### Property Crime:

- In September, officers were directed into neighborhoods and areas that experienced an increase in Burglaries. Thanks to their efforts and neighbor looking out for neighbors, Sector 411 had a 67% reduction in residential, commercial and outbuilding burglaries.
- We've seen an increase of Theft of Bicycles. Please secure bikes at all times.

**Please report all suspicious activity to Police.** The police went door to door in the 400 block of Ladies Mile Rd. contacting residents. Many residents brought suspicious situations to our attention but didn't call police. Please if something is suspicious, call the police at once!
