

ADDENDUM NO. 3

DATE: March 24, 2015
REQUEST FOR QUALIFICATIONS: RFQ J15-022515 – Byrd Park Reservoir Cover Replacement – Design/Build Project
DATED: February 25, 2015
RECEIPT DATE: April 8, 2015
SUBJECT: Question/Answer

Ladies/Gentlemen:

Please take note of the following:

1. Section 3.6.5 Safety Program and Performance requests an overview of our safety program which should not be more than one page. Also requested is our Contractor Safety and Health Program Questionnaire. Are subsections A, B, and C captured on this questionnaire or do we need to provide a separate narrative addressing these requests?
Answer: Offerors shall submit a one page narrative describing the Applicant’s safety program and complete Appendix C, Contractor’s Safety and Health Program Questionnaire (pages 33-35 of the RFQ). Section 3.6.5 subsection A, B, and C are addressed in the questionnaire. Applicants shall also submit copies of their OSHA 300A logs as described in Item E.7 and their Worker’s Compensation Experience Modification Rate (on their Insurance Company’s letterhead) as described in Item F.2.

Vendor must take due notice and be governed accordingly. This addendum must be acknowledged or your qualification submission may not be considered.

Sincerely,

Oscar Knott, CPP, VCO
Contract Specialist Supervisor
804/646-7499
