The Friends of the Richmond Mounted Squad, a 501 (3)(c) non-profit. Their mission is to provide supplemental financial support from the private sector for specialized training, equipment, supplies & services, and public relations activities to increase the public's awareness of the Richmond Mounted Squad. Also, educating and informing the citizens and children of Richmond about the functions and importance of the Mounted Squad to the City of Richmond. Please feel free to check out this wonderful organization at: www.frmsva.com
