DISTRIBUTION SYSTEM IMPROVEMENTS**

**CATEGORY:** UTILITIES  
**FOCUS AREA:** SNE  
**LOCATION:** CITYWIDE  
**EST. COMPLETION DATE:** ONGOING  
**DEPARTMENT:** PUBLIC UTILITIES  
**SERVICE:** WATER DISTRIBUTION SERVICES  
**FUND:** 044  
**PROJECT #:** 971-1502

**DESCRIPTION & SCOPE:** This project provides for installation of water mains to serve new customers, also meter programs and the rehabilitation of existing water mains and services. It is estimated to replace or retire 28,000 feet of main and 500 services in FY 2014. An estimated 22,000 feet of water main will be cleaned and lined in FY 2014. Also included are ancillary projects to renew or replace mains in conjunction with projects being done by other City of Richmond agencies or the State.

**PURPOSE:** Rehabilitation and replacement of water mains are done on a systematic basis, with cost effectiveness and quality of water service in specific areas determining the projects to be completed. New water mains and services are installed as requested, with the customer paying for all work beyond a minimum amount per customer.

**HISTORY & KEY MILESTONES:** This project has been funded continuously over an historical period of time, but only to the extent to be reactive to emergency situations. However, recent funding has been on a more proactive basis as many of the water mains have reached or surpassed their useful lives.

MAJOR PLANT & PUMPING IMPROVEMENTS

CATEGORY: UTILITIES
FOCUS AREA: SNE
LOCATION: CITYWIDE
EST. COMPLETION DATE: APRIL 2024

DESCRIPTION & SCOPE: A comprehensive study of the City of Richmond’s water purification plant and pumping system indicated that substantial improvements were needed to meet projected water demand and to comply with the requirements of the Safe Drinking Water Act and State Health Department regulations. The program for accomplishing these improvements began in the mid-1970s. The plant’s present certified capacity is 132 million gallons per day (MGD).

PURPOSE: To make improvements to the City of Richmond’s water purification plant and pumping system to meet projected water demand and to comply with the requirements of the Safe Drinking Water Act and State Health Department regulations.

HISTORY & KEY MILESTONES: This project has been funded continuously to replace systems that have reached or surpassed their useful service lives, maintain compliance with new drinking water quality regulations, and to meet county wholesale water contract capacity requirements.

TRANSMISSION MAIN IMPROVEMENTS

CATEGORY: UTILITIES
FOCUS AREA: SNE
LOCATION: CITYWIDE
EST. COMPLETION DATE: OCTOBER 2021

DEPARTMENT: PUBLIC UTILITIES
SERVICE: WATER DISTRIBUTION SERVICES
FUND: 044
PROJECT #: 972-1503

DESCRIPTION & SCOPE: This project provides for construction of water transmission mains and tanks, to provide service to the City of Richmond as well as Henrico, Hanover, and Chesterfield Counties, to maximize the use of the City of Richmond’s water purification plant.

PURPOSE: All projects undertaken for the exclusive benefit of Henrico, Hanover, and Chesterfield Counties are paid for 100 percent by each County. This maximizes efficiencies of usage of the City of Richmond’s water purification plant and lowers the cost of service for all customers of the Water Utility.

HISTORY & KEY MILESTONES: Past projects have included new transmission mains to facilitate increased water sales to Henrico, Chesterfield and Hanover Counties, as well as the soon to be completed Hioaks Elevated Water Tank in the southwestern portion of the City. DPU is currently in the process of replacing a large section of the 36” Korah 3 transmission main in the Kanawha Canal.

### Comments

Funds were withdrawn. Project is in the Scoping Phase and has been added to the Stormwater Utility Active projects list and will be prioritized with other Stormwater projects.

The Redevelopment Plan and future development of this project area will be reviewed by RRHA and City staff. RRHA continues to maintain the 30+/- properties acquired to date.

**Boulevard Development Prep – Phase One:** Fleet Services are fully functional at the new Commerce Rd facility. Building renovations for RPS at Hermitage Road are near completion with RPS scheduled to begin move mid August. Building renovations to the RPS facility on Commerce Rd scheduled to be complete Mid January, 2014 with the move taking place upon completion of renovations. Building abatement, demolition and soil remediation scheduled to be complete by first week in June, 2014. Phase Two: Space planning study is complete to move remaining functions from Parker Field. Recommendations being finalized by project team for relocation of existing functions to new locations.

SCHOOLS & OTHER SPECIAL FUNDING
MISSION STATEMENT

The Richmond Parks, Recreation and Community Facilities shall provide exceptional recreation and leisure programs to enhance the overall quality of life for the citizens and visitors to the City of Richmond and strive to preserve, protect, maintain and improve all of its natural resources, parkland, community facilities and recreational opportunities for current and future generations.

The department provides places and recreational opportunities for all people to gather, celebrate, contemplate, and engage in activities that promote health, well-being, community, and the environment.

Cemeteries Overview – PRCF operates eight municipal cemeteries: Maury Cemetery, Mt. Olivet Cemetery, Oakwood Cemetery, Oakwood “Paupers” Cemetery (inactive), Riverview Cemetery, Shockoe Hill Cemetery, Barton Heights Cemetery (inactive), and St. John’s Cemetery. Although all of the cemeteries have historical interest, the three that are particularly noteworthy are the following:

Shockoe Hill Cemetery
Located in the downtown area of Richmond on Hospital Street. Within its grounds are buried such luminaries as John Marshall, the revered U.S. Supreme Court Justice; Elimire Shelton, said to be Edgar Allen Poe’s fiancé and inspiration for his poem the “Lost Lenore;” John Allan, Poe’s boyhood friend; Peter Francisco, the Revolutionary War Hero; 220 Confederate and 577 Union soldiers; and Elizabeth Van Lew, the Union spy who operated a “safe” house during the War Between the States. This cemetery is on the Virginia Landmarks Register and the National Register of Historic Places. For more information, contact the Cemetery Operations Division at 646-1401 or visit the Friends of Shockoe Hill Cemetery at: http://www.enrichmond.org/partners/friends-of-shockoe-hill-cemetery/.

Oakwood Cemetery
Located at 3101 E. Nine Mile Rd. It is the final resting place of 17,000 Confederate soldiers, casualties from several battles fought in the Richmond area during the War Between the States. According to information in the book entitled, “The Dahlgren Affair” by Duane Schultz, Yankee Colonel Dahlgren was buried in a secret grave in Oakwood Cemetery in March 1864 after his failed raid on Richmond and removed by Elizabeth VanLew under cover of night on April 6, 1864. The body was taken out of Richmond by VanLew under a wagonload of peach trees and reburied the next day on a farm at Hungary Station in Henrico County. His body was returned to Philadelphia in October 1865 for burial in North Hill Cemetery. For more information call (804) 646-1028.

Historic St. John’s Church Cemetery
Located on the grounds of St. John’s Church, in Richmond’s oldest neighborhood, Church Hill, at 24th and Broad Streets. The City owns the Broad Street side of the cemetery. The cemetery is the resting place of Elizabeth Arnold Poe, the mother of the famous poet, Edgar Allan Poe, and George Wythe, one of the signers of our nation’s Declaration of Independence. The church was the site of Patrick Henry’s rousing, “Give me liberty or give me death!” speech. The dates and times for reenactments of Patrick Henry’s famous speech can be obtained by calling St. John’s Church at (804) 649-0263.
**Budget Highlights**

**Personnel:** The budget includes 100% funding for all positions in both fiscal years. The budget also reflects an increase of the City’s contribution to retirement and healthcare. Personnel costs are supported by the rates and fees set by the Cemeteries Division.

**Operating:** The proposed budget includes operating funds supported by the rates and fees set by the Cemeteries Division.

**AGENCY ACCOMPLISHMENTS**

- In FY12 the Cemeteries Division performed 790 interments, laid 493 foundations, and sold 468 graves, 54 pre-need graves and 6 lots.
- Riverview Cemetery opened a new single grave section, Plot M-7, and roadways repaved.
- Plot books for all the cemeteries were repaired and rebound.
MISSION STATEMENT

The mission of the Department of Public Utilities (DPU) is to provide superior utility service while creating exceptional value. DPU provides natural gas, water, wastewater, stormwater and electric street lighting services in an environmentally and financially responsible way with respect to the role of government in protecting the public’s interest. The fulfillment of our mission is intended to benefit both our customers and employees, and enrich the quality of life in the City of Richmond and beyond.

DEPARTMENT OVERVIEW

Organizational Development

The Department of Public Utilities continues to progress in its major restructuring of each utility as a comprehensive business unit, providing full autonomy of decision making relative to the production and provision of service to our customer base.

Regional Provider of Service

The Department of Public Utilities is a major regional provider of utility services. This objective represents a regional cooperative ventures successfully operating in the metropolitan area. Our ability to provide continued and enhanced services betters the economic forecast for the City as well as the region. DPU will continue to seek opportunities to meet the ever-changing demands of this growing metropolitan area through the provision of quality utility services.

Homeland Security

DPU is prepared to implement heightened security measures when the national security threat level is elevated. The utility has implemented a security alert system that is based on the U.S. Department of Homeland Security’s (DHS) recommended protective measures for each sector. Security upgrades at field facilities are continuing in order to protect our critical infrastructures.

Regulatory

Regulatory requirements at the Federal and State levels represent one of the drivers for continued escalating capital investment and improvement projects. These are major factors in the Water, Stormwater and Wastewater Utilities and are significant for the Gas Utility. The Safe Drinking Water Act, the State Health Department requirements and the Enhanced Surface Water Treatment Rules regulates the Water Utility. The Stormwater Utility is regulated by the Clean Water Act and the Chesapeake Bay Protection Act, the Erosion and Sediment Control Regulations, and the Municipal Separate Storm Sewer System Permit all regulated by the Commonwealth’s Department of Conservation and Recreation. The Wastewater Utility is regulated by the Clean Water Act, Virginia State Water Control Law and the Virginia Pollutant Discharge Elimination System permit with the Commonwealth’s Department of Environmental Quality and the implementation of the Environmental Protection Agency’s requirements to reduce Combined Sewer Overflow (CSO) discharges to the James River. For the Natural Gas Utility, compliance with the U.S. Department of Transportation’s Pipeline and Hazardous Materials Safety Administration (PHMSA) regulations for Distribution Integrity Management Programs (DIMP) will affect Operations & Maintenance and capital requirements for several years.
Infrastructure

Richmond, like other older urban communities throughout the country, has an aging infrastructure. One hundred-year-old gas mains, water mains, storm sewer lines, and sewer lines serve many areas of the City. Because DPU must ensure that it can continue to safely provide reliable and quality utility services, it has the responsibility to continue to actively invest in the maintenance, upgrade and replacement of the facilities, distribution and collection systems.

Commitment to the Community

The Department of Public Utilities continues its community education program to enhance customer understanding of key aspects of utility services and provide information that will help them manage their utility bills. As part of its community outreach efforts, DPU created a mascot, named Utility Buddy, to be visible in schools, civic meetings and other community events. In 2010, DPU’s MetroCare Program distributed $45,000 for heating assistance to more than 117 families throughout the Richmond metropolitan area.

DEPARTMENT SERVICES

The Department of Public Utilities is composed of five separate utilities: Gas, Water, Wastewater, Stormwater, and Electric. Each utility operates on a self-sustaining basis, as required by the Charter of the City of Richmond.

**Gas Utility**

The gas utility is a municipally owned local distribution company that provides gas service to the City of Richmond, Henrico County, and portions of Chesterfield and Hanover counties. The utility serves approximately 110,000 residential, commercial and industrial customers via approximately 1,929 miles of pipeline. Of the 1,929 miles of gas mains, about 19% are cast iron and ductile iron, 25% are steel and the remaining 1,100 miles, or 56%, are polyethylene plastic. In addition to supplying gas to customers, the utility purchases the gas from national suppliers, operates and maintains the eight custody transfer facilities connected to the interstate pipelines, installs and maintains gas mains as well as provides routine and emergency services.

A major infrastructure need exists in the Gas Utility. Many sections of the cast iron gas distribution system are over 100 years old. In the Gas Utility Master Plan there is a 40 year program (1992-2032) underway to replace all of the old cast iron mains in the system with high-density polyethylene (HPDE) pipe and coated steel welded pipe. The Gas Utility began in the early 1850’s when manufactured gas, created from heating coal at the 15th and Dock Streets facility, was distributed through cast iron pipes to the downtown area for streetlights.

Because of the age of the cast iron mains, DPU has seen an increase in the number of leaks that occur in the system. DPU repairs or eliminates approximately 1,000-1,300 gas leaks (Classes 1, 2, and 3) annually; however, DPU has an annual backlog of approximately 200 Class 2 leaks that will be scheduled for repair. (Class 1 leaks are leaks that represent an existing or probable hazard to life or property and require immediate repair. Class 2 leaks are leaks that are recognized as non-hazardous at the time of detection, but justify a scheduled repair. Class 3 leaks are leaks that are non-hazardous at the time of detection and can be reasonably expected to remain non-hazardous.)

**Water Utility**

The water utility provides retail water service to approximately 62,200 customers in the City of Richmond and wholesale water service directly to Henrico, Chesterfield and Hanover counties and indirectly to
Goochland and Powhatan counties. Current rating capacity for the Water Treatment Plant is 132 Million Gallons per Day (MGD); average consumption is 58 MGD with summer peaks of approximately 90 MGD. The distribution system consists of approximately 1,200 miles of mains and nine pumping stations. This service includes the treatment and distribution of water. In addition to supplying water to customers, the water utility provides water for fire protection throughout the City, installs and maintains fire hydrants and water mains as well as provides routine and emergency services. The distribution and storage systems in Henrico, Hanover and Chesterfield counties are owned and maintained by the respective counties.

Some of Richmond's water mains date back to the 1840's. The city has about 400 to 500 miles of mains older than 50 years, mostly in areas surrounding the core of the city. Where possible, DPU renews and upgrades these pipes to improve water pressure, water fire protection, and water quality through a “cleaning and lining” process. DPU relines approximately 10 miles of water main each year, mostly in the core residential areas of the city. Unfortunately, in some cases, the mains are so deteriorated that relining is impractical and the mains must be replaced with new pipes. DPU replaces approximately 1-3 miles of water main each year.

**Wastewater Utility**

The Wastewater Utility provides wastewater collection and treatment for approximately 59,000 customers in the City of Richmond, as well as small portions of Chesterfield and Henrico Counties. In addition, the City provides wholesale service to Goochland County. The wastewater treatment facility is permitted for 45 MGD dry weather and 75+ MGD wet weather and it provides tertiary treatment.

The collection system consists of two defined systems (the sanitary sewer collection system and the combined sewer collection system or CSO). The sanitary sewer collection system consists of three pumping stations, a network of over 47 miles of intercepting sewer lines, and roughly 1,500 miles of sanitary sewer lines. This makes up 2/3's of the system. The CSO has the Combined Sewer Overflow control facilities and another 750 miles of collection lines to complete the service area of the City of Richmond. The floodwall and levee system along with the canal system are operated and maintained in this utility.

The sanitary sewer collection system (the 1,500 miles referred to above) is another major piece of infrastructure found in the Wastewater Utility. As the city’s water system grew in the 1800’s, so did the need for sewers. These early sewers were constructed with various materials; i.e., clay pipes, segmented block, slab granite, cobblestone and brick. Until the first wastewater treatment plant was built in 1958, all the pipes emptied into creeks and into the James River. The sewer system now consists of laterals from homes and businesses, which are hooked to either a separate sanitary sewer main or a combined sewer over main that connect to the larger interceptor pipes. The interceptors were built along both riverbanks beginning in 1950. DPU is faced with the need to rehabilitate a significant amount of its 1,500-mile sewer system, particularly in the older core areas of the city.

Our standard is to maintain compliance with all regulations that allow the treated water from the City, that is released back into the James River, and the bio-solids (treated sewage sludge), applied to agricultural lands, to be reused.

**Stormwater Utility**

The Department implemented a Stormwater Utility in July 2009 to manage the stormwater that runs off the properties of city residents and business owners. Funding is used to implement a comprehensive stormwater quality management plan to comply with federal and state mandates. The Utility also provides design and construction of new and replacement infrastructure for the aging storm sewer system.
The Stormwater Utility maintains approximately 35,000 catch basins, 600 miles of ditches and 180 miles of storm sewer pipe. The goals of the Stormwater Utility are to protect people and property from flood hazards, prevent infrastructure failures, improve water quality by reducing non-point source pollution, prevent stream bank erosion, and collect, transport and treat stormwater runoff in the separate storm sewer and combined sewer systems. In addition, the Erosion and Sediment Control Program, Chesapeake Bay Protection Program, and mosquito control programs for the city are within the Stormwater Utility.

The Stormwater Utility also administers the federally mandated industrial source control and pollution prevention program.

**Electric Utility**

The Electric Utility purchases electricity from Virginia Power and distributes it to over 37,000 streetlights in the municipal system. The Electric Utility installs, maintains and operates the streetlight infrastructure and 5 substations throughout a majority of the city. It contracts with Virginia Power to operate and maintain approximately 5,100 streetlights in the southwest area of Richmond.

---

**City Council Action by Amendments:** City Council did not amend the Department of Public Utilities Budget.

---

**Utilities Rates**

The following rate increases are proposed for FY2014 and FY2015:

**Gas Utility** – **FY14 = 2.8%, FY15 = 3.0%**
The average monthly residential gas bill will increase $1.63 in FY2014 and $1.84 in FY2015.

**Water Utility** – **FY13 = 8.0%, FY15 = 8.0%**
The average monthly residential water bill will increase $1.36 in FY2014 and $2.46 in FY2015.

**Wastewater Utility** – **FY13 = 6.0%, FY15 = 8.0%**
The average monthly residential wastewater bill will increase $4.21 in FY2014 and 3.96 in FY2015.

AGENCY ACCOMPLISHMENTS

- Gas maintenance continued to reduce non-hazardous class 2 leaks to less than 200. On schedule for a 40-year requirement to replace all cast iron mains.
- Improved call-wait times in 311 Call Center.
- Replaced over 90% of electronic receiver/transmitter (ERT) meters to improve electronic meter reading response and accuracy.
- Reduced the drainage request backlog from over 1,200 requests to approximately 200 requests.
- Continued work on Fan Lighting project.
- Completed construction of a third phase of the nutrient removal project that introduced UV disinfectant and eliminated chlorine and sulfur dioxide use at the plant.
- The water plant has maintained 100% water quality compliance. In January 2013, provided Henrico County with more than 12 million gallons of additional water over 48 hours when the Henrico County water plant could not pull enough water from the James River into their water plant to meet the needs of their customers.
- Supported the opening of a public compressed natural gas (CNG) service station and worked with GRTC on the introduction of CNG minibuses.
- Provided continued support for the Mayor’s Participation, Action & Communication Team.
- Supported Focus Area 6, Balanced Scorecard, Action Plan, and Service Level Budgeting Initiatives.
MISSION STATEMENT

The mission of the Advantage Richmond Corporation is to assist the City in the acquisition, management, and maintenance of public facilities.

DEPARTMENT OVERVIEW

Advantage Richmond Corporation (ARC) was established in 2005 to acquire, construct, renovate, equip, operate and maintain public buildings and other public structures and properties for or on behalf of the City and to, when appropriate, providing financing for such activities. Currently, the ARC leases Marshall Plaza to the Richmond Department of Social Services.

BUDGET HIGHLIGHTS

City Council Action by Amendments: City Council did not amend the ARC budget.

The budget includes funding for day-to-day operations and maintenance of the facility, including security, service and repair calls, grounds and landscape expenses, and utilities. In addition, $360,000 of the rental revenues for FY14 and FY15 fund necessary capital improvement expenses such as repairs to the elevators, 1st floor renovations, replace alarm security box, upgrade window treatments, structural repairs, and IRS required interior access controls.

AGENCY ACCOMPLISHMENTS

- Completed improvements to sidewalks, brick work, and cement areas on the exterior perimeters of the facility.

- Completed necessary repairs and replacement of Marshall Plaza’s interior. These improvements provided needed redesign of work units, training areas, and emergency access.
MISSION STATEMENT

Fleet Management shall continually strive to be recognized as a team of Fleet professionals who provide quality maintenance and fueling services to all customers, whether internal or external; to ensure safe, operable vehicles and equipment in support of City programs; and to use City resources in the most efficient way possible.

DEPARTMENT OVERVIEW

Fleet Management reports directly to the Director of Public Works. Key responsibilities are vehicle maintenance and repair, fueling, specification review, acquisition, new vehicle preparation, and disposal.

BUDGET HIGHLIGHTS

City Council Action by Amendments: City Council did not amend the Fleet management budget.

Personnel: The budget includes 100% funding for all positions and limited funding for vacant positions. The budget also reflects an increase of the City's contribution to retirement and group life.

Operating: No changes in operating funding.

**MISSION STATEMENT**

Radio Shop strives to consistently exceed our customer’s expectations by utilizing a proactive approach to problem solving while identifying more efficient processes with measurable goals, thereby reducing the cost to the citizens of Richmond. We foster a positive atmosphere in which staff members can reach their fullest potential while encouraging accountability, integrity, respect, quality, and leadership.

**DEPARTMENT OVERVIEW**

The Radio Shop is charged with the installation and maintenance of electronic equipment used by City, State, and Federal agencies. This includes installing and maintaining mobile and portable radio subscribers, pagers, system infrastructure, 911 dispatch consoles, antenna tower sites, mobile data computers, emergency vehicle lights and sirens, public address systems, fire station alerting and other wireless communications equipment and networks.

**BUDGET HIGHLIGHTS.**

**City Council Action by Amendments:** City Council did not amend the Radio Shop budget.

**Personnel:** The budget includes 1005 funding for all position which are filled and limited funding for vacant positions in FY14 and FY15. The budget also reflects an increase of the City’s contribution to retirement and healthcare. There is no change to the FTE count from the FY2013 adopted budget.

**Operating:** This budget reflects increased funding for the purchase of a new fleet vehicle in FY2014 and increased equipment leasing fees in FY2014 and FY2015.

AGENCY ACCOMPLISHMENTS

- Completed 3,500 radio subscriber rebanding
- Completed radio system coverage analysis for all Richmond Schools and critical buildings
- Completed project deployment of the Richmond Area Microwave Interoperable System (RAMIS) funded by the Public Safety Interoperability Communications (PSIC) grant awarded to the eight jurisdictions of the Richmond Regional Planning District
- Completed draft 800MHz radio system needs assessment for next generation system
MISSION STATEMENT

The Debt Service Fund will ensure that the City’s debt service is paid in a timely manner and in accordance with the City’s charter, State Public Finance Act, and the City’s self-imposed debt policies.

DEPARTMENT OVERVIEW

The Debt Service Fund manages the City’s short- and long-term debt. Revenue for the Debt Service Fund’s expenditures comes largely from the General Fund transfer to the Debt Service Fund as well as payments made by other entities for debt obligations incurred on their behalf.

BUDGET HIGHLIGHTS

City Council Action by Amendments: The budget includes a $57,982 reduction for the department’s share of an across-the-board reduction for FY2015 applied to all departments except Police, Fire & Emergency Services, Richmond Public Schools, and Public Works.

The total FY 2014, Debt Service Fund revenue and expenditures are estimated to increase $7,025,438, or 11.8 percent, to $66,768,354. This projected increase is primarily the result of new long-term debt issuances related to the construction of the City’s new Justice Center and four new schools. More information on the City’s CIP and debt policies can be found in the Capital Improvement Plan section of the budget.

### Agency Accomplishments

- The City’s bond rating was reaffirmed by the three rating agencies in October 2010 (Fitch Ratings: AA+ with stable outlook; Moody’s Investor Services: Aa2 with stable outlook; and Standard and Poor’s: AA with stable outlook).
MISSION STATEMENT

The Richmond Retirement System administers two separate retirement plans for two participating employers: 1) an employer/employee cost-sharing defined benefit plan and; 2) an employer non-contributory defined contribution plan. The City of Richmond and Richmond Behavioral Health Authority are both participating employers who provide pension benefits for their full-time permanent employees. The System’s Board of Trustees governs and invests its assets through the leadership of an Executive Director with professional actuaries, investment managers and consultants to deliver retirement benefits for employees with service, early service, disability and deferred vested retirement eligibility for benefits.

DEPARTMENT OVERVIEW

The City of Richmond Retirement System (System) was initially established by City Council enactment on February 1, 1945. The Virginia General Assembly Legislative Acts of 1998 2005 and 2010 reestablished the Retirement System for City employees in the City of Richmond Charter (Chapter 5B).

Contained in this section is the budget provided by Richmond Public Schools, as adopted by the School Board. It consists of the General Fund Operating Budget Revenues as well as the General Fund Operating Budget Expenditures by Object Group and by State Function. The City of Richmond’s Adopted Amendments to the Biennial Fiscal Plan recommends a general fund appropriation of $154,267,395 in FY2014 to Richmond Public Schools.

*Note: City Council adopted a combined total of $247,043,662 for Richmond Public Schools in FY2014. The following summary pages, as adopted by the School Board, shows an increase from the FY2014 adopted budget, of: $28,288 in general funds support from the City of Richmond (which is reflected in the City’s contribution of $154,267,395), $227,683 from the Commonwealth of Virginia, and a decrease of $90,000 within the other sources of revenue category. This net, additional revenue of $165,971 will need to be appropriated by City Council in FY2014.

Special Funds
SPECIAL FUND BUDGET

One of the major elements that comprise the City's Fiscal Plan is the Special Fund Budget. Special Funds are designed to account for revenues appropriated for a specified purpose, that generally are restricted in some way, and that require segregation into separate funds for accounting purposes, with the exception of major capital projects. Special Funds are primarily derived from user fees, assessments, and grants, rather than property taxes, and are appropriated either at the time the Fiscal Plan is adopted by City Council or through mid-year ordinances approved by City Council. The fiscal year (FY) 2014 and FY 2015 Special Funds that follow have been adopted and approved by City Council, respectively.

Each City agency or department was provided an opportunity to prepare a Special Fund budget and submit it to the Department of Budget and Strategic Planning for inclusion in this document. The City's total adopted FY 2014 Special Fund Budget is $83,054,332. The chart below identifies all FY 2014 Special Fund funding sources as adopted, the one that follows identifies the major funding sources, and the final chart shows the relative size of the Special Fund Budget by agency.

| 444  | SAFER Grant Program  
The Staffing for Adequate Fire and Emergency Response SAFER Special fund objective is to fully fund 17 Firefighting positions for a two year period. It will address the staffing shortages the department has experienced by rehiring firefighters to fill operational voids. It will assure the community will have adequate protection from fire and fire-related hazard. |
| 565  | AFG Smoke Alarm Program  
The AFG Smoke Alarm program will purchase 2,000 dual sensor smoke detectors to be installed in the homes of Richmond residents. |
| 588  | Port Security Grant Program  
The Port Security Grant Program (PSGP) provides grant funding to port areas for the protection of critical port infrastructure from terrorism. PSGP funds are primarily intended to assist ports in enhancing maritime domain awareness, enhancing risk management capabilities to prevent, detect, respond to and recover from attacks. The Office of Emergency Management has partnered with the Port of Richmond and the Richmond Police Department to enhance security at and around the Port. The funding from this grant will support three initiatives: 1) procurement of a police patrol boat 2) procurement of a new camera system for the Port 3) support of a interagency exercise at the port. This funding requires a 25% soft match that will be met with in-kind services |
| 588  | CERT (Citizen Corps)  
The Citizens Corps along with the Community Emergency Response Team (CERT) funds provide resources for states and local communities to 1) bring together the appropriate leadership to form and sustain a Citizens Corps Council; 2) develop and implement a plan for the community to engage all citizens in hometown security, community preparedness, and family safety, and incorporate citizen participation in existing plans and activities; 3) conduct public education and outreach in order to inform the public about their role in crime prevention, mitigation, emergency preparedness for all hazards, and public health measures; 4) develop and implement Citizens Corps programs offering training and volunteer opportunities to support emergency management and emergency responders, disaster relief organization and community safety efforts; and 5) enable citizens to participate in exercises and receive training and equipment. |
| 588  | Local Emergency Management Performance Grant  
The objective of the Local Emergency Management Performance Grant (LEMPG) is to enhance the capability of localities to develop and maintain a Comprehensive Emergency Management Program by providing financial and advisory resources. This program is supported by federal pass-through funding requiring localities to complete work elements in the following four areas: 1) Planning: identify and record a suitable site used for federal/state distribution center, staging resources, or used as a Disaster Recovery Center; 2) Training: all local coordinator are required to attend or complete required courses and certifications; 3) Exercises: to develop an exercise program in accordance with Homeland Security Exercise and Evaluation Program; and 4) Capability Reporting: to conduct an annual review of the City's Local Capability Assessment of Readiness (LCAR) and to incorporate capabilities gained from other sources. |
| 588  | Radiological Emergency Grant  
The Radiological Emergency Preparedness program is funded through the Virginia Department of Emergency Management. The grant provides The City of Richmond with funding to aid in the planning and preparedness for a possible incident at the North Anna Nuclear Power Plant. |

| 705  | **EOC Grant**  
This Project involves the renovation and equipping of an Emergency Operations Center (EOC). Project investment funds are intended to address significant deficiencies associated with both the existing EOC facility itself and the facility sharing arrangement between the City of Richmond and the Richmond Ambulance Authority (RAA). A self-assessment of Richmond’s existing EOC reveals a serious concern for the facility’s ability to adequately accommodate a coordinated response to a large scale emergency event. Not only must the Richmond EOC meet the needs of localized emergencies, it must be able to meet the needs of a regional, state, and, national emergencies: as the geographical center and capital of Virginia; as the-50 miles fall back zone for Washington D.C. and Surry Nuclear Plant in the event of a mass evacuation and casualties; and as the designated Hurricane evacuation locality for the Tidewater Region. |
| 707  | **Donations/Special Fire Activities**  
This fund will provide funding support for various fire prevention and suppression activities, as well as a conference hosted by the Department of Fire and Emergency Services. |
| TBD  | **MSA Public Outreach and Education Project**  
This project will assist with mobilizing the region’s citizens to better prepare themselves for an all-hazard event. This initiative will encourage English-speaking and Spanish-speaking individuals to take basic steps to prepare themselves, and educate citizens. |
| TBD  | **VA Special Needs Registry**  
The Central Virginia Citizen Preparedness Network (CVCPN) created by the Central Virginia Urban Area Security Initiative (CVUASI) in partnership with 211 Virginia to help citizens prepare for disaster by working with local Emergency Management department to create emergency plans. This project welcomes all to sign up; however, it is especially important for those with medical, functional access or any other special needs to sign up. The CVCPN is a source for free educational materials to help citizens; a way for local Emergency Management to gather planning information and a way for local Emergency Management and partner agencies to communicate with citizens. |
| TBD  | **Hazard Mitigation Program**  
This project will provide three new gauges and with the two existing gauges will create a five monitor flood early warning system. The existing gauges are in the Shockoe basin at Middlesex and Shockoe Creek and the three new monitors proposed for the Gillies Creek, Jordon’s Branch and Reddy Creek basins. The monitors will provide coverage of approximately 75% of the combined sewer area and an early warning system allowing the City to move people and property in advance. |

| 243  | **Courthouse Maintenance Fund**  
     This fund is supported by a $2 fee assessed on each case in the General District Court, Circuit Court, and Juvenile and Domestic Relations Court. The fees collected are intended to help defray costs for renovations, utilities, maintenance, and construction of courthouses. |
| 246  | **Technology Trust Fund**  
     The Technology Trust Fund is funded by recording fees and clerk’s fees collected by Circuit Court Clerks. The State Compensation Board reimburses localities from the Fund for technology expenses of the Circuit Court Clerks used to achieve this goal. |
| 251  | **Asset Forfeiture**  
     This fund was established to permit the Richmond Commonwealth Attorney’s Office to participate in the Department of Criminal Justice Services’ program to share assets seized as a result of investigations of drug related crimes. Funds are distributed on a percentage basis to local or state agencies participating in the investigations. These funds are used to finance training and certain alternative program initiatives. |
| 252  | **Victim Witness**  
     Since 1989, the Department of Criminal Justice Services has awarded the Richmond Commonwealth Attorney’s Office a grant to promote the sensitive treatment of victims and witnesses to crime. The Victim Witness Grant also assists victims and witnesses in dealing with the criminal justice system, while improving the efficiency of the criminal justice process to increase the number of successful prosecutions. |
| 343  | **RADTC- Step Up and Step Out**  
     The objective of Project Step Up and Out is to provide nonviolent, multiple offense addicts a supported, stepped transition from jail to the street, stabilizing RADTC participants economically and socially before beginning the RADTC out-patient program. With no lapse in treatment during the transition process, project participants will spend more time and have more contact with treatment professionals, with less time in risky, unstable surroundings. The anticipated outcomes will include longer spans in treatment, lowered recidivism rates, and increased RADTC graduation rates for Project Step Up & Out participants. |
| 701  | **BJA- Enhancement of Richmond Adult Drug Court**  
     The objective of the RADTC Enhancement Project is to expand the Aftercare Phase of Drug Court Program by addressing issues that act as barriers upon program completion. This phase will be geared at transitioning clients from the program back into the community with additional services and community involvement. Enhancement also provides RADTC staff additional trainings and cross trainings needed to adapt to new trends in implementing treatment services. |
| 701  | **CSAT -Enhancement of Richmond Adult Drug Court**  
     The objective of the RADTC Enhancement/Expansion Project is to enhance the RADTC program by providing additional services such as psychiatric assessments, counseling, and medication supply and monitoring for participants with co-occurring mental illness. |
| S31  | **Recovery-Victim Witness**  
     This American Recovery and Reinvestment Act funded program will employ two part-time program assistants in the Richmond Victim/Witness Program, with each working no more than 20 hours per week for a two year period. The program assistants will work five hours per day, four days a week in providing direct services to victims, covering heavy morning court dockets in two of the General District courtrooms, and performing administrative activities including case management, maintaining program and statistical records, and coordinating delivery of services. |

| 702  | Community Based Prevention  
Funding received from the Office of National Drug Control Policy – University of Maryland, College Park is designed to eliminate open-air drug markets operating throughout Richmond by combining aggressive enforcement with intervention and prevention strategies. This comprehensive approach to combating drug trafficking in Richmond will seek to incarcerate significant and violent offenders, while providing alternative dispositions to non-violent offenders with minimal criminal histories. The preventive component will offer at-risk non-offenders vocational and educational opportunities, demonstrating a commitment to at-risk members of the community as well as rehabilitating non-violent offenders. Funding will also assist in providing support to various youth and young adult service providers, community events and RPD initiatives. |
| S31  | Recovery Internet Crimes Against Children  
Funded by the American Recovery and Reinvestment Act of 2009, the purpose of this fund is to assist local, state and federal partners with locating, arresting and prosecuting those who commit crimes against children. Funds will be used for equipment purchases and overtime as they directly relate to the apprehension and prosecution of crimes against children through the internet. |
| TBD  | Gang Prevention and Intervention  
Funding will allow RPD to continue partnering with the various community partners. Funds will also support a combination of activities, including research, evaluation, training and technical assistance, and demonstration programs, aimed at combating youth gangs, and to support and enhance the coordination of existing community-based violence prevention and intervention initiatives and strategies. |
| TBD  | Planning, Research & Analysis  
Law enforcement intelligence as an analytic tool for case development and resource allocation. Historical, ethical, legal and operational issues affecting current practice and to include theories of crime causation and translation of theory to policy. Intelligence Led Policing model has taken shape within the past few years and there is an anticipation of increase in funding levels. |
| TBD  | Targeted Enforcement & Suppression  
Basis of the enforcement and suppression efforts would be to target select criminal elements for aggressive suppression, proactively involve federal, state and local agencies and remove influential criminals from the community by use of enhanced sentences, federal charges and prosecution. There would also be a system for graduated sanctions for less serious offenses. |

| 311  | **Litter Control Grant**  
The purpose of this grant is to address the problem of litter in the city. Funding is based on city population and used for in-school education, citywide promotional activities and neighborhood cleanups. |
| 338  | **Employee Trip Reduction Program**  
Grant funds provide GRTC transit passes as well as vanpool subsidies for City of Richmond employees in an effort to reduce congestion and the need for parking. Employee participation is 19%. The program is funded 100% by grants until the last quarter of FY13 which accounts for the local request. |
| 339  | **Parking Management**  
This special fund continues to receive revenue from Standard Parking for the VA Biotech Deck to cover the costs of the meter installation and maintenance and expansion of the meter inventory. In FY09 we purchased a boot van. Going forward we intend to use these funds to purchase needed meter mechanisms and cases to expand and maintain meter inventory and maintenance of the 5 CDA parking decks. We are averaging approximately $100,000 in annual revenue. |
| 534  | **Winter Storm Events**  
The objective of this special fund is to provide funding for costs associated with a full snow response during winter storms. Public Works is the key department to clear the right of way after a storm and treat streets with sand and salt during ice storms. The general fund is the source of revenue funds. |
| 557  | **Main Street Station Operations**  
The objective of this special fund is to provide funding assistance for the security and operation of Main Street Station. The management is provided by RMA. VCU rents the station parking resulting in $23,000/month in revenue. The funding levels reflect state funding reductions from VDRPT in FY09-FY11. Funding for future years is being requested but is uncertain due to state priorities. |
| 570  | **ARRA - Energy Efficiency and Conservation Block Grant (EECBG)**  
The objective of this special fund is to increase energy efficiency and energy conservation through the development of an “energy efficiency and conservation strategy” and a “climate sustainability plan”, and by implementing projects that increase energy efficiency and energy conservation. Projects include LEED workforce training, more efficient equipment at the wastewater treatment plant, energy efficiency audit and rebate programs, and LED traffic light retrofits at selected intersections and the purchase of trash compactors/recycling units. |

| 532  | Shelter Plus Care – Capacity  
Shelter Plus Care -Capacity Project is a five year $449,280 grant awarded to RDSS for use to provide support for permanent rental subsidies to chronically homeless individuals and families from the City of Richmond who are experiencing persistent mental illness. Because of existing substance abuse disorders, Shelter Plus Care – Capacity places individuals in housing with intensive, appropriate health and mental health services. |
| 533  | Shelter Plus Care – Expansion  
Shelter Plus Care – Expansion provides rental assistance and supportive services for 6 chronic homeless individuals and families with a disability (co-occurring disorders). |
| 548  | Housing first  
Housing First, part of the Shelter Plus Care program, provides rental assistance and supportive services for 15 chronic homeless individuals and families with a disability (co-occurring disorders). |
| 549  | APTS – A Place to Start  
A Place To Start, part of the Shelter Plus Care program, provides rental assistance and supportive services for 6 chronic homeless individuals and families with a disability (co-occurring disorders). |
| TBD  | Shelter Plus Care-APTS  
The “Continuum of Care” grant from the Virginia Department of Housing and Urban Development provides services to homeless men, women, and children through their local planning efforts and through direct housing and service programs. The Continuum of Care (CoC) homeless Assistance grant from the Virginia Department of Housing and Urban Development provides outreach and needs assessment services for the City of Richmond’s homeless population. |

The City of Richmond, incorporated in 1782, is a municipal corporation of the Commonwealth of Virginia and is the state capital. The City occupies 62.55 square miles and serves a growing population of 204,214 as of the 2010 U.S. Census. In the Commonwealth, cities have sole jurisdiction over the entire area within their boundaries and operate independently of any county government. There are no overlapping jurisdictions and consequently, citizens of Virginia cities are not subject to overlapping debt or taxation.

Richmond, because of its location in the middle of the eastern seaboard, is within 750 miles of two-thirds of the nation’s population and less than 100 miles from the nation’s capital. The City is ideally suited as a commerce hub because of the intersection of Interstates 95, 64, and 295, two major rail freight lines, and Amtrak passenger service. The Port of Richmond and Richmond International Airport provide water and air services to the region’s residents and businesses.

Richmond has a diverse economic base, including research and development, manufacturing, retail, services, law, distribution, tourism, banking and state government, which contributes to a stable and positive business environment. Richmond is home to the Fifth District Federal Reserve Bank and the Fourth Circuit U.S. Court of Appeals.

Several higher education institutions, including Virginia Union University, University of Richmond, Union Theological Seminary & Presbyterian School of Christian Education, J. Sergeant Reynolds Community College, and Virginia Commonwealth University (VCU) including its health system schools, are located within the City. VCU is home to nationally ranked graduate and first professional programs including those ranked #1 by U.S. News & World Report in nurse anesthesia and sculpture.

This active educational environment supports the City’s flourishing cultural community, numerous sports and entertainment attractions and one of the nation’s largest river park systems, ranking it among the “Best Places to Live and Work in America.” The Virginia Museum of Fine Arts, located in the City’s Fan District, home to the largest public Fabergé collection outside Russia, is considered a top public museum, and was the only museum on the eastern seaboard to be selected to exhibit the Musée National Picasso collection. In the spring of 2010, Richmond welcomed its new professional baseball team, the Flying Squirrels.

In September 2015 Richmond will host the World Road Cycling Championships; one of cycling’s premier events along with the Tour de France. The World Championships will be contested in several cycling disciplines by elite men’s and women’s teams representing countries from around the world and the nine days of competition are expected to attract nearly half a million visitors and draw a global audience of several hundred million viewers. For nearly two weeks Richmond will be on the world’s center stage.

The James River, which travels through Richmond with Class IV rapids, led to the City’s dedication of a conservation easement along its downtown river becoming the only urban U.S. city to take such action. The City’s James River Park system is 550 acres and is host to the XTERRA triathlon and has been recognized as the Southeast’s Best Urban Park and named Best in Dirt for its running trails.
ECONOMIC AND DEMOGRAPHIC FACTORS

Population

As reflected in Table 1, based on the 2010 Census, Richmond’s population grew for the first time in several decades. Richmond is the fourth most populous city in Virginia, as shown in Graph 1.

**Accounting Basis** - The City operates on a modified accrual basis where most revenue is recognized when it is earned or billed and expenditures are recognized when the liability is incurred.

**Activity** – An activity is a set of or grouping of similar processes or tasks that converts inputs to outputs. An activity is a service provided under a program budget.

**Agency** - A major administrative division of the City that has overall management responsibility for an operation or a group of related operations within a functional area.

**Administration** - Executive Management, HR Functions (for smaller departments that do not have a stand-alone HR unit), administrative support, and other non-financial functions.

**Amendment**- Any change to the revenue and/or expenditure of a previously adopted budget. Amendments may be recommended by the Mayor or City Council. The director of finance must certify that the city has the required funds for each amendment. Amendments are considered by City Council and approved (adopted) or rejected by a minimum of six affirmative votes.

**Appropriation** - An authorization made by City Council to expend funds for certain purposes within a specific time frame.
