

Route 288 will be extended by 17.5 miles from Route 76 to I-64. The entire project is scheduled for completion in late 2003.

Route 288 from the Powhite Parkway Extension in Chesterfield County (Route 76) to I-64 in Goochland County will be a four lane interstate-style highway with ten interchanges and a bridge over the James River.

Approximately 60 miles / 96 kilometers in diameter
