**Virginia Department of Transportation
Policy Statement
Disadvantaged Business Enterprise (DBE) Program**

It is the policy of the Virginia Department of Transportation that Disadvantaged Business Enterprises (DBE) as defined in 49 CFR Part 26 must have the maximum opportunity to participate in the performance of federally contracts. A list of Virginia Department of Minority Business Enterprise certified DBE firms is maintained on their web site (<http://www.VDMBE.state.va.us>) under the DBE Directory of Certified Vendors and a list of Metropolitan Washington Airports Authority certified DBE firms are maintained on their web site (<http://www.metwashairports.com>) under DBE Directory. Contractors are encouraged to take all necessary and reasonable steps to ensure that DBE firms have the maximum opportunity to compete for and perform services on contract, including participation in any subsequent supplement contracts. If the contractor intends to subcontract a portion of the services on the project, the contractor is encouraged to seek out and consider DBEs as potential subcontractors. The contractor is encouraged to contact DBEs to solicit their interest, capability and qualifications. Any agreement between a contractor and a DBE whereby the DBE promises not to provide services to other contractors is prohibited.

The DBE contract goal for this procurement is 5%.
